Draft Regulation

An Act respecting the conservation and development of wildlife (chapter C-61.1)

Fishing activities — Revocation

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the draft Regulation to revoke the Regulation respecting fishing activities, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The purpose of the draft Regulation is to revoke the Regulation respecting fishing activities, further to ail of its provisions being struck out or transferred to the Regulation respecting classes of fishing licences and their term (chapter C-61.1, r. 11).

The revocation arises from

— the striking out of the term related to the registration of the salmon caught and kept, provided for in section 3.1, since that requirement is already provided for in the Quebec Fishery Regulations (SOR/90-214); and

— the transfer to the Regulation respecting classes of fishing licences and their term, in accordance with the amendments made to the Act respecting the conservation and development of wildlife (chapter C-61.1) in 2009, of the terms specifying the requirements with which applicants for a fishing licence and holders of a licence to fish in the parts of Area 22 the plans of which appear in Schedules CXCVI and CXCVII of the Regulation respecting hunting (chapter C-61.1, r. 12), must comply, as well as the circumstances under which the services of an outfitter must be used to practice sport fishing.

The revocation of the Regulation has no negative impact on the resource and on the department's traditional clientele, since it does not in any way alter the regulations currently in force.

Further information on the draft Regulation may be obtained by contacting Stéphane Blanchet, Direction de la réglementation, de la tarification et des permis, Ministère du Développement durable, de l'Environnement, de la Faune et des Parcs, 880, chemin Sainte-Foy, 2^e étage, Québec (Québec) G1S 4X4; telephone: 418 521-3888, extension 7393; fax: 418 646-5179; email: Stephane.Blanchet@mrn.gouv.qc.ca

Any person wishing to comment on the matter is requested to submit written comments within the 45-day period to Nathalie Camden, Associate Deputy Minister for Faune Québec, Ministère du Développement durable, de l'Environnement, de la Faune et des Parcs, 675, boulevard René-Lévesque Est, Québec (Québec) G1R 5V7.
