

Draft Order of the Minister of Sustainable Development, Environment and Parks

Environment Quality Act
(R.S.Q., c. Q-2)

Fees payable

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Draft Order respecting the fees payable under the Environment Quality Act, appearing below, may be made by the Minister on the expiry of 45 days following this publication.

The Draft Order determines the fees payable for applications for authorizations under the Environment Quality Act or its regulations.

The Draft Order incorporates, occasionally with modifications, the current fees payable under various regulations. It determines the fees to be paid for the processing of most applications for the issue, modification or renewal of authorizations, certificates of authorization, attestations, approvals, permissions and permits.

The Draft Order will have an impact on enterprises, citizens, government departments and bodies and municipalities applying for an authorization. Some of the fees will vary according to the nature or scope of the project, the class of source of contamination, the characteristics of the enterprise or establishment, in particular its size, or the complexity of the technical and environmental aspects of the file.

As the Draft Order incorporates certain of the current fees set out in various regulations under the Environment Quality Act, a draft regulation revoking those regulatory provisions will be submitted to the Government.

An explanatory document entitled “L’arrêté ministériel sur la tarification, Document d’accompagnement” and additional information on the Draft Order may be obtained by contacting Chantal Lemay, Direction des études économiques et du soutien, Ministère du Développement durable, de l’Environnement et des Parcs, at the following address: édifice Marie-Guyart, 29^e étage, boîte 97, 675, boulevard René-Lévesque Est, Québec (Québec) G1R 5V7, or by telephone at 418 521-3929, extension 4934, by fax at 418 644-4598 or by e-mail at chantal.lemay@mddep.gouv.qc.ca

Any person wishing to comment on the Draft Order may do so by submitting written comments before the expiry of the 45-day period to André Bernier, Director

of Economic Studies and Support, Ministère du Développement durable, de l’Environnement et des Parcs, édifice Marie-Guyart, 29^e étage, boîte 97, 675, boulevard René-Lévesque Est, Québec (Québec) G1R 5V7.

CLAUDE BÉCHARD,
*Minister of Sustainable Development,
Environment and Parks*

M.O., 2006

Order of the Minister of Sustainable Development, Environment and Parks respecting the fees payable under the Environment Quality Act dated 12 December 2006

Environment Quality Act
(R.S.Q., c. Q-2, s. 31.0.1; 2002, c. 53, s. 3;
2004, c. 24, s. 5)

THE MINISTER OF SUSTAINABLE DEVELOPMENT,
ENVIRONMENT AND PARKS,

CONSIDERING section 31.0.1 of the Environment Quality Act (R.S.Q., c. Q-2), enacted by section 3 of chapter 53 of the Statutes of 2002 and amended by section 5 of chapter 24 of the Statutes of 2004, under which the Minister of Sustainable Development, Environment and Parks may, by an order published in the *Gazette officielle du Québec*, determine the fees payable for the issue, renewal or modification of an authorization, approval, certificate, permit, attestation or permission under the Act or its regulations;

CONSIDERING that same provision, which provides that the Minister of Sustainable Development, Environment and Parks may also fix the terms and conditions of payment of the fees and vary the fees according to the nature, scope or cost of the project, the class of source of contamination, the characteristics of the enterprise or establishment, in particular its size, or the complexity of the technical and environmental aspects of the file;

CONSIDERING that it is expedient to determine the fees payable under the Environment Quality Act and to fix the terms and conditions of payment of the fees;

ORDERS AS FOLLOWS:

CHAPTER I GENERAL

1. In this Order, the word «Act» appearing alone means the Environment Quality Act (R.S.Q., c. Q-2).

CHAPTER II AUTHORIZATIONS

DIVISION I AUTHORIZATIONS OF THE MINISTER

2. The fees for an application for authorization under section 22 of the Act are as follows:

(1) for any project involving

(a) a dam, a bridge with an opening greater than 3.6 metres, or a marina: \$2,500;

(b) development work carried out in a watercourse, the construction, reconstruction, widening or straightening of a road likely to alter a watercourse, lake, pond, marsh, swamp or bog, or dredging operations in a watercourse where the sediment volume is equal to or greater than 50 m³: \$2,500;

(c) an electric power generating station: \$5,000 if the capacity of the generating station is less than 1MW and \$10,000 in any other case;

