CHAPTER 5 OBLIGATIONS OF THE COMMISSION

Worker status

5.1 The Commission considers a participant or member of the administrative personnel who is registered in any of the programs subject to this Agreement to be a worker within the meaning of the Act.

Indemnity

5.2 A participant or a member of the administrative personnel who suffers an employment injury is entitled to an income replacement indemnity from the first day following the beginning of the participant's or member's inability to carry on the remunerated employment held at the time the employment injury appears.

If the participant or member of the administrative personnel has no remunerated employment at the time the employment injury appears, the participant or member is entitled, from the first day following the beginning of the inability, to the income replacement indemnity if the participant or member becomes unable, by reason of that injury, to carry on the participant's or member's usual employment or, if the participant or member does not carry on such employment usually, the employment that could have been the participant's or member's usual employment, considering the participant's or member's training, work experience and physical and intellectual capacity before the injury appeared.

Payment

Recurrence, relapse or aggravation

In the event of a recurrence, relapse or aggravation, where the participant or member of the administrative personnel has a remunerated employment, the gross annual income is, for the purpose of calculating the income replacement indemnity, established in accordance with

section 70 of the Act. However, if the participant or member is unemployed at the time of the recurrence, relapse or aggravation, the gross annual employment income is that which the participant or member derived from the employment because of or in the course of which the participant or member suffered the employment injury; that gross income is revalorized on 1 January of each year from the date on which the participant or member ceased to hold the employment.

Exception

However, entitlement to an income replacement indemnity and the calculation thereof for a participant or a member of the administrative personnel who is considered to be a worker under this Agreement and who is a full-time student are determined according to sections 79 and 80 of the Act.

Financial records

5.5 The Commission must open a financial record in respect of each program and charge the fixed administrative costs to HRSDC (SC).

Penalties

5.6 The Commission will not impose any penalty on HRSDC (SC) for a delay in filing the statement of the final amount of the contributions paid for the participants or members of the administrative personnel.
