Notice of adoption

An Act respecting transportation services by taxi (R.S.Q., c. S-6.01)

Taxi owners

— Maximum number of permits per taxi servicing area and certain conditions of operation

— Amendment

CONCERNING the Regulation amending the Regulation respecting the maximum number of taxi owner’s permits per taxi servicing area and certain conditions of operation

Notice is given, pursuant to section 10.1 of the Act respecting transportation services by taxi (R.S.Q., c. S-6.01), that the Commission des transports du Québec has adopted the Regulation amending the Regulation respecting the maximum number of taxi owner’s permits per taxi servicing area and certain conditions of operation of which the text is reproduced below.

This regulation reduces to eight (8) the maximum number of taxi owner’s permits that can be issued in Les Îles-de-la-Madeleine servicing area. According to the Commission’s assessment, this number takes into account a balance between the demand for taxi services in this servicing area and the profitability of the concerned companies holding taxi owner’s permits. This amendment is further to a consultation, among others with the

concerned permit holders, pursuant to section 10.1 of the Act respecting transportation services by taxi (R.S.Q., c. S-6.01).

Pursuant to sections 10 and 11 of the Regulations Act (R.S.Q., c. R-18.1), a draft regulation was published in Part 2 of the *Gazette officielle du Québec* of November 9, 2011, with a notice that it could be adopted upon expiry of a 45-day period following its publication. Following its publication, the Commission did not receive any comment.

Pursuant to section 17 of the Regulations Act (R.S.Q., c. R-18.1), the Regulation amending the Regulation respecting the maximum number of taxi owner’s permits per taxi servicing area and certain conditions of operation, attached hereto, comes into force 15 days after the date of its publication in the *Gazette officielle du Québec*.