(d) a golf course: \$5,000;

(e) subject to subparagraph *f*, an industrial establishment, a quarry, sand pit or mine: \$1,500; if the project entails the emission of contaminants into the atmosphere or the discharge of process water into an effluent, the fees are increased to \$2,500 and \$4,000 respectively;

(f) a sand pit or hot mix asphalt plant, if it is shown in the application that the project meets the applicable siting or emission standards: \$500;

(g) a facility that stores or treats biomedical waste or a system that transports such waste: \$1,000;

(h) the establishment or alteration with increase in capacity of a pulp and paper waste or sawmill waste landfill: \$5,000; for any other alteration of such a landfill: \$2,500;

(i) the establishment or alteration with increase in capacity of a snow disposal site: \$1,000; for any other alteration of such a site: \$500;

(j) the establishment or alteration with increase in capacity of a contaminated soil landfill: \$5,000; for any other alteration of such a landfill: \$2,500;

(k) the establishment of a contaminated soil treatment facility: \$5,000 in the case of a thermal processing unit and \$2,500 in the case of a biological or physico-

chemical treatment unit; for any alteration of such a facility: \$2,500 in the case of a thermal processing unit or \$1,250 in the case of a biological or physico-chemical treatment unit;

(l) the establishment or alteration with increase in capacity of a contaminated soil storage site or transfer station: \$5,000; for any other alteration of such a site or station: \$2,500;

(m) the establishment of an engineered landfill, a construction or demolition waste landfill, or a residual materials incineration facility: \$5,000; for an alteration with increase in capacity of such a facility: \$2,500; for any other alteration of such a facility: \$1,000;

(n) the establishment of a residual materials trench landfill: \$2,500; for an alteration with increase in capacity of such a landfill: \$1,250; for any other alteration of such a landfill: \$1,000; or

(o) the establishment of a northern landfill or residual materials transfer station: \$1,000; for any alteration of such a landfill or station: \$500;

(2) for any other project not expressly covered by paragraph 1: \$500, with the exception of a project that relates exclusively to

(a) an agricultural activity;

(b) the alteration without increase in capacity of a solid waste elimination or storage site governed by the Regulation respecting solid waste (R.R.Q. 1981, c. Q-2, r.14);

(c) wildlife development to which the third paragraph of section 2 of the Regulation respecting environmental impact assessment and review (R.R.Q. 1981, c. Q-2, r.9) applies;

(d) work that must be carried out by a regional county municipality to restore normal water flow in a watercourse pursuant to section 105 of the Municipal Powers Act (R.S.Q., c. C-47.1); or

(e) work or activities carried out as a result of a state of emergency declared by a local municipality in accordance with section 42 of the Civil Protection Act (R.S.Q., c. S-2.3).

3. The fee for an application under the second paragraph of section 24 of the Act for authorization to transfer a certificate of authorization issued to the applicant under section 22 of the Act is \$500.

4. The fees for an application for authorization under section 32 of the Act are as follows:

(1) for a project involving

(a) a treatment facility for drinking water supplied by a distribution system that supplies 1,000 persons or more: \$1,000;

(b) a municipal wastewater treatment facility serving 1,000 persons or more: \$2,000; if the project entails the discharge of process water into an effluent, the fee is \$3,500; or

(c) an industrial establishment, a quarry, sand pit or mine: \$1,000; if the project entails the discharge of process water into an effluent, the fee is \$3,500; the additional fee amount of \$2,500 does not apply in the case of a project also covered by subparagraph *e* of paragraph 1 of section 2 under which additional fee amounts are payable;

(2) for any other project not expressly covered by paragraph 1: \$500.

5. The fee for an application for authorization under section 48 of the Act for a project involving an industrial establishment, a quarry, sand pit or mine is \$1,000. If the project entails the emission of contaminants into the atmosphere, the fee is \$2,000; the additional fee amount of \$1,000 does not apply in the case of a project also covered by subparagraph *e* of paragraph 1 of section 2 under which additional fee amounts are payable.

6. The fee for an application for authorization under the first paragraph of section 70.8 of the Act to have possession for more than 12 months of a hazardous material referred to in any of subparagraphs 1 to 4 of the first paragraph of section 70.6 of the Act is \$2,000.

