### O.C. 703-2015, 11 August 2015

An Act respecting roads  
(chapter V-9)

Trans-Canada Highway Act  
(14 George VI, 1950, c. 44, modified  
by 9-10 Elizabeth II, 1960-61, c. 8)

CONCERNING the management and ownership of portions of autoroute 20, also referred to as autoroute Jean-Lesage, situated in the territory of the Saint-Apollinaire municipality

WHEREAS autoroute 20, also referred to as autoroute Jean-Lesage and situated, in part, in the territory of the Saint-Apollinaire municipality, was built under the Trans-Canada Highway Act (14 George VI, 1950, c. 44, modified by 9-10 Elizabeth II, 1960-61, c. 8) and is State property under section 7 of the Act respecting roads (chapter V-9);

WHEREAS, pursuant to section 2 of the Act respecting Roads, the government determined, by Order in Council 292-93 of March 3, 1993, that autoroute 20 situated in the territory of the Saint-Apollinaire municipality is under the management of the Minister of Transport;

WHEREAS, pursuant to section 46 of the Act respecting roads, the government may, by order, declare that a portion of an autoroute which is the property of the State shall become, without indemnity, the property of the local municipality in whose territory it is situated, from the publication of the order in the *Gazette officielle du Québec*;

WHEREAS a portion of rue Laurier situated in the right-of-way of autoroute 20 and being part of lot 5 676 659 of the Québec cadastre, registration division of Lotbinière, with an area of 5 422.1 square metres, is under the management of the Saint-Apollinaire municipality;

WHEREAS, in addition to managing rue Laurier, it is expedient that the Saint-Apollinaire municipality be the owner of this portion of autoroute 20 so as to be entitled to undertake all the actions and exercise all the rights of an owner as regards the road;

WHEREAS another part of lot 5 676 659 with an area of 1 748.8 square metres and lot 5 676 660 of the Québec cadastre, situated in the right-of-way of autoroute 20, are

no longer required for this autoroute and it is, therefore, appropriate to relinquish management of these lots and cease recognizing them as part of an autoroute so that the Minister of Transport can dispose of them as surplus immovable property, in compliance with the Regulation respecting the terms and conditions for the disposal of surplus immovable property of departments and public bodies (chapter C-65.1, r. 1);

IT IS ORDERED, therefore, on the recommendation of the Minister of Transport:

THAT be declared property of the Saint-Apollinaire municipality, without indemnity, the portion of rue Laurier situated in the right-of-way of autoroute 20 and being part of lot 5 676 659 of the Québec cadastre, registration division of Lotbinière, with an area of 5 422.1 square metres, indicated as Parcel 1 on the plan prepared by Philippe Côté, land surveyor, on May 20, 2015, under number 745 of his minutes and kept in the archives of the ministère des Transports under number TR-6610-154-13-7234, sheet 1A/1;

THAT be relinquished the management of two portions of autoroute 20, situated in the territory of the Saint-Apollinaire municipality, known and designated as being a part of lot 5 676,659 of the Québec cadastre, registration division of Lotbinière, with an area of 1 748.8 square metres, indicated as Parcel 2 on the plan prepared by Philippe Côté, land surveyor, on May 20, 2015, under number 745 of his minutes and kept in the archives of the ministère des Transports under number TR-6610-154-13-7234, sheet 1A/1, and lot 5 676 660 of the Québec cadastre, registration division of Lotbinière, indicated as Parcel 3 on the said plan, and that these lots be no longer recognized as parts of an autoroute, so that the Minister of Transport can dispose of them as surplus immovable property, in compliance with the Regulation respecting the terms and conditions for the disposal of surplus immovable property of departments and public bodies (chapter C-65.1, r. 1);

THAT the schedule to Order in Council 292-93 of March 3, 1993, be amended accordingly;

THAT this Order in Council be effective as of the date it is published in the *Gazette officielle du Québec*.
