Regulation to amend the Regulation respecting the issuance of competency certificates

An Act respecting labour relations, vocational training and workforce management in the construction industry (chapter R-20, s. 123.1, 1st par. subpars. 1, 6 and 14)

1. The Regulation respecting the issuance of competency certificates (chapter R-20, r. 5) is amended in section 1.3 by adding the following paragraph:

“Despite the first paragraph, the Commission issues, on request, a journeyman competency certificate pertaining to the “elevated platforms” activity, described in Schedule D to the Regulation respecting the vocational training of the workforce in the construction industry (chapter R-20, r. 8), to a person who holds a valid certificate of qualification issued under the Regulation respecting certificates of qualification and apprenticeship in electricity, pipe fitting and mechanical conveyor systems mechanics in sectors other than the construction industry (chapter F-5, r. 1) in recognition of his or her qualification

in mechanical conveyor systems mechanics or in elevated platforms mechanics and who successfully completed the safety course required by the Safety Code for the construction industry (chapter S-2.1, r. 4).”.

2. Section 7 is amended by adding the following paragraph:

“For the renewal of the journeyman competency certificate issued under the third paragraph of section 1.3, the holder must also demonstrate that at the time of the application for renewal, he or she is the holder of a valid certificate of qualification issued under the Regulation respecting certificates of qualification and apprenticeship in electricity, pipe fitting and mechanical conveyor systems mechanics in sectors other than the construction industry (chapter F-5, r. 1) in recognition of his or her qualification in mechanical conveyor systems mechanics or in elevated platforms mechanics. The same applies to every subsequent renewal of the certificate.”.

3. This Regulation comes into force on 24 August 2016.
