

Draft Regulation

Professional Code
(R.S.Q., c. C-26)

Radiology technologists — Professional activities that may be engaged in by persons other than radiology technologists

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation respecting the professional activities that may be engaged in by persons other than radiology technologists, made by the Bureau of the Ordre des technologues en radiologie du Québec, may be submitted to the Government for approval, with or without amendment, on the expiry of 45 days following this publication.

The purpose of the draft Regulation is to

(1) determine, from among the professional activities that may be engaged in by radiology technologists, those that may be engaged in by students enrolled in a program of studies leading to a diploma giving access to the permit and by candidates wishing to practise the profession with a view to obtaining a diploma or training equivalence; and

(2) specify the terms and conditions under which the professional activities may be engaged in by those persons.

According to the Order, the Regulation has no impact on enterprises, including small and medium-sized businesses.

Further information may be obtained by contacting Alain Crompt, Director General and Secretary, Ordre des technologues en radiologie du Québec, 6455, rue Jean-Talon Est, bureau 401, Saint-Léonard (Québec) H1S 3E8; telephone: 514 351-0052; fax: 514 355-2396.

Any person having comments to make is asked to send them, before the expiry of the 45-day period, to the Chair of the Office des professions du Québec, 800, place D'Youville, 10^e étage, Québec (Québec) G1R 5Z3. The comments will be forwarded by the Office to the Minister responsible for the administration of legislation respecting the professions. They may also be forwarded to the professional order that made the Regulation as well as to interested persons, departments and bodies.

*Chairman of the Office des
professions du Québec*

Regulation respecting the professional activities that may be engaged in by persons other than radiology technologists

Professional Code
(R.S.Q., c. C-26, s. 94, par. h)

1. A student enrolled in a program of studies leading to a diploma giving access to the permit issued by the Ordre des technologues en radiologie du Québec, may, among the professional activities that may be engaged in by radiology technologists, engage in the activities required to complete the program, on the condition that:

(1) the student is listed in the Order's student register;

(2) the student engages in the activities within the framework of training establishments offering the program of studies that leads to a diploma giving access to the permit issued by the Order, and does so in compliance with the rules applicable to radiology technologists, including those relating to the code of ethics and the rules of practice of the profession of radiology technologist; and

(3) the activities are engaged in under the supervision of a clinical teacher, a clinical instructor or a radiology technologist who is available to intervene on short notice.

2. A candidate referred to in the third paragraph of section 9 of the Regulation respecting the standards for diploma or training equivalence for the issue of a permit by the Ordre des technologues en radiologie du Québec, approved by Order in Council 523-2005 dated 1 June 2005, may, among the professional activities that may be engaged in by radiology technologists, engage in the activities required to complete the training that would allow the candidate to be granted a training equivalence, on the condition that the activities are engaged in under the supervision of a radiology technologist who is available to intervene on short notice.

3. This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.
