Notice of adoption

An Act respecting transportation services by taxi (R.S.Q., c. S-6.01)

Taxi owners

— Maximum number of taxi owner's permits per taxi servicing area and certain conditions of operation

CONCERNING the Regulation respecting the maximum number of taxi owner's permits per taxi servicing area and certain conditions of operation.

Notice is given, pursuant to section 19 of the Act to amend the Act respecting transportation services by taxi (2009, c. 17), that the Commission des transports du Québec has adopted the Regulation respecting the maximum number of taxi owner's permits per taxi servicing area and certain conditions of operation to replace Order in Council 736-2002 of 12 June 2002 (2002, *G.O.* 2, 4168) respecting the maximum number of taxi owner's permits per taxi servicing area and certain conditions of operation.

The regulation maintains the maximum number of taxi owner's permits that can be issued in the servicing areas listed in the schedule attached to Order in Council 736-2002, except for the maximums set for servicing

areas A.50 La Tuque and Magog, which are amended pursuant to section 10.1 of the Act respecting transportation services by taxi (R.S.Q., c. S-6.01).

The maximum for the A.50 La Tuque servicing area is lowered to 8, and the maximum for the Magog servicing area to 16. According to the Commission's assessment, these numbers take into account a balance between the demand for taxi services and the profitability of companies holding taxi permits and are further to consultations held in each of these servicing areas, among others with the concerned permit holders.

Pursuant to sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), a draft regulation was published in Part 2 of the *Gazette officielle du Québec* of 14 July 2010 with a notice that it could be adopted upon expiry of a 45-day period following its publication. Following its publication, the Commission received comments.

Pursuant to section 17 of the Regulations Act (R.S.Q., c. R-18.1), the Regulation respecting the maximum number of taxi owner's permits per taxi servicing area and certain conditions of operation, attached hereto, comes into force 15 days after the date of its publication in the *Gazette officielle du Québec*.

CHRISTIAN DANEAU,
*Secretary of the Commission
des transports du Québec*

Regulation respecting the maximum number of taxi owner's permits per taxi servicing area and certain conditions of operation

An Act respecting transportation services by taxi (R.S.Q., c. S-6.01)

1. The Commission des transports du Québec may not issue, for each area established and delimited under subparagraph 4 of the first paragraph of section 79 of the Act respecting transportation services by taxi (2001, c. 15), more taxi owner's permits than the maximum for each area indicated in the schedule attached to this Regulation.

2. The Commission des transports du Québec establishes as a condition applicable to seven taxi owner's permits among the maximum of 91 taxi owner's permits for the A.34 Hull servicing area that operations be restricted to limousine services only for four of them and to luxury limousine services only for the remaining three.
