### M.O., 2011

#### Order number 2011-11 of the Minister of Transport dated 30 June 2011

An Act respecting off-highway vehicles (R.S.Q., c. V-1.2)

Regulation respecting off-highway vehicle trail signs

*Gazette officielle du Québec*, Part 2, June 30, 2011, Volume 143, No. 26A.

On page 1370A, subparagraph 8 of section 3 should read as follows:

(8) A trail bike silhouette represents motorized all-terrain vehicles equipped with handlebars and two wheels, covered by the Act.

On page 1372A, section 23 should read as follows:

**23.** The P-120-7, P-120-8, P-120-29 to P-120-32 and P-120-35 signs announcing a compulsory route for a class of off-highway vehicles indicate the obligation for the driver of a vehicle of the class pictured on those signs to take the route shown.

P-120-32

The other P-120 signs that include two silhouettes divided by a black line and announcing separate compulsory routes for two classes of off-highway vehicles or for a class of off-highway vehicles and pedestrians or another class of users of non-motorized means of transportation indicate the obligation for the driver of a vehicle or the person pictured on those signs to take the prescribed route.

The P-120 signs may be accompanied by the P-110-P-1 tab signs that specify the terms of application of the obligation.

By replacing the P-120-29 and P-120-30 signs, the P-120-7 and P-120-8 signs are accompanied by the P-120-P-2 tab sign.

P-120-P-2

By replacing the P-120-31 and P-120-32 signs, the P-120-7 and P-120-8 signs are accompanied by the P-120-P-3 tab sign.

P-120-P-3

On page 1372A, section 24 should read as follows:

**24.** The P-130 signs announcing a prohibition to take a trail for certain classes of persons or vehicles indicate the prohibition to the persons and drivers of vehicles pictured on the signs to take the trail.

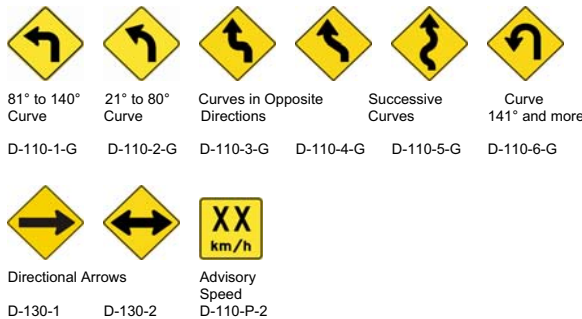

These signs may be accompanied by the P-110-P-1 and P-110-P-2 tab signs that specify the terms of application of the obligation.

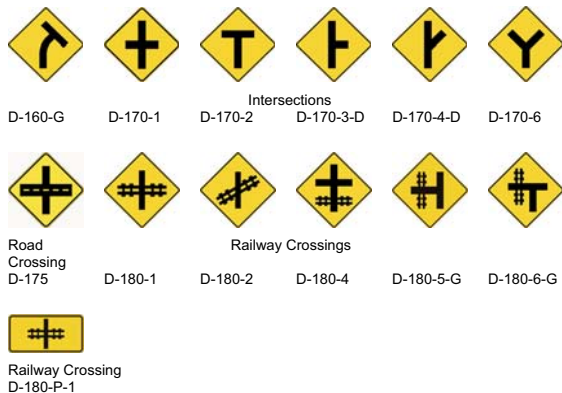

On page 1374A, section 34 should read as follows:

**34.** The main signs and tab signs announcing manoeuvres to be made are the following:

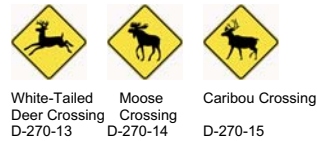

On page 1374A, section 35 should read as follows:

**35.** The main signs and tab signs announcing a dangerous intersection, road or railway crossing are the following:

On page 1374A, section 37 should read as follows:

**37.** The main signs announcing the presence of zones where wild animals may cross a trail are the following:

On page 1376A, section 45 should read as follows:

**45.** Information signs appearing on a blue background indicate tourist welcoming places, service establishments and private tourist facilities.

The silhouette with a question mark indicates the presence of a tourist welcoming and information place.

Information signs concerning commercial services and private tourist facilities have a pictograph of the service or facility, its name and the direction to take to reach it. They may also include the distance, in kilometres, to be travelled to reach it.

The main service establishments indicated are food services, mechanical repair and gas stations.
