Notice 2009-02 of the Minister of Transport dated 24 July 2009

Highway Safety Code
(R.S.Q., c. C-24.2)

Municipalité de Newport — Disallowance

By-law 2009-023 setting a speed limit on chemin
Redden

CONSIDERING that, under the third paragraph of section 626 of the Highway Safety Code (R.S.Q., c. C-24.2), the Minister may disallow a by-law made by a municipality under subparagraph 4 of the first paragraph of that section, within 90 days of the date on which it is passed.

Notice is hereby given that, in accordance with the powers conferred on the Minister under the third paragraph of section 626 of the Highway Safety Code, the Minister of Transport has disallowed By-law 2009-023 of the Municipalité de Newport setting a speed limit on chemin Redden, passed on 6 May 2009.

Chemin Redden is located in a rural environment with a mostly wooded landscape. The speed limit of 70 km/h that was formerly established for that gravel road is the limit acceptable on that type of road. The establishment of a speed limit of 30 km/h in the central portion of chemin Redden, over a 2-km segment, will have a negative impact on the safety of users.

The decision of the Minister of Transport was communicated to the authorities of Municipalité de Newport on 24 July 2009.

JULIE BOULET,
Minister of Transport
