— Adjustment of the insurance contribution for driver’s licence holders who have demerit points;

— As of 2012, introduction of a new insurance contribution upon the acquisition of a new or used motorcycle;

— As of 2012, taking into account demerit points when setting the insurance contribution for drivers’ licences for driving a motorcycle;

— As of 2012, amendment of insurance contributions and criteria defining the restricted-area use motorcycle (zones of 70 km/h or less);

— As of 2012, reduction of the insurance contribution when registering a motorcycle;

— As of 2013, adjustment of insurance contributions in respect of mopeds and motorized scooters;

— In 2012, creation of two classes of public buses weighing more than 10,000 kg with distinct rate schedules: buses owned by public transit authorities and other buses;

— In 2013 and 2014, introduction of a new classification in respect of buses: public buses owned by public transit authorities, school buses, other buses weighing 10,000 kg or less, and other buses weighing more than 10,000 kg; distinct rate schedules for these classes but with transition measures limiting increases in 2013;

— As of 2013, reduction of insurance contributions for registration of other vehicles, except for restricted-area use vehicles.

(2) trailers.

DIVISION IV

INSURANCE CONTRIBUTION PAYABLE UPON REGISTRATION OF A ROAD VEHICLE AND FOR THE RIGHT TO OPERATE THE VEHICLE

4. The insurance contribution payable upon registration of a road vehicle and for the right to operate the vehicle or put it back into operation is calculated by applying the rules used to calculate the fees payable upon registration of a road vehicle and for the right to operate the vehicle or put it back into operation established in the Regulation respecting road vehicle registration (c. C-24.2, r. 29), by respectively replacing the annual and monthly duties covered by those rules by the annual insurance contribution established in section 2 and the monthly insurance contribution established in section 6.

5. Despite section 4, the insurance contribution payable upon registration of a motorcycle and for the right to operate that road vehicle or put it back into operation is the amount obtained by adding together the following insurance contributions:

(1) the insurance contribution calculated under section 4;

(2) the insurance contribution determined as follows:

(a) for a motorcycle with a cylinder displacement of more than 400 cm³ whose make, model and the first 10 characters of the vehicle identification number, except the ninth, are provided for in Schedule I, and for a motorcycle whose first 7 characters of the vehicle identification number are “2SAAQQ4”, \$225.00;

The lessee of a motorcycle leased for a period of at least one year who purchases the motorcycle at the end of the lease contract is exempt, at the time of purchase, from payment of the insurance contribution provided for in subparagraph 2 of the first paragraph.

6. The monthly insurance contribution is the quotient obtained by dividing by 12 the annual insurance contribution payable to retain the right to operate the vehicle during the current year.

7. Despite section 4, the insurance contribution payable upon registration of a trailer and for the right to operate it is \$11.92.

DIVISION V

INSURANCE CONTRIBUTION PAYABLE UPON TEMPORARY REGISTRATION OF A ROAD VEHICLE AND FOR THE RIGHT TO TEMPORARILY OPERATE THE VEHICLE

DIVISION VI

follow the rules established in the Regulation respecting road vehicle registration (c. C-24.2, r. 29) concerning the cases and conditions that allow for claiming the fees payable to retain the right to operate a road vehicle beyond the due date, by respectively replacing the annual and monthly duties covered by those rules by the annual insurance contribution established in section 2 and the monthly insurance contribution established in section 6.

DIVISION VII

REIMBURSEMENT OF INSURANCE CONTRIBUTIONS

11. The reimbursement of an insurance contribution paid upon registration of a road vehicle, for the right to operate a road vehicle or put it back into operation or to retain that right is based on the rules of reimbursement established in the Regulation respecting road vehicle registration (c. C-24.2, r. 29), by respectively replacing the annual and monthly duties covered by those rules by the annual insurance contribution established in section 2 and the monthly insurance contribution established in section 6.

Despite the foregoing, the insurance contribution referred to in subparagraph 2 of the first paragraph of section 5 is not reimbursed.

CHAPTER II

INSURANCE CONTRIBUTION PAYABLE BY A HOLDER OF OR AN APPLICANT FOR A DRIVER'S LICENCE

DIVISION I

HOLDER OF OR APPLICANT FOR A DRIVER'S LICENCE

12. The annual insurance contribution payable under the first paragraph of section 93.1 of the Highway Safety Code (R.S.Q., c. C-24.2) by the holder of a driver's licence, except for a driver's licence bearing only class 6D or 8, is determined as follows:

(1) if the driver's licence bears one or more of classes 1 to 5 or one or more of the classes authorizing the driving of a motorcycle, based on the total number of demerit points entered on the holder's record during the 2 years preceding the 3-month period ending on the payment due date, as shown in the following table:

Payment due year of the insurance contribution and classes of the holder's licence	Annual insurance contribution based on the total number of demerit points						
	0 points	1 to 3 points	4 to 6 points	7 to 9 points	10 to 14 points	15 or more points	
2012	One or more of classes 1 to 5	\$61.13	\$91.92	\$133.92	\$172.61	\$232.28	\$349.18
	One or more motorcycle classes	\$61.13	\$91.92	\$133.92	\$172.61	\$232.28	\$349.18
2013	One or more of classes 1 to 5	\$62.38	\$98.31	\$131.16	\$174.83	\$200.12	\$411.75
	One or more motorcycle classes	\$62.38	\$98.31	\$131.16	\$174.83	\$200.12	\$411.75

