Occupational therapists — Diplomas giving access to permits — Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting the diplomas issued by designated educational institutions which give access to permits or specialist's certificates of professional orders, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The purpose of the draft Regulation is to amend section 1.07 of the Regulation respecting the diplomas issued by designated educational institutions which give access to permits or specialist's certificates of professional orders that lists the diplomas giving access to the permit of the Ordre des ergothérapeutes du Québec.

The Order is of the opinion that the framework within which university training in occupational therapy is currently given does not allow integration of learning related to the new skills necessary to practise occupational therapy. The Order is therefore retaining the proposals from the university educational institutions to replace the current bachelor's programs by bachelor's-master's training continuums. The Order, as a result, now considers that the practice of occupational therapy requires training at the master's level.

In order to grant the Order's request, the draft Regulation proposes to replace the bachelor's degree in occupational therapy from the Université de Montréal and the bachelor's degree in occupational therapy from McGill University by a new master's degree specific to each

* The Regulation respecting the diplomas issued by designated educational institutions which give access to permits or specialist's certificates of professional orders, made by Order in Council 1139-83 dated 1 June 1983 (1983, *G.O.* 2, 2369), was last amended by the regulations made by Orders in Council 670-2007 dated 14 August 2007 (2007, *G.O.* 2, 2452), 438-2008 dated 7 May 2008 (2008, *G.O.* 2, 1382) and 496-2008 dated 21 May 2008 (2008, *G.O.* 2, 2045).
