An employer who concludes that the objective of the second probationary period has not been attained must so notify the person concerned in writing. The notice must contain reasons.

A copy of the notice must be sent to the Minister with the evaluation reports, a description of the evaluation procedures and the measures taken, if applicable, pursuant to section 21.

**26.** Despite the provisions of Division II of this Chapter, the teaching permit or the provisional teaching authorization expires once the period provided for in section 25 has elapsed if the holder has not elected to serve a second probationary period or, if applicable, on the date of the notice stating the holder has failed the second probationary period.
