Regulation respecting the insurance premiums for 2007

An Act respecting industrial accidents and occupational diseases
(R.S.Q., c. A-3.001, s. 454, 1st par., subpar. 10)

1. The insurance premiums necessary for the retrospective adjustment of the annual assessment for the assessment year 2007 shall be calculated in accordance with the table in Schedule I.

2. The premiums shall be determined by applying the percentage calculated to the part of the assessment calculated in terms of the risk, taking into account the limit applicable to the employer with respect to the assumption of the cost of benefits.

3. The percentages appearing in the table are applicable to the precise amounts of assessment distributed in terms of the risk corresponding to those percentages. Where the amount of assessment falls between two levels of assessment in the table, the percentage shall be calculated by linear interpolation, and the result shall be rounded to the nearest hundredth of a per cent.

4. This Regulation comes into force as of 1 January 2007.

* The Regulation respecting retrospective adjustment of the assessment has been adopted by the Commission de la santé et de la sécurité du travail by Resolution A-85-98 of September 17, 1998 (1998, G.O. 2, 4156).

Draft Regulation

An Act respecting industrial accidents and occupational diseases
(R.S.Q., c. A-3.001)

Applicable percentages for the purposes of levying the assessment on employers personally liable for the payment of benefits for 2007

Notice is hereby given in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1) that upon the expiry of 45 days following this publication the "Regulation respecting the applicable percentages for the purposes of levying the assessment on employers personally liable for the payment of benefits for 2007", the text of which appears below, may be made by the Commission de la santé et de la sécurité du travail.

This draft Regulation seeks to determine the percentages that the Commission must use in order to levy on employers personally liable for the payment of benefits

the expenses that it incurs for the application of Chapter X of the Act respecting industrial accidents and occupational diseases.

The examination of this file reveals no significant impact on the enterprises directly concerned by this regulation given that the Commission de la santé et de la sécurité du travail already adopted such percentages on an annual basis.

Any interested person having comments to make on this matter is asked to send them in writing, before the expiry of this period, to Mr. Roland Longchamps, Vice-Chairman, Finance, Commission de la santé et de la sécurité du travail, 524, rue Bourdages, Québec (Québec) G1K 7E2.
