

Draft Regulation

Education Act
(R.S.Q., c. I-13.3)

Basic school regulation for preschool, elementary and secondary education — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the draft Regulation to amend the Basic school regulation for preschool, elementary and secondary education, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation removes the compulsory subject “Integrative project” from the lists of subjects of Secondary V students in the general education path and applied general education path and, consequently, increases the number of credits for elective subjects of the 2 credits relating to that compulsory subject.

The draft Regulation has no negative impact on the public and small and medium-sized businesses.

Further information may be obtained by contacting Claude Moisan, Secteur de l'éducation préscolaire et de l'enseignement primaire et secondaire, Ministère de l'Éducation, du Loisir et du Sport, 1035, rue De La Chevrotière, 15^e étage, Québec (Québec) G1R 5A5; telephone: 418 643-3810.

Any person wishing to comment on the draft Regulation is requested to submit written comments within the 45-day period to Line Beauchamp, Minister of Education, Recreation and Sports, 1035, rue De La Chevrotière, 16^e étage, Québec (Québec) G1R 5A5.

Draft Regulation

Food Products Act
(R.S.Q., c. P-29)

Food — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting food, appearing below, may be made by the Gouvernement du Québec on the expiry of 45 days following this publication.

In order to eliminate certain restrictions on workforce mobility in Canada, the draft Regulation introduces training equivalence as regards food hygiene and safety, as well as test and calibration of equipment used in dairy plants. The draft Regulation also provides specific training standards as regards food hygiene and safety for home childcare providers. Lastly, the draft Regulation amends the provisions relating to inedible meat, in particular standards regarding composting and register keeping.

Study of the matter has shown little economic impact on enterprises, including small and medium-sized businesses.
