## Draft Regulation

An Act respecting transportation services by taxi (R.S.Q., c. S-6.01)

### Taxi owners

#### — Maximum number of taxi owner’s permits per taxi servicing area and certain conditions of operation — Amendment

Notice is given, pursuant to sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), that the “Regulation amending the Regulation respecting the maximum number of taxi owner’s permits per taxi servicing area and certain conditions of operation”, of which the text is reproduced below, may be adopted by the Commission des transports du Québec upon expiry of a 45-day period following its publication.

This draft regulation aims to reduce to eight (8) the maximum number of taxi owner’s permits that can be issued in the Îles-de-la-Madeleine servicing area.

According to the Commission’s assessment, this number takes into account a balance between the demand for taxi services in this servicing area and the profitability of the concerned companies holding taxi owner’s permits. This amendment is further to a consultation, among others with the concerned permit holders, pursuant to section 10.1 of the Act respecting transportation services by taxi (R.S.Q., c. S-6.01).

For more information concerning the draft regulation, contact Christian Daneau, Secretary and Director of the Direction des services juridiques et secrétariat, Commission des transports du Québec, 545, boulevard Crémazie Est, bureau 1000, Montréal (Québec) H2M 2V1, telephone: 514 906-0350, ext. 3014, fax: 514 873-5947.
