The sums representing the actuarial value of the additional benefits, including the interest thereon, are transferred not later than 31 December of the year occurring 3 years after the year in which the actuarial valuation whose assumptions served as the basis for establishing the value of the benefits is filed.

Despite the third paragraph, the sums representing the actuarial value of the additional benefits pertaining to the benefits referred to in section 184 or 185 of the Act that were acquired by an employee while the employee was not covered by this Order in Council and who, before 1 January 2015, became covered, including the interest thereon, are transferred not later than 31 December 2016.”
