System fees for SEDAR and NRD —Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Regulation 13-102 respecting system fees for SEDAR and NRD, appearing below, may be approved by the Government on the expiry of 45 days following this publication.

The purpose of Regulation 13-102 respecting system fees for SEDAR and NRD is to set the system-related fees to be paid to the Canadian securities authorities, mainly for the filing of specific documents.

The draft Regulation prescribes fees of \$ 25 in relation to the SEDAR system for the electronic filing of each report of exempt distribution, as established. The amount will be used to pay the costs and expenses relating to system development and to the support for additional SEDAR users.

The impact of the Regulation, as analyzed by the Ministère des Finances on the basis of numbers provided by the Autorité des marchés financiers, shows that the electronic filing of documents with SEDAR will not entail additional costs for emitters. There will be savings instead. The proposed amendments will have no negative impact on small and medium-sized businesses.
