### **O.C. 974-2005, 19 October 2005**

An Act respecting the exercise of certain municipal powers in certain urban agglomerations (R.S.Q., c. E-20.001)

#### Reconstitution of Ville de Montréal-Est

WHEREAS Ville de Montréal was constituted on 1 January 2002 by the coming into force of section 1 and Schedule I to the Act to reform the municipal territorial organization of the metropolitan regions of Montréal, Québec and the Outaouais (2000, c. 56);

WHEREAS the territory of that city includes the territory of the former town known as Ville de Montréal-Est;

WHEREAS, in accordance with the Act respecting the consultation of citizens with respect to the territorial reorganization of certain municipalities (2003, c. 14), a referendum poll was held on 20 June 2004 in the sector of the city corresponding to the territory of the former Ville de Montréal-Est on the possibility of reconstituting that former municipality;

WHEREAS the answer given to the referendum question by the qualified voters was deemed to be affirmative within the meaning of section 43 of the Act;

WHEREAS, by Order in Council 596-2004 dated 21 June 2004, the Government, in accordance with section 51 of the Act, established a transition committee to participate, together with the administrators and employees of the city and with any persons elected in advance in the reconstituted municipality, in the establishment of the conditions most conducive to facilitating the transition between the successive municipal administrations;

WHEREAS it is expedient, pursuant to section 123 of the Act respecting the exercise of certain municipal powers in certain urban agglomerations (R.S.Q., c. E-20.001), to order the reconstitution of Ville de Montréal-Est;

IT IS ORDERED, therefore, on the recommendation of the Minister of Municipal Affairs and Regions, that Ville de Montréal-Est be reconstituted as of 1 January 2006, on the following conditions:

1. The town is a local municipality governed by the Cities and Towns Act (R.S.Q., c. C-19).
2. The territory of the municipality is the territory described in the Schedule, the description being prepared by the Minister of Natural Resources, Wildlife and Parks on 19 January 2005.
3. The first meeting of the council of the municipality will take place in the building that will become the town hall at 11370, rue Notre-Dame Est.
4. On being constituted, the municipality succeeds, in respect of its territory, to the rights and obligations of Ville de Montréal relating to a municipal power other than an urban agglomeration power. All the acts performed by the city in their respect are deemed to be acts of the municipality. The municipality becomes, without continuance of suit, a party to any proceedings to which the former Ville de Montréal-Est was a party before the constitution of the city.

The by-laws, resolutions or other instruments of the city, insofar as they are, immediately before the reconstitution of the municipality, applicable in all or part of the territory described in the Schedule and relate to a power referred to in the first paragraph, are deemed to be by-laws, resolutions and instruments of the municipality.

The first two paragraphs apply subject to any provision of the Act respecting the exercise of certain municipal powers in certain urban agglomerations or of the urban agglomeration order for Montréal made under section 135 of that Act.