(2) if the licence bears one or more of classes 1 to 5 and one or more of the classes authorizing the driving of a motorcycle, the insurance contribution is the sum of the following amounts:

(a) the insurance contribution set in paragraph 1 for the payment due year, classes 1 to 5 and the total number of demerit points entered on the holder's record during the 2 years preceding the 3-month period ending on the payment due date;

(b) the insurance contribution set in paragraph 1 for the payment due year, the motorcycle classes and the total number of demerit points, up to a maximum of 3 points, entered on the holder's record during the 2 years preceding the 3-month period ending on the payment due date.

13. For the issue of a driver's licence bearing one or more of classes 1 to 5 and not bearing motorcycle classes, the insurance contribution payable is the product obtained by multiplying the monthly insurance contribution set under the second paragraph by the number of months, including parts of months, less 1, during which the holder is authorized to drive.

The monthly insurance contribution is the quotient obtained by dividing by 12 the annual insurance contribution provided for in paragraph 1 of section 12, based on the year of licence issue, the licence classes and the total number of demerit points entered on the applicant's record over a period of 2 years determined as follows:

(1) to find the date of the end of the period, 15 months and one day are subtracted from the expiry date of the period during which the holder is authorized to drive;

(2) to find the date of the beginning of the period, 24 months are subtracted from the date of the end of the period obtained pursuant to subparagraph 1.

14. For the issue of a driver's licence bearing one or more of the classes authorizing the driving of a motorcycle and not bearing any of classes 1 to 5, the insurance contribution payable is the sum of the insurance contributions for the months, including parts of months, during which the holder is authorized to drive, except for the last month.

The insurance contribution for a month corresponds to the percentage, as determined below, of an amount equivalent to the annual insurance contribution provided for in paragraph 1 of section 12, based on the year of licence issue, the licence classes and the total number of demerit points entered on the applicant's record over a period of 2 years determined under the second paragraph of section 13:

- (1) January: 0.66%;
- (2) February: 0.67%;
- (3) March: 0.67%;
- (4) April: 8.00%;
- (5) May: 16.00%;
- (6) June: 16.00%;
- (7) July: 16.00%;
- (8) August: 16.00%;

- (9) September: 16.00%;
- (10) October: 8.00%;
- (11) November: 1.00%;
- (12) December: 1.00%.

15. For the issue of a driver's licence bearing one or more of classes 1 to 5 and one or more of the classes authorizing the driving of a motorcycle, the insurance contribution payable is the sum of the following amounts:

(1) the insurance contribution calculated under section 13;

(2) the insurance contribution obtained by adding together the insurance contributions for the months, including parts of months, during which the holder is authorized to drive, except for the last month. The insurance contribution for a month corresponds to the percentage, as determined in the second paragraph of section 14, of an amount equivalent to the annual insurance contribution provided for in paragraph 1 of section 12 for motorcycle classes, based on the year of licence issue and the total number of demerit points, up to 3 points, entered on the applicant's record over a period of 2 years determined under the second paragraph of section 13.

16. The insurance contribution for the issue of a driver's licence bearing class 8 only and the insurance contribution payable under the first paragraph of section 93.1 of the Highway Safety Code (R.S.Q., c. C-24.2) from the holder of such licence is \$10.09.

17. Where a person's probationary licence has expired and the person has not paid the insurance contribution referred to in sections 13 to 15 for the issue of a first driver's licence, or informed the Société de l'assurance automobile du Québec of the person's intention not to obtain the licence before the expiry of the probationary licence, must, to obtain a first driver's licence during the period in which payment of the insurance contribution is required, pay the insurance contribution.

A person referred to in the first paragraph whose right to a licence was suspended for part of the period for which payment of the insurance contribution payable was required, must pay, when the suspension is lifted if

it is lifted during that period, the insurance contribution for the part of the period not covered by the suspension to obtain a first driver's licence until the end of that period.

18. The holder of a driver's licence who has not paid the annual insurance contribution provided for in section 12 by the payment due date, and has not requested that the licence be cancelled or informed the Société of the holder's intention not to renew the licence on that date, must pay the insurance contribution to obtain authorization to again drive a road vehicle until the end of the 12-month period for which payment of the insurance contribution must be made.

If the annual insurance contribution has not been paid by the due dates with respect to two 12-month periods and longer, only the insurance contribution for the 12-month period during which authorization to drive is applied for is payable.

19. The holder of a driver's licence who has not paid the annual insurance contribution provided for in section 12 by the payment due date, and has not requested that the licence be cancelled or informed the Société of the holder's intention not to renew the licence on that date, but whose licence was cancelled or revoked during the 12 months for which the annual insurance contribution was to be paid, must pay the annual insurance contribution when the licence is cancelled or when a new licence is issued during that period, for the part of that period preceding the licence cancellation or revocation.