7. The fee for an application for authorization under section 70.17 of the Act to transfer a permit issued to the applicant under section 70.11 of the Act is \$500.

8. The fees for an application for authorization or modification of authorization for a groundwater catchment project under section 31 of the Groundwater Catchment Regulation made by Order in Council 696-2002 dated 12 June 2002 are as follows:

(1) for a groundwater catchment project supplying more than 20 persons and having a capacity of less than 75 m³ per day: \$1,500;

(2) for a groundwater catchment project having a capacity of 75 m³ but not more than 300 m³ per day or that will increase the capacity to 75 m³ or more per day without exceeding 300 m³: \$1,500;

(3) for a groundwater catchment project having a capacity of more than 300 m³ per day: \$4,000;

(4) for a groundwater catchment project if the water is to be distributed or sold as spring water or mineral water or to be used as an ingredient in the fabrication, conservation or treatment and listed as spring water or mineral water on a product within the meaning of the Food Products Act (R.S.Q., c. P-29) or on the package, container or label of such a product: \$3,500.

The renewal of the authorizations referred to in section 38 of the Groundwater Catchment Regulation is subject to payment of fees representing 10% of the fees payable under the first paragraph. However, if there is a change in the conditions of operation, the fees payable are those provided for in the first paragraph.

DIVISION II

AUTHORIZATIONS OF THE GOVERNMENT

9. This Division applies only to projects subject, under the Regulation respecting environmental impact assessment and review, to the environmental impact assessment and review procedure provided for in Division IV.1 of Chapter I of the Act.

10. The fees for an application for authorization under section 31.5 of the Act are set out in the table below.

Steps in the environmental impact assessment and review procedure	Rate classes			
	1	2	3	4
1. Filing of the project notice under section 31.2 of the Act	\$1,000	\$1,000	\$1,000	\$1,000
2. Filing of the impact statement under the first paragraph of section 31.3 of the Act	\$4,000	\$14,000	\$24,000	\$34,000
3. Beginning of the public consultation under the third paragraph of section 31.3 of the Act	\$0	\$35,000	\$60,000	\$85,000
Total	\$5,000	\$50,000	\$85,000	\$120,000

Schedule I sets the rate class applicable for each class or subclass of projects.

11. An application for authorization under section 31.6 of the Act for a project that is exempt in part from the environmental impact assessment and review procedure must include the fee set out in section 10 for each of the remaining applicable steps in that procedure.

Schedule I sets the rate class applicable for each class or subclass of projects.

12. The fees for an application for authorization under section 31.5 or section 31.6 of the Act for a project covered by more than one class or subclass of projects referred to in Schedule I are the fees set out in section 10 for the highest rate class applicable to the project.

13. In the case of a certificate of authorization issued under section 31.6 of the Act, the fees payable under sections 2, 4, 5 and 18 of this Order do not apply to applications for documents subsequently filed with the Minister in accordance with section 22, 32, 48 or 70.9 of the Act so that the physical realization of the authorized project may begin.

CHAPTER III DEPOLLUTION ATTESTATIONS

14. The fee for an application for a depollution attestation under section 31.16 of the Act is \$8,350.

The fee for a reapplication for a new depollution attestation under section 31.28 of the Act is \$4,175.

CHAPTER IV APPROVALS OF THE MINISTER

DIVISION I LAND REHABILITATION PLAN

15. The fees for an application for approval of a land rehabilitation plan under section 31.51, 31.54 or 31.57 of the Act are as follows:

(1) where the work or works required under the land rehabilitation plan involve the elimination of contaminants on sites authorized under section 22 of the Act: \$1,000;

(2) where the work or works required under the land rehabilitation plan involve on-site treatment of contaminants: \$3,000;

(3) where the rehabilitation plan provides that contaminants are to be left in place: \$8,000.

DIVISION II DEPOLLUTION PROGRAMME

16. The fee for an application for approval of a depollution programme under section 116.2 of the Act is \$10,000.

CHAPTER V PERMITS AND PERMISSIONS

17. The fees for an application under section 65 of the Act for permission to use, for construction purposes, land that was formerly used as a site for the elimination of residual materials are as follows:

(1) for a project involving the construction of a residential, commercial, institutional or industrial building: \$2,500;

(2) for any other project not expressly covered by paragraph 1: \$500.

