Notice

An Act respecting industrial accidents and occupational diseases
(R.S.Q., c. A-3.001)

Applicable percentages for the purposes of levying the assessment on employers personally liable for the payment of benefits for 2006

Notice is hereby given that the Commission de la santé et de la sécurité du travail has adopted the definitive text of the "Regulation respecting the applicable percentages for the purposes of levying the assessment on employers personally liable for the payment of benefits for 2006", which appears below.

Under Section 12 of the Regulations Act (R.S.Q., c. R-18.1), a proposed regulation may be made without having been published as stipulated in Section 8 of said act if the authority making it is of the opinion that the urgency of the situation requires it and if the reason justifying the absence of the prior publication is published with the regulation as stipulated in Section 13 of said act.

In the opinion of the Commission, the urgency due to the following circumstances justifies the absence of the prior publication of the "Regulation respecting the applicable percentages for the purposes of levying the assessment on employers personally liable for the payment of benefits for 2006" appended to this notice:

— Since the entry into force of the Act respecting industrial accidents and occupational diseases (R.S.Q. c. A-3.001), the Commission has adopted by resolution of its board of directors the percentages for the purposes of levying the assessment on employers personally liable for the payment of benefits under Section 343 of this act;
