(R.S.Q., c. C-61.1)

Scale of fees and duties related to the development of wildlife

— Amendments

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the draft Regulation to amend the Regulation respecting the scale of fees and duties related to the development of wildlife, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation revokes sections that will be reintroduced into the Regulation respecting trapping activities and the fur trade (R.R.Q., c. C-61.1, r. 3). Those amendments are necessary given the amendments made to the Act respecting the conservation and development of wildlife (R.S.Q., c. Study of the matter has shown no negative impact on enterprises, including small and medium-sized businesses.

An Act respecting immigration to Québec
(R.S.Q., c. I-0.2)

Selection of foreign nationals

— Amendments

Notice is hereby given that the Regulation to amend the Regulation respecting the selection of foreign nationals, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation better protects temporary workers and makes employers who hire them accountable. It also lightens for enterprises the steps for the recruitment of temporary foreign workers.

The draft Regulation makes amendments to harmonize Québec regulations with the amendments made in the federal regulations, which come into force on 1 April 2011. These amendments enrich the requirements relating to the employment offer made to the temporary worker, which will have to come from an employer able to comply with the conditions of the offer and having not committed any violation of the legislation respecting labour relations.