If the annual insurance contribution has not been paid by the due dates, with respect to two 12-month periods and longer, only the 12-month period during which the licence was cancelled or revoked is considered and only the insurance contribution for the part of that period preceding the cancellation or revocation is payable.

20. The holder of a driver's licence who has not paid the annual insurance contribution provided for in section 12 by the payment due date, and has not requested that the licence be cancelled or informed the Société of the holder's intention not to renew the licence on that date, but whose licence was suspended for part of the 12-month period for which payment of the annual insurance contribution was to be made, must pay, when the suspension is lifted if it is lifted during that period, the insurance contribution for the part of that period not covered by the suspension to obtain authorization to again drive a road vehicle until the end of that period.

If the annual insurance contribution has not been paid by the due dates, with respect to two 12-month periods and longer, only the 12-month period during which the licence suspension was lifted is considered and only the insurance contribution for the part of that period not covered by the suspension is payable.

21. The holder of a driver's licence that is suspended during a payment period for the sums payable under section 93.1 of the Highway Safety Code (R.S.Q., c. C-24.2) is exempt from payment of the annual insurance contribution provided for in section 12 for the length of the suspension. If the suspension is lifted during part of the 12-month period for which payment of the insurance contribution was to be made, the holder must pay, on lifting of the suspension, the insurance contribution for the part of that period not covered by the suspension to obtain authorization to again drive a road vehicle until the end of that period.

22. The holder of a driver's licence that was suspended for part of the 12-month period for which payment of the annual insurance contribution provided for in section 12 was to be made who has obtained reimbursement of the insurance contribution must pay, when the suspension is lifted if it is lifted during that period, the insurance contribution for the part of that period following the end of the suspension to obtain authorization to again drive a road vehicle until the end of that period.

23. The insurance contribution payable under the second paragraph of section 17 and sections 19 to 22 for a driver's licence bearing one or more of classes 1 to 5 and not bearing motorcycle classes is the product obtained by multiplying the monthly insurance contribution provided for in the second and third paragraphs by the number of months, including parts of months, less 1, comprised in the period for which an insurance contribution is payable under those sections.

With respect to the insurance contribution payable under sections 19 to 22, the monthly insurance contribution is the quotient obtained by dividing by 12 the annual insurance contribution referred to in those sections.

With respect to the insurance contribution payable under the second paragraph of section 17, the monthly insurance contribution is the quotient obtained by dividing by 12 the annual insurance contribution for the year of licence issue provided for in section 12, based on the licence classes and the total number of demerit points determined under the second paragraph of section 13.

24. The insurance contribution payable under the second paragraph of section 17 and sections 19 to 22 for a driver's licence bearing one or more of the classes authorizing the driving of a motorcycle and not bearing classes 1 to 5 is the sum of the insurance contributions, provided for in the second and third paragraphs, for the months, including parts of months, comprised in the period for which an insurance contribution is payable under those sections, except for the last month.

With respect to the insurance contribution payable under sections 19 to 22, the insurance contribution for a month corresponds to the percentage, determined under the second paragraph of section 14, of an amount equivalent to the annual insurance contribution referred to in those sections.

With respect to the insurance contribution payable under the second paragraph of section 17, the insurance contribution for a month corresponds to the percentage, calculated under the second paragraph of section 14, of an amount equivalent to the annual insurance contribution for the year of licence issue provided for in section 12, based on the licence classes and the total number of demerit points entered on the applicant's record over a period of 2 years determined under the second paragraph of section 13.

25. The insurance contribution payable under the second paragraph of section 17 and sections 19 to 22 for a driver's licence bearing one or more of classes 1 to 5 and one or more of the classes authorizing the driving of a motorcycle is the sum of the insurance contribution calculated under section 23 and of the insurance contribution calculated under section 24. Despite the foregoing, for the purposes of this section, the total number of demerit points to take into account for the calculation provided for in section 24 may not be greater than 3 points.

26. A person whose driver's licence was revoked or whose right to obtain a driver's licence was suspended under section 180 of the Highway Safety Code (R.S.Q., c. C-24.2) and who obtains a driver's licence subsequently to the revocation or suspension must pay the sum of the following insurance contributions:

(1) the insurance contribution calculated under sections 13 to 15;

(2) the insurance contribution set in the following table, based on the total number of times the person's licence was revoked or the person's right to obtain a licence was suspended under section 180 of the Highway Safety Code during the 5 years preceding the date of issue of the new licence:

Total number of revocations and suspensions during the 5 previous years	Insurance contribution
1	\$275.22
2	\$321.10
3 or more	\$366.97

27. In the case of a person whose previous driver's licence was revoked and who did not seek reimbursement of the part of the insurance contribution to which the person was entitled, an amount is subtracted from the insurance contribution payable for the issue of a new driver's licence according to the terms provided for in the second paragraph.

The amount of insurance contribution paid for the revoked licence for the months, excluding parts of months, between the date of revocation of the licence and the expiry date of the period for which the insurance contribution was paid is subtracted from the amount of the insurance contribution payable.

This section does not apply where a period of more than 3 years has elapsed between the revocation of a previous driver's licence and the issue of a new driver's licence.