18. The fees for an application for a permit under section 70.9 of the Act are as follows:

(1) for a project involving the operation, for commercial purposes, of a physico-chemical or biological treatment process for residual hazardous materials, the storage of such materials or the transportation of hazardous materials to a disposal site for such materials: \$2,500;

(2) for any other project not expressly covered by paragraph 1: \$5,000.

19. The fees for an application for modification of a permit under section 70.16 of the Act are as follows:

(1) where the purpose of the modification is to increase the nominal capacity of the project by more than 35%: 50% of the fee payable under section 18 for the project;

(2) for any other modification: \$1,000.

CHAPTER VI ADMINISTRATIVE CERTIFICATES

20. The fees for an application under section 24.1 of the Act for an administrative certificate combining certificates of authorization issued under section 22 of the Act are as follows:

(1) to combine 5 or fewer certificates of authorization: \$2,000;

(2) to combine 6 to 10 certificates of authorization: \$3,000;

(3) to combine 11 to 20 certificates of authorization: \$4,000;

(4) to combine 21 or more certificates of authorization: \$5,000.

CHAPTER VII MODIFICATION AND RENEWAL

21. The fee for an application under the Act or its regulations for modification of an authorization, approval, certificate, permit or permission referred to in this Order is \$250, unless a provision of the Order sets a different fee for the application.

The fee set out in the first paragraph does not apply to an application for only one change or modification to the information or documents already provided in support of an application.

The fee also does not apply to an application for modification of a certificate of authorization issued under section 22 of the Act for any project that relates exclusively to

(a) an agricultural activity;

(b) the alteration without increase in capacity of a solid waste elimination or storage site governed by the Regulation respecting solid waste;

(c) wildlife development to which the third paragraph of section 2 of the Regulation respecting environmental impact assessment and review applies;

(d) work that must be carried out by a regional county municipality to restore normal water flow in a water-course pursuant to section 105 of the Municipal Powers Act; or

(e) work or activities arising from a state of emergency declared by a local municipality in accordance with section 42 of the Civil Protection Act.

22. The fee for an application under the Act or its regulations for the renewal of a document referred to in this Order is \$500, unless a provision of the Order sets a different fee for the application.

CHAPTER VIII PAYMENT OF FEES

23. The fees payable under this Order must be paid in full at the time the application is submitted.

However, the fees payable under section 10 may be paid at the beginning of each of the three steps in the environmental impact assessment and review procedure mentioned in that section.

The fees are payable in cash, by cheque or by bank or postal money order made out to the Minister of Finance or by an electronic method of payment.

24. Beginning 1 January 2008, the fees payable under this Order are adjusted on 1 January of each year based on the percentage change in the general Consumer Price Indexes for Canada, as published by Statistics Canada; the change is calculated by determining the difference between the average of the monthly indexes for the 12-month period ending on 30 September of the preceding year and the average of the monthly indexes for the same period of the second preceding year.

The adjusted amounts are reduced to the nearest dollar if they contain a fraction of a dollar less than \$0.50; they are increased to the nearest dollar if they contain a fraction of a dollar equal to or greater than \$0.50.

The Minister publishes the results of the adjustment in the *Gazette officielle du Québec* before 1 January of each year and, if the Minister considers it appropriate, gives notice by any other means.

CHAPTER IX MISCELLANEOUS AND TRANSITIONAL

25. Despite subparagraph *e* of paragraph 1 of section 2, subparagraph *c* of paragraph 1 of section 4 and section 5, the total amount of the fees for an application for one or more documents under section 22, 32 or 48 of the Act for a project involving an industrial establishment having, at the time of the application, 10 or fewer production employees is set at \$1,000.

26. Every application made prior to 3 January 2007 and on which, on that date, no decision had been made by the Minister under the Act or its regulations or, for a project exempt from the environmental impact assessment and review procedure, by the Government under section 31.6 of the Act, is exempted from the application of the provisions of this Order, provided that all the information and documents required for the application file under the Act and its regulations had been sent to the Minister before that date. The fees payable for the applications so exempted from the application of this Order are, where applicable, the fees set in the regulations in force before 3 January 2007.

In the case of an application made prior to 3 January 2007 and on which, on that date, no decision had been made by the Government under section 31.5 or, for a project exempt in part from the environmental impact assessment and review procedure, section 31.6 of the Act, the fees set out in section 10 are payable for every step of the environmental impact assessment and review procedure referred to in that section that begins on or after that date.

