### O.C. 1254-2005, 21 December 2005

Worker's Compensation Act  
(R.S.Q., c. A-3)

#### Table of indemnities payable for 2006

CONCERNING the Regulation respecting the table of indemnities payable for 2006 under the Worker's Compensation Act

WHEREAS, pursuant to paragraph *d* of section 124 of the Worker's Compensation Act (R.S.Q., c. A-3), the Commission de la santé et de la sécurité du travail may make regulations respecting the matters referred to therein;

WHEREAS, pursuant to sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1) and section 125 of the Worker's Compensation Act, a draft regulation appended to the Decree was published in Part 2 of the *Gazette officielle du Québec* of September 21, 2005, with notice that at the expiry of 45 days from the date of publication, it would be adopted by the Commission, with or without amendments, and submitted to the Government for approval;

WHEREAS the Commission adopted the Regulation respecting the table of indemnities payable for 2006 under the Worker's Compensation Act, with amendments, at its November 15, 2005 session;

WHEREAS the aforementioned amendments are notably related to the coming into force of an amendment to section 2 of the Worker's Compensation Act pursuant to section 74 of the Act amending the Act respecting parental insurance and other legislative provisions (2005, c. 13) which provides that the contribution payable by a worker to the parental insurance plan is to be taken into account in calculating his weighted net income;

WHEREAS the aforementioned amendments should normally be published in the *Gazette officielle du Québec*, as required by section 8 of the Regulations Act;

WHEREAS, pursuant to sections 12 and 18 of the Regulations Act, a proposed regulation may be approved without having been published as provided for in section 8 of that Act and may come into force within a shorter period than that provided for in section 17 of the same Act where the authority approving it is of the opinion that the urgency of the situation requires it and that the reason justifying the absence of prior publication and such coming into force are published with the regulation as required by sections 13 and 18 of that Act;

WHEREAS in the opinion of the Government, there is just such an urgency due to the following circumstances:

— Government Decree number 984-2005 providing for the coming into force on January 1, 2006 of section 74 of the Act amending the Act respecting parental insurance and other legislative provisions was adopted by the Government on October 19, 2005;

— The aforementioned section amends the Worker's Compensation Act so that the contribution payable by a worker to the parental insurance plan is to be taken into account in calculating his weighted net income;

— The Commission was unable to adopt the aforementioned Regulation taking into account the aforementioned amendment before November 15, 2005;

— It is imperative that the aforementioned Regulation come into force in early 2006 so that the Commission can fix the indemnities payable under the Worker's Compensation Act, which would be impossible if the formalities of consultation and coming into force provided for in the Regulations Act were to be complied with;

WHEREAS, it is appropriate to approve the Regulation;

IT IS ORDERED, therefore, on the recommendation of the Minister of Labour:

THAT the Regulation respecting the table of indemnities payable for 2006 under the Worker's Compensation Act, appended to this Decree, be and hereby is approved.

ANDRÉ DICAIRE,  
Clerk of the Conseil exécutif