DIVISION II APPLICANT FOR A LEARNER'S LICENCE

28. The insurance contribution payable to obtain a learner's licence of a given class for the first time is determined in accordance with the following table:

Year of licence issue and classes of applicant's licence	Insurance contribution to obtain a learner's licence for the first time
2012 One or more of classes 1 to 3 and 5	\$31.24
Class 6A or 6R	\$31.24

Class 6A or 6R	\$33.92
One or more of classes 1 to 3 and 5 and class 6A or 6R	\$67.84

The insurance contribution payable to subsequently obtain a learner's licence is determined in accordance with the following table:

Year of subsequent licence issue and classes of applicant's licence	Insurance contribution for the issue of a subsequent learner's licence
2012 One or more of classes 1 to 3 and 5	\$20.83
Class 6A or 6R	\$20.83
One or more of classes 1 to 3 and 5 and class 6A or 6R	\$41.65
2013 One or more of classes 1 to 3 and 5	\$22.61
Class 6A or 6R	\$22.61
One or more of classes 1 to 3 and 5 and class 6A or 6R	\$45.22

DIVISION III APPLICANT FOR A PROBATIONARY LICENCE

29. The insurance contribution for the issue of a probationary licence is the sum of the following insurance contributions:

(1) the insurance contribution determined as follows:

(a) if the licence bears one or more of classes 1 to 5 or one or more of the classes authorizing the driving of a motorcycle, based on the total number of demerit points entered on the person's record during the 2 years preceding the date of issue of the licence, as shown in the following table:

Year of licence issue and classes of applicant's licence	Insurance contribution based on the total number of demerit points					
	0 points	1 to 3 points	4 to 6 points	7 to 9 points	10 to 14 points	15 or more points
2012 One or more of classes 4A, 4B, 4C and 5	\$122.25	\$183.84	\$267.83	\$345.23	\$464.55	\$698.35
One or more motorcycle classes	\$122.25	\$183.84	\$267.83	\$345.23	\$464.55	\$698.35
2013 One or more of classes 4A, 4B, 4C and 5	\$124.76	\$196.62	\$262.32	\$349.66	\$400.24	\$823.50
One or more motorcycle classes	\$124.76	\$196.62	\$262.32	\$349.66	\$400.24	\$823.50

(b) if the licence bears one or more of classes 4A, 4B, 4C and 5 and one or more motorcycle classes, the insurance contribution is the sum of the following amounts:

i. the insurance contribution set in subparagraph *a* based on the expiry year, classes 4 to 5 and the total number of demerit points entered on the person's record during the 2 years preceding the date of issue of the licence;

ii. the insurance contribution set in subparagraph *a* based on the expiry year, the motorcycle classes and the total number of demerit points entered on the person's record during the 2 years preceding the date of issue of the licence, up to a maximum of 3 points.

(2) the insurance contribution set in paragraph 2 of section 26 corresponding to the total number of times the person's licence was revoked or the person's right to obtain a licence was suspended under section 180 of the Highway Safety Code (R.S.Q., c. C-24.2) during the 5 years preceding the date of issue of the probationary licence.

30. The insurance contribution for the issue of a probationary licence to a person referred to in section 92.0.1 of the Highway Safety Code (R.S.Q., c. C-24.2) is the sum of the following insurance contributions:

(1) the insurance contribution determined as follows:

(a) where the probationary licence bears one or more of classes 4A, 4B, 4C and 5 and does not bear motorcycle classes, the product obtained by multiplying the monthly insurance contribution by the number of months, including parts of months, less 1, during which the holder is authorized to drive; the monthly insurance

contribution is the quotient obtained by dividing by 24 the insurance contribution calculated under subparagraph *a* of paragraph 1 of section 29;

(b) where the probationary licence bears one or more of the licence classes authorizing the driving of a motorcycle and does not bear classes 1 to 5, the sum of the insurance contributions for the months, including parts of months, during which the holder is authorized to drive, except for the last month; the insurance contribution for a month corresponds to the percentage, determined under section 14, of an amount equivalent to half of the insurance contribution calculated under subparagraph *a* of paragraph 1 of section 29;

(c) where the probationary licence bears one or more of classes 4A, 4B, 4C and 5 and one or more of the licence classes authorizing the driving of a motorcycle, the sum of the following amounts:

i. the insurance contribution calculated under subparagraph *a*;

ii. the insurance contribution calculated under subparagraph *b*, except that the total number of demerit points to take into account for the calculation may not be greater than 3 points;

(2) the insurance contribution calculated under paragraph 2 of section 29.

