Draft Regulation

An Act respecting off-highway vehicles
(chapter V-1.2)

Operation of off-highway vehicles over a portion of chemin Poisson-Blanc under the management of the Minister of Transport — Municipalité de Notre-Dame-du-Laus

Notice is hereby given, in accordance with sections 10, 12 and 13 of the Regulations Act (chapter R-18.1), that the Regulation to authorize the operation of off-highway vehicles over a portion of chemin Poisson-Blanc under the management of the Minister of Transport, appearing below, may be made by the Minister of Transport on the expiry of 20 days following this publication.

The draft Regulation authorizes the operation of motorized all-terrain vehicles and side-by-side vehicles over a portion of chemin Poisson-Blanc in the territory of Municipalité de Notre-Dame-du-Laus.

The operation of motorized all-terrain vehicles is currently allowed on that portion of road until 23 July 2014. The Minister is of the opinion that the urgency of the situation justifies a shorter publication period than the period provided for in the Regulations Act due to the need to authorize again without interruption the operation of certain all-terrain vehicles.
