Building materials and non-structural metalwork — Levy — Amendments

Notice is hereby given, under sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), the “Regulation to amend the Levy Regulation of the Comité conjoint des matériaux de construction,” made by the Comité conjoint des matériaux de construction and the text of which appears below, may be submitted to the Government for approval upon the expiry of 45 days following this publication.

The purpose of the Regulation is to increase the levy required of employers and employees from 0.45% to 0.50% of the wages or total payroll. It should be noted that these amendments will affect the parties governed by the Decree respecting the non-structural metalwork industry in the Montréal region and the Decree respecting the building materials industry. The committee also aims to increase the weekly levy currently applicable to artisans from \$1.53 to \$2.06.

During the consultation period, the impact of the Regulation will be clarified. According to the 2005 annual report of the Comité conjoint des matériaux de construction, the two Decrees administered by the joint committee govern 201 employers, 15 artisans and 1,188 employees.
