Professional Code
(R.S.Q., c. C-26)

Medical electrophysiology technologist — Certain professional activities that may be engaged in by a technologist

Regulation respecting certain professional activities that may be engaged in by a medical electrophysiology technologist

WHEREAS, under paragraph *h* of section 94 of Professional Code (R.S.Q., c. C-26), the Bureau of a professional order may make a regulation determining, among the professional activities that may be engaged in by members of the Order, those that may be engaged in by the persons or categories of persons indicated in the regulation, and the terms and conditions on which such persons may engage in such activities;

WHEREAS section 95 of the Code provides that, subject to sections 95.1 and 95.2, every regulation made by the Bureau under this Code or an Act constituting a professional order shall be transmitted to the Office for examination; it shall be submitted, with the recommendation of the Office, to the Government which may approve it with or without amendment;

WHEREAS the Bureau of the Collège des médecins du Québec adopted the Regulation respecting certain professional activities that may be engaged in by a medical electrophysiology technologist;

WHEREAS, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), a draft of the Regulation was published in Part 2 of the *Gazette officielle du Québec* of 8 June 2005 with a notice that it could be submitted to the Government for approval on the expiry of 45 days following that publication;

WHEREAS, in accordance with section 95 of the Professional Code, the Office des professions du Québec has made its recommendations;

WHEREAS it is expedient to approve the Regulation without amendments;

IT IS ORDERED, therefore, on the recommendation of the Minister responsible for the administration of legislation respecting the professions:

THAT the Regulation respecting certain professional activities that may be engaged in by a medical electrophysiology technologist, the text of which is attached to this Order in Council, be approved.

ANDRÉ DICAIRE,
Clerk of the Conseil exécutif

Regulation respecting professional activities that may be engaged in by a medical electrophysiology technologist

Professional Code
(R.S.Q., c. C-26, s. 94, par. *h*)

1. The purpose of this Regulation is to determine amongst the professional activities that may be engaged in by physicians, those which, pursuant to an individual prescription and the terms and conditions set out in the Regulation, may be engaged in by a medical electrophysiology technologist or other persons.

2. In this Regulation, the term “medical electrophysiology technologist” means:

1° any person who holds a diploma of collegial studies in medical electrophysiology issued by Collège Ahuntsic;

2° any person who, on April 30, 2003, practised as an electrophysiology technologist.