31. A person whose probationary licence was revoked or whose right to obtain a probationary licence was suspended under section 180 of the Highway Safety Code (R.S.Q., c. C-24.2) and who subsequently to the revocation or suspension obtains a probationary licence must pay the sum of the following insurance contributions:

(1) the insurance contribution determined as follows:

(a) where the probationary licence bears one or more of classes 4A, 4B, 4C and 5 and does not bear motorcycle classes, the insurance contribution is the product obtained by multiplying the monthly insurance contribution by the number of months, including parts of months, less 1, during which the holder is authorized to drive; the monthly insurance contribution is the quotient obtained by dividing by 24 the insurance contribution provided for in subparagraph *a* of paragraph 1 of section 29, based on the year of issue of the holder's first probationary licence, the licence classes and the total number of demerit points entered on the holder's record during the 2 years preceding the date of issue of the holder's first probationary licence;

(b) where the probationary licence bears one or more of the licence classes authorizing the driving of a motorcycle and does not bear classes 1 to 5, the insurance contribution is the sum of the insurance contributions for the months, including parts of months, during which the holder is authorized to drive, except for the last month; the insurance contribution for a month corresponds to the percentage, determined in section 14, of an amount equivalent to half of the insurance contribution calculated under subparagraph *a* of paragraph 1 of section 29;

(c) where the probationary licence bears one or more of classes 4A, 4B, 4C and 5 and one or more of the licence classes authorizing the driving of a motorcycle, the insurance contribution is the sum of the following amounts:

- i. the insurance contribution calculated under subparagraph *a*;
- ii. the insurance contribution calculated under subparagraph *b*, except that the total number of demerit points to take into account for the calculation may not be greater than 3 points;

(2) the insurance contribution calculated under paragraph 2 of section 29.

For the purposes of the first paragraph, where more than 5 years have elapsed between the beginning of the 2 years that must be used to calculate the demerit points and the issue of the new probationary licence, a new period of 2 years must be determined for calculating points as follows:

(1) for determining the date of the end of the new period of 2 years, 24 months are added to the date marking the end of the period of 2 years that was to be used;

(2) for determining the date of the beginning of the new period of 2 years, 1 day is added to the date marking the end of the period of 2 years that was to be used;

(3) the calculations prescribed in subparagraphs 1 and 2 are repeated until the period between the beginning of the period of 2 years that must be used for calculating demerit points and the issue of a new licence is less than 5 years.

32. A person whose probationary licence was cancelled at the person's request or revoked under section 187.1 of the Highway Safety Code (R.S.Q., c. C-24.2), who, subsequently to the cancellation or revocation, obtains a probationary licence must pay the insurance contribution calculated under section 31, except for subparagraph 2 of the first paragraph.

33. A person whose previous probationary licence was revoked and who has not requested the reimbursement of that portion of the insurance contribution to which the person is entitled, an amount is subtracted from the insurance contribution payable for the issue of a new probationary licence according to the terms provided for in the second paragraph.

The amount of insurance contribution paid for the revoked licence for the months, excluding parts of months, between the date of the licence revocation and the date on which the licence was to expire is subtracted from the amount of the insurance contribution payable.

This section does not apply where more than 3 years have elapsed between the revocation of the previous probationary licence and the issue of the new probationary licence.

DIVISION IV APPLICANT FOR A RESTRICTED LICENCE

34. The insurance contribution for the issue of a restricted licence authorizing only the driving of a road vehicle equipped with an alcohol ignition interlock device is the product obtained by multiplying the monthly insurance contribution set under the second paragraph by the number of months, including parts of months, less 1, to elapse between the date of issue of the licence and its expiry date.

The monthly insurance contribution is the quotient obtained by dividing by 12 the annual insurance contribution for the year of issue of the restricted licence. The annual insurance contribution is set at \$116.63.

35. For the issue of a restricted licence bearing one or more of classes 1 to 5 and authorizing only the driving of a road vehicle covered by those classes to

carry on the applicant's principal means of livelihood, the insurance contribution payable is the product obtained by multiplying the monthly insurance contribution set under the second paragraph by the number of months, including parts of months, less 1, during which the licence holder is authorized to drive.

The monthly insurance contribution is the quotient obtained by dividing by 12 the annual insurance contribution provided for in section 12, based on the year of issue and the classes of the restricted licence and on the last total number of demerit points used to calculate the insurance contribution paid or payable for the holder's previous licence.

36. For the issue of a restricted licence authorizing only the driving of a motorcycle carry on the applicant's principal means of livelihood, the insurance contribution payable is the sum of the insurance contributions for the months, including parts of months, during which the holder is authorized to drive, except for the last month.

The insurance contribution for a month corresponds to the percentage, as determined in the second paragraph of section 14, of an amount equivalent to the annual insurance contribution provided for in section 12, based on the year of issue and the classes of the restricted licence and on the last total number of demerit points used to calculate the insurance contribution paid or payable for the holder's previous licence.

37. For the issue of a restricted licence bearing one or more of classes 1 to 5 and one or more of the licence classes authorizing the driving of a motorcycle, but authorizing only the driving of a road vehicle covered by those classes to carry on the driver's principal means of livelihood, the insurance contribution payable is the sum of the following amounts:

(1) the insurance contribution calculated under section 35;

(2) the insurance contribution calculated under section 36, except that the total number of demerit points to take into account for the calculation may not be greater than 3 points.

38. An amount is subtracted from the insurance contribution payable by a person for the issue of a restricted licence in accordance with the second and third paragraphs, if that person did not request the reimbursement of part of the insurance contribution paid for the previous licence although entitled to do so.

