### **Order of the Minister of Sustainable Development, Environment and Parks dated 29 May 2008**

Natural Heritage Conservation Act  
(R.S.Q., c. C-61.01)

CONCERNING the assignment of temporary protection status as a proposed aquatic reserve to two territories and as a proposed biodiversity reserve to twenty territories

WHEREAS, under the first paragraph of section 27 of the Natural Heritage Conservation Act (R.S.Q., c. C-61.01), for the purpose of protecting land to be established as a new protected area, the Minister of Sustainable Development, Environment and Parks must, with the approval of the Government, prepare the plan of that area, establish a conservation plan and assign temporary protection status to the area as a proposed aquatic reserve, biodiversity reserve, ecological reserve or man-made landscape;

WHEREAS, under section 28 of the Act, the setting aside of land under the first paragraph of section 27 is valid for a period of not more than four years, subject to subsequent renewals or extensions that may not, unless authorized by the Government, be such that the term of the setting aside exceeds six years;

CONSIDERING that, in view of the ecological value of the territories and watercourses, the Minister of Sustainable Development, Environment and Parks has been authorized by the Government to assign temporary protection status as a proposed aquatic reserve or proposed biodiversity reserve, as the case may be, to the twenty-two territories whose name appears in the Schedule, and that the plan of those areas and the proposed conservation plan for each area have been approved, as provided in Order in Council 445-2008 dated 7 May 2008;

THEREFORE, the Minister of Sustainable Development, Environment and Parks orders as follows:

(1) proposed aquatic reserve status is assigned to the two territories whose name appears in Schedule I, the plan of those areas and their conservation plan for the term of the assigned temporary protection being those approved by the Government;

(2) proposed biodiversity reserve status is assigned to the twenty territories whose name appears in Schedule II, the plan of those areas and their conservation plan for the term of the assigned temporary protection being those approved by the Government;

(3) the status is assigned for a term of four years commencing on the date on which the notice of the setting aside of those areas is published in the *Gazette officielle du Québec*.

## M.O., 2008

### **Order number AM 2008-029 of the Minister of Natural Resources and Wildlife dated 29 May 2008**

An Act respecting the conservation and development of wildlife  
(R.S.Q., c. C-61.1)

CONCERNING the delimitation of areas on lands in the domain of the State in view of increased utilization of wildlife resources of the lake Croche, located on the territory of the Municipality of Trois-Rives, in the MRC de Mékinac.

THE MINISTER OF NATURAL RESOURCES AND WILDLIFE,

CONSIDERING that under section 85 of the Act respecting the conservation and development of wildlife (R.S.Q., c. C-61.1), the Minister may delimit areas on lands in the domain of the State in view of increased utilization of wildlife resources and secondarily, the practice of recreational activities;

CONSIDERING that it is expedient to delimit the areas on lands in the domain of the State specified in appendix attached to this Order in view of increased utilization of wildlife resources and secondarily, the practice of recreational activities;

ORDER THAT:

The areas on lands in the domain of the State specified in appendix attached to this Order are delimited in view of increased utilization of wildlife resources and secondarily, the practice of recreational activities;

This Order comes into force on the day of its publication in the *Gazette officielle du Québec*.