27. This Order comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.

Québec, 12 December 2006

CLAUDE BÉCHARD,
*Minister of Sustainable Development,
Environment and Parks*

SCHEDULE I

(ss. 10, 11 and 12)

RATE CLASSES FOR PROJECTS SUBJECT TO THE ENVIRONMENTAL IMPACT ASSESSMENT AND REVIEW PROCEDURE PROVIDED FOR IN DIVISION IV.1 OF CHAPTER I OF THE ACT

Classes of projects for the application of the fee schedule	Subclasses of projects for the application of the fee schedule	Rate classes			
		1	2	3	4
PROJECTS DESCRIBED IN THE FIRST PARAGRAPH OF SECTION 2 OF THE REGULATION RESPECTING ENVIRONMENTAL IMPACT AND ASSESSMENT REVIEW					
Paragraph (a)					
	– construction and subsequent operation of a dam or dyke [...]	✓			
Paragraph (b)					
	– programme or project involving the dredging, digging, filling, levelling off or backfilling [...]	✓			
Paragraph (c)	Subclasses:				
	– rerouting or diverting of a river				
	1. within the same watershed	✓			
	– flow diverted to the river				
	2. towards another watershed				✓
	– flow not diverted to the river				
Paragraph (d)	Subclasses:				
	– construction of a port or wharf				
	1. construction of a port or wharf intended for 100 or more pleasure or fishing craft		✓		
	2. construction of any other port or wharf			✓	
	– extension of a port or wharf or modification in the use of a port or wharf [...]	✓			

Classes of projects for the application of the fee schedule	Subclasses of projects for the application of the fee schedule	Rate classes			
		1	2	3	4
Paragraph (e) – construction, rebuilding or widening, along more than 1 kilometre, of a road or other public road network designed for 4 or more lanes of traffic [...]	Subclasses: 1. more than 1 km but less than 2 km 2. 2 km but less than 5 km 3. 5 km or more	✓		✓	✓
Paragraph (f) – construction, rebuilding or widening, along more than 2 kilometres, of any road or other road network intended for forestry, mining or energy operations [...]			✓		
Paragraph (h) – establishment of a marshalling yard or railway station and construction of more than 2 kilometres of railway [...]					✓
Paragraph (i) – establishment or extension of an airport [...]			✓		
Paragraph (j) First paragraph – construction of installations for natural gas gasification or liquefaction and construction of more than 2 kilometres of oil pipeline in a new right-of-way [...] Second paragraph – construction of a gas pipeline more than 2 kilometres in length					✓ ✓
Paragraph (k) – construction or relocation of an electric power transmission line of 315 kV or more over a distance of more than 2 kilometres – construction or relocation of a control or transformer station of 315 kV or more	Subclasses: 1. more than 2 km but less than 5 km 2. 5 km or more			✓	✓ ✓

Classes of projects for the application of the fee schedule	Subclasses of projects for the application of the fee schedule	Rate classes			
		1	2	3	4
Paragraph (<i>l</i>)	Subclasses:				
First paragraph					
– construction, reconstruction and subsequent operation of a hydroelectric generating station or fossil fuel-fired generating station with a capacity that exceeds 5 MW					✓
– construction, reconstruction and subsequent operation of any other electric power generating station with a capacity that exceeds 10 MW, except a nuclear generating station contemplated by subparagraph <i>m</i>	1. 10 MW but less than 50 MW 2. 50 MW or more			✓	✓
Second paragraph					
– subject to the provisions of the second paragraph of section 2, any increase in the capacity of a hydroelectric generating station [...]				✓	
Third paragraph					
– addition of a turboalternator to a boiler that had not been previously used to produce electric power [...]		✓			
Paragraph (<i>m</i>)					
– construction or extension of a nuclear fission or fusion establishment, of a plant that manufactures, processes or reprocesses nuclear fuel, or of a disposal or storage site for radioactive waste					✓
Paragraph (<i>n</i>)					
– construction of an oil refinery, of a petrochemical plant, of a liquid petroleum gas fractionating plant					✓
– construction of a plant that processes or synthesizes energy-producing gas, or of a plant that processes or synthesizes coal products					✓
Paragraph (<i>n.1</i>)	Subclasses:				
– construction of a mill within the meaning of the Regulation respecting pulp and paper mills [...]	1. de-inking plant 2. other pulp and paper mills			✓	✓