If the previous licence was a probationary licence, the insurance contribution calculated under the second paragraph of section 33 is subtracted from the amount calculated for the issue of the restricted licence.

If the previous licence was a driver's licence, the insurance contribution paid for the months, excluding parts of months, between the date of revocation of the previous licence and the payment due date of the sums referred to in the first paragraph of section 93.1 of the Highway Safety Code (R.S.Q., c. C-24.2) had the licence not been revoked, is subtracted from the amount calculated for the issue of the restricted licence.

This section does not apply where more than 3 years have elapsed between the revocation of the previous licence and the issue of the restricted licence.

39. Despite sections 34 to 37, the insurance contribution for the issue, during 2012, of any restricted licence is the product obtained by multiplying the monthly insurance contribution set under the second paragraph by the number of months, including parts of months, less 1, to elapse between the date of issue of the licence and its expiry date.

The monthly insurance contribution is the quotient obtained by dividing by 12 the insurance contribution of \$136.47.

DIVISION V REIMBURSEMENT OF INSURANCE CONTRIBUTIONS

40. A person whose licence is cancelled at the person's request or whose licence is revoked or suspended, except for a learner's licence or a driver's licence bearing only class 8, is entitled to reimbursement, on request, of part of the insurance contribution paid, as are the person's heirs and legatees, according to the rules for reimbursement established

(1) in sections 41 and 42, for a licence bearing

(a) one or more of classes 1 to 5 and one or more motorcycle classes;

(b) one or more motorcycle classes that do not bear classes 1 to 5;

(2) in the Regulation respecting licences (c. C-24.2, r. 34), by replacing the monthly duties covered by those rules by the monthly insurance contribution applicable to the period for which the reimbursement is to be made, for a licence bearing one or more of classes 1 to 5 and 8, and not bearing motorcycle classes.

For the purposes of subparagraph 2 of the first paragraph, the monthly insurance contribution is the quotient obtained by dividing by 12 the annual insurance contribution provided for in section 12 based on the insurance contribution payment due year, the licence classes and the total number of demerit points used in calculating the insurance contribution paid. Despite the foregoing, in the case of a restricted licence, the monthly insurance contribution is the insurance contribution calculated under the second paragraph of section 34, the second paragraph of section 35 or the second paragraph of section 39, as the case may be.

41. The amount of the reimbursement of the insurance contribution paid for a licence bearing one or more of the classes authorizing the driving of a motorcycle and not bearing classes 1 to 5 is the sum of the insurance contributions for the months, excluding parts of months, between the date of the event giving entitlement to the reimbursement and the expiry date of the period during which the holder is authorized to drive. The insurance contribution for a month is calculated by applying the percentage determined in section 14 to the amount of the annual insurance contribution provided for in section 12, according to the insurance contribution payment due year, the licence classes and the total number of demerit points used in calculating the insurance contribution paid.

42. The amount of the reimbursement of the insurance contribution paid for a licence bearing one or more of classes 1 to 5 and one or more motorcycle classes is the sum of the following insurance contributions:

(1) the product obtained by multiplying the monthly insurance contribution by the number of months, excluding parts of months, between the date of the event giving entitlement to the reimbursement and the expiry date of the period during which the holder is authorized to drive; the monthly insurance contribution is the quotient obtained by dividing by 12 the annual insurance contribution provided for in section 12 based on the insurance contribution payment due year, licence classes 1 to 5 and the total number of demerit points used in calculating the insurance contribution paid;

(2) the sum of insurance contributions for the months, excluding parts of months, between the date of the event giving entitlement to the reimbursement and the expiry date of the period during which the holder is authorized to drive; the insurance contribution for a month is calculated by applying the percentage determined in the second paragraph of section 14 to an amount equivalent to the annual insurance contribution provided for in paragraph 1 of section 12 for motorcycle classes, according to the insurance contribution payment due year and the

total number of demerit points used in calculating the insurance contribution paid and related to the motorcycle classes.

43. The holder of a licence bearing one or more of classes 1 to 5 and one or more of the classes authorizing the driving of a motorcycle, except for a learner's licence, who requests the cancellation of classes 1 to 5 or whose classes 1 to 5 have been suspended, is entitled, on request, to reimbursement of part of the insurance contribution paid.

The amount of the reimbursement is the product obtained by multiplying the monthly insurance contribution by the number of months, excluding parts of months, between the date of the event giving entitlement to the reimbursement and the expiry date of the period during which the holder is authorized to drive; the monthly insurance contribution is the quotient obtained by dividing by 12 the insurance contribution provided for in section 12, based on the insurance contribution payment due year, licence classes 1 to 5 and the total number of demerit points used in calculating the insurance contribution paid.

44. The holder of a licence bearing one or more of classes 1 to 5 and one or more of the classes authorizing the driving of a motorcycle, except for a learner's licence, who requests the cancellation of the classes authorizing the driving of a motorcycle or whose classes authorizing the driving of a motorcycle have been suspended is entitled, on request, to reimbursement of part of the insurance contribution paid.

