

Regulation to amend the Regulation respecting the application of the Environment Quality Act

Environment Quality Act
(chapter Q-2, s. 31, 1st par., subpar. f)

1. The Regulation respecting the application of the Environment Quality Act (chapter Q-2, r. 3) is amended in section 8 by replacing the fourth paragraph by the following:

“The first and second paragraphs do not apply where the application for a certificate of authorization concerns either of the following activities, insofar as they are authorized under section 31.5 or 31.6 of the Environment Quality Act (chapter Q-2):

(1) the reconstruction of an interchange in an urban area, consisting of a set of lanes to connect an autoroute to another autoroute or a road, including all the components of the project, in particular the associated infrastructures as well as the works and installations needed for their development and management;

(2) the construction or relocation of a 735-kV power transmission and distribution line over a distance of more than 2 km and of any switching or transformer substation associated with it, including the associated infrastructures as well as the works and installations needed for their development and management.”

2. This Regulation comes into force on the day of its publication in the *Gazette officielle du Québec*.
