Highway Safety Code
(chapter C-24.2)

**Ville de Laval
— Disallowance**

By-law L-11605 to amend By-law L-6070 governing
traffic and highway safety on public roads

CONSIDERING that, under the third paragraph of section 626 of the Highway Safety Code (chapter C-24.2), the Minister of Transport may disallow a by-law passed by a municipality under subparagraph 4 of the first paragraph of that section, within 90 days of the date on which it is passed;

NOTICE IS HEREBY GIVEN THAT, in accordance with the powers conferred on the Minister under the third paragraph of section 626 of the Highway Safety Code, the Minister of Transport has disallowed By-law L-11605 to amend By-law L-6070 governing traffic and highway safety on public roads, passed by Ville de Laval on 4 September 2012.

The speed limit of 40 km/h on two rural collector roads, namely boulevard des Mille-Îles and the eastern end of boulevard René-Lévesque Est, would have a negative impact on the safety of users. Furthermore, the By-law provides for a speed limit on autoroute service roads which are under the management of the Minister of Transport.

The decision of the Minister of Transport was communicated to the authorities of Ville de Laval on 14 November 2012.

SYLVAIN GAUDREAU,
Minister of Transport