The amount of the reimbursement is the sum of the insurance contributions for the months, excluding parts of months, between the date of the event giving entitlement to the reimbursement and the expiry date of the period during which the holder is authorized to drive; the insurance contribution for a month is calculated by applying the percentage determined in section 14 to an amount equivalent to the annual insurance contribution provided for in section 12, based on the insurance contribution payment due year, the licence classes authorizing the driving of a motorcycle and the total number of demerit points used in calculating the insurance contribution paid and related to the motorcycle classes.

CHAPTER III ROUNDING OFF AND INDEXATION OF INSURANCE CONTRIBUTIONS

45. Where the amount of an insurance contribution has more than 2 decimals, only the first 2 digits are retained and the second digit is increased by one unit if the third digit is greater than 4.

46. For payment due dates prior to 2013, the rounding off rules provided for in section 45 are replaced by the adjustment rules described in this section.

The amount of an insurance contribution is adjusted as follows:

(1) the amount is multiplied by the rate equivalent to the tax rate in respect of the insurance contribution provided for in section 512 of the Act respecting the Québec sales tax (R.S.Q., c. T-0.1);

(2) the amount of the insurance contribution is added to the amount obtained pursuant to subparagraph 1;

(3) the amount obtained pursuant to subparagraph 2 is rounded as follows to the nearest dollar if it contains a fraction of a dollar and

(a) if the fraction of a dollar is \$0.50 or more: to the next highest dollar;

(b) if the fraction of a dollar is less than \$0.50: to the next lowest dollar;

(4) the rate equivalent to the tax rate in respect of the insurance contribution provided for in section 512 of the Act respecting the Québec sales tax is added to 1;

(5) the amount obtained pursuant to subparagraph 3 is divided by the amount obtained pursuant to subparagraph 4.

If the amount obtained pursuant to subparagraph 5 of the first paragraph has more than 2 decimals, only the first 2 digits are retained.

With respect to a passenger vehicle referred to in section 98 or 99 of the Regulation respecting road vehicle registration (c. C-24.2, r. 29), the rate referred to in subparagraph 1 of the first paragraph is 0.

47. Beginning in 2014, the insurance contributions set in the first paragraph of section 2, except for subparagraphs 3 and 4 of the first paragraph but including the insurance contributions set in subparagraphs 5 and 12 of the first paragraph for expiry year 2014, and in sections 12, 28, 29 and 34, are indexed on 1 January of each year.

48. Beginning in 2013, the insurance contributions set in subparagraphs 3 and 4 of the first paragraph of section 2 and in sections 5, 7, 8, 9, 16 and 26 are indexed on 1 January of each year.

49. The following insurance contributions are indexed on 1 February 2012 before the adjustment provided for in section 46:

(1) the insurance contributions set in the first paragraph of section 2 for expiry year 2012, except for subparagraphs 3 and 4 and subparagraph *b* of subparagraph 13, concerning net weights of more than 10,000 kg;

(2) the insurance contributions set in subparagraph 1 of the first paragraph of section 12 for expiry year 2012;

(3) the insurance contributions set in section 28 for issue year 2012;

(4) the insurance contributions set in subparagraph *a* of paragraph 1 of section 29 for issue year 2012;

(5) the insurance contribution set in section 39.

50. An insurance contribution is indexed by multiplying the amount to be indexed by the ratio between the current year's Consumer Price Index and the preceding year's index.

If the amount obtained pursuant to the first paragraph has more than 2 decimals, only the first 2 digits are retained and the second digit is increased by one unit if the third digit is greater than 4.

For indexation, the adjustment made under section 46 is not taken into account.

51. The Consumer Price Index for a year is the yearly average computed on the basis of the monthly Consumer Price Index in Canada established by Statistics Canada for the 12 months preceding 1 September of the year preceding the year for which the Index is computed.

If, on 23 September of a year, the data provided by Statistics Canada are incomplete, the Société may use the data available at that time to establish the Consumer Price Index.

If Statistics Canada uses a new method to compute the monthly Consumer Price Index, the Société modifies the computation of the indexation based on the change in the monthly Consumer Price Index from 1 January of the year following the change of method.

If the yearly average computed on the basis of the monthly Consumer Price Index includes more than one decimal, only the first digit is retained and it is increased by one unit if the second digit is greater than 4.

If the ratio between the Consumer Price Index for the current year and that for the preceding year includes more than 3 decimals, only the first 3 digits are retained and the third digit is increased by one unit if the fourth digit is greater than 4.

52. The Société publishes the insurance contributions indexed each year in Part 1 of the *Gazette officielle du Québec*.

The Société also publishes the result of the adjustment for 2012 of the insurance contribution payable by the owner of a road vehicle or the holder of a driver's licence.

CHAPTER IV TRANSITIONAL AND COMING INTO FORCE

53. This Regulation replaces the Regulation respecting insurance contributions (c. A-25, r. 3).

54. Despite section 53, the Regulation respecting insurance contributions (c. A-25, r. 3), as it reads on 31 January 2012, continues to apply

(1) to the insurance contribution payable to retain the right to drive a road vehicle, other than a bus or a minibus, the payment of which is due before 30 April 2012;

(2) to the insurance contribution payable by the holder of a driver's licence the payment of which is due before 30 April 2012;

(3) to the insurance contribution payable to obtain a licence that takes effect before 30 April 2012 except to obtain a learner's licence or restricted licence.