Classes of projects for the application of the fee schedule	Subclasses of projects for the application of the fee schedule	Rate classes			
		1	2	3	4
Paragraph (n.2)					
	– construction of a dismembering plant				✓
Paragraph (n.3)					
	– construction of a mill that produces metals, metal alloys or metalloids [...]				✓
Paragraph (n.4)					
	– construction of a cement plant				✓
	– construction of a slaked lime plant			✓	
Paragraph (n.5)					
	– construction of an explosives plant				✓
Paragraph (n.6)					
	– construction of a chemical plant [...]				✓
Paragraph (n.7)					
	– construction of a heavy water plant				✓
Paragraph (n.8)					
	– construction of an ore processing plant for				
	– metalliferous ore or asbestos ore, where the processing capacity of the plant is 7,000 metric tons or more per day				✓
	– uranium ore				✓
	– any other ore, where the processing capacity of the plant is 500 metric tons or more per day			✓	
Paragraph (n.9)					
	– construction of a metal products processing plant [...]				✓
Paragraph (n.10)					
	– construction of a mill that produces chipboard from wood fibre [...]				✓
Paragraph (n.11)					
	– construction of a plant that manufactures vehicles or aircraft, including parts for such vehicles [...]			✓	
Paragraph (o)					
	– construction or extension of one or several buildings in a livestock operation [...]			✓	

Classes of projects for the application of the fee schedule	Subclasses of projects for the application of the fee schedule	Rate classes			
		1	2	3	4
Paragraph (<i>p</i>)					
– opening and operation of					
– a metals mine or an asbestos mine that has a production capacity of 7,000 metric tons or more per day					
– a uranium mine					
– any other mine that has a production capacity of 500 metric tons or more per day					
Paragraph (<i>q</i>)					
– programme or project for aerial pesticide spraying for non-agricultural purposes over an area of 600 hectares or more [...]					
Paragraph (<i>r</i>)					
– construction of an incineration facility governed by Chapter III of the Regulation respecting the landfilling and incineration of residual materials made by Order in Council 451-2005 dated 11 May 2005, with a capacity of 2 metric tons or more per hour, an increase in the incinerating capacity of such a facility or an alteration to an incineration facility increasing its capacity to 2 metric tons or more per hour					
Paragraph (<i>r.1</i>)					
– construction of an incinerator wholly or partly intended for biomedical waste within the meaning of section 1 of the Regulation respecting biomedical waste made by Order in Council 583-92 dated 15 April 1992 or any alteration aimed at increasing by more than 10% the incinerating capacity of such an incinerator					
Paragraph (<i>s</i>)					
– establishment of one or several reservoirs with a total storage capacity of over 10,000 kilolitres intended to hold a liquid or gaseous substance [...]					

Classes of projects for the application of the fee schedule	Subclasses of projects for the application of the fee schedule	Rate classes			
		1	2	3	4
Paragraph (t)					
	– installation or use of facilities used in whole or in part for the incineration of residual hazardous materials [...]				✓
Paragraph (u)					
	– installation or use of facilities used in whole or in part for energy generation or pyrolysis of residual hazardous materials [...]				✓
Paragraph (u.1)					
	– establishment or extension of an engineered landfill referred to in Division 2 of Chapter II of the Regulation respecting the landfilling and incineration of residual materials made by Order in Council 451-2005 dated 11 May 2005 used in whole or in part for the final deposit of household garbage collected by or for a municipality [...]				✓
	– establishment or extension of a construction or demolition waste landfill referred to in the second paragraph of section 102 of the Regulation respecting the landfilling and incineration of residual materials [...]				✓
Paragraph (v)					
	– establishment or extension of a site used in whole or in part for the final deposit of hazardous materials [...]				✓
Paragraph (w)					
	– installation or use of facilities used in whole or in part for the treatment of residual hazardous materials outside their production location [...]				✓
Paragraph (x)					
	– establishment or extension of a site used in whole or in part for the final deposit of soils [...]				✓
Paragraph (y)					
	– installation or use of facilities used in whole or in part for the heat treatment of soils [...]				✓