Despite the first paragraph, this Regulation, in particular the annual insurance contribution established in section 2, applies as of 1 February 2012 to the computation of the insurance contribution payable upon registration of a road vehicle and for the right to operate a vehicle provided for in sections 4 and 5.

55. This Regulation comes into force on 1 February 2012.

Notice**Amendments to the classification of road vehicles and automobile insurance contributions**

Draft Regulation respecting insurance contributions
Automobile Insurance Act
(R.S.Q., c. A-25)

Act respecting the Société de l'assurance automobile
du Québec
(R.S.Q., c. S-11.011)

Before amending the Regulation respecting insurance contributions, the Société de l'assurance automobile du Québec must get a report from a panel of experts formed for that purpose. The mandate given to this panel is to review the approach taken by the Société and verify the data used in support of the regulatory modifications it proposes.

The Panel of Experts must hold hearings on automobile insurance contributions and submit its report to the Société's Board of Directors on the date set by the Board, December 7, 2011.

Notice is hereby given that after the date the report is tabled, the draft Regulation respecting insurance contributions published in the *Gazette officielle du Québec* dated August 25, 2011 can be adopted by the Société.

Financing of the public automobile insurance plan is governed by one fundamental principle: driver's licence holders or vehicle owners must pay their fair share, based on the risk associated with their driving behaviour and the type of vehicle they drive.

The financial situation of the Fonds d'assurance automobile du Québec consists of two components, that is, financing and funding:

— Financing means that enough money is collected in a given year to cover the compensation benefits that are paid out for accidents that have occurred in the same year;

— Funding is the relationship between assets of the Fonds on a given date and the amounts required to ensure payment of future compensation benefits for accidents that occurred prior to that date.

The Société's objectives to ensure an equitable and sustainable plan are:

— Reviewing insurance contributions in connection with plan financing;

— Targeting full funding of the plan without raising the insurance contributions of the majority of contributors;

— Scheduling a review of the financial situation of the Fonds d'assurance every three years.

To attain these objectives, the Société therefore proposes the following changes:

— Making no changes to insurance contributions for 2011 and 2012, allowing for exceptions;

— Maintaining insurance contributions for 2013 at their 2012 rate for owners of passenger vehicles and driver's licence holders who have no demerit points;

— Adjustment of the insurance contribution for driver's licence holders who have demerit points;

— As of 2012, introduction of a new insurance contribution upon the acquisition of a new or used motorcycle;

— Taking into account demerit points when setting the insurance contribution for drivers' licences for driving a motorcycle;

— As of 2012, amendment of insurance contributions and criteria defining the restricted-area use motorcycle (zones of 70 km/h or less);

— As of 2013, adjustment of insurance contributions in respect of mopeds and motorized scooters;

— In 2012, distinguishing public buses weighing over 10,000 kg to create two classes with distinct rate schedules: buses owned by public transit authorities and other buses;

— In 2013 and 2014, introduction of a new classification in respect of buses with distinct rate schedules: buses owned by public transit authorities, school buses, other buses weighing 10,000 kg or less, and other buses weighing more than 10,000 kg;

— As of 2013, reduction of insurance contributions for registration of other vehicles, except for restricted-area use vehicles;

— Allocating an amount, drawn from insurance contributions on vehicle registrations and drivers' licences, to plan funding until the accumulated deficit has been totally eliminated.

Draft Regulation

Highway Safety Code
 (R.S.Q., c. C-24.2)

Registration**— Amendment**

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the Regulation to amend the Regulation respecting road vehicle registration, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation proposes, for the purposes of motorcycle registration, that only motorcycles that qualify as antique road vehicles can be included in the category of vehicles that may only be driven on roads where the maximum speed allowed is 70 km/h (licence plate bearing the prefix "C"). To that end, the draft Regulation proposes to amend the definition of "antique road vehicle" to include motorcycles whose model year is prior to 1981 that have been preserved or restored to their original state.

The amendments to the Regulation are proposed to reflect the proposed amendments to the Regulation respecting insurance contributions, made by the Société de l'assurance automobile du Québec by its resolution number AR-2380 dated 1 November 2006. A draft Regulation to amend the Regulation respecting insurance contributions is published on page 2389A.

The draft Regulation has an impact on owners of motorcycles whose model year is subsequent to 1980. They will be charged the new insurance contributions proposed in the draft Regulation respecting insurance contributions for motorcycles with a licence plate bearing the prefix "M".

The draft Regulation has no impact on enterprises.

Further information may be obtained by contacting Linda Bellware, Société de l'assurance automobile du Québec, 333, boulevard Jean-Lesage, E-5-10, case postale 19600, Québec (Québec) G1K 8J6; telephone: 418 528-3640.

Any person wishing to comment on the draft Regulation is requested to submit written comments within the 45-day period to the Minister of Transport, 700, boulevard René-Lévesque Est, 29^e étage, Québec (Québec) G1R 5H1.

SAM HAMAD,
 Minister of Transport
