

## Draft Regulation

An Act respecting industrial accidents and occupational diseases  
(chapter A-3.001)

### Medical aid — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the draft Regulation to amend the Regulation respecting medical aid, appearing below, may be adopted by the Commission des normes, de l'équité, de la santé et de la sécurité du travail and submitted to the Government for approval, in accordance with the first paragraph of section 455 of the Act respecting industrial accidents and occupational diseases (chapter A-3.001), on the expiry of 45 days following this publication.

The draft Regulation increases the rates for physiotherapy and occupational therapy treatment while introducing a limit to the number of sessions payable by the Commission. It also reviews the conditions of payment for the medical aid costs and proposes new terms and conditions governing the accounts and reports that must be provided to the Commission on request. It also proposes to abolish certain reports and documents that must be sent to the Commission, as well as certain rates related to certain types of special treatment.

The draft Regulation also prescribes special rules applicable to occupational therapy, particularly in connection with certain employment injuries.

Lastly, the draft Regulation introduces a deadline for all health workers covered by the Regulation respecting medical aid when making an application for payment for professional services rendered to workers suffering from an employment injury. It also specifies certain general conditions governing the payment of initial evaluations and the care and treatment provided by a member of a professional order. It also proposes to abolish the obligation to systematically send a medical prescription for care or treatment to the Commission, replacing it instead by an obligation to keep the prescription in the worker's record kept by the health worker.

The impact of the Regulation on enterprises, including small and medium-sized businesses, is direct for physiotherapy and occupational therapy private clinics. The proposed increase in the rates is beneficial for their income and the administrative burden currently imposed on them, in particular the filing of reports, is lightened. However, those increased rates could have a light impact on the employers' rate of assessment.

Further information may be obtained by contacting Michelle Morin, Commission des normes, de l'équité, de la santé et de la sécurité du travail, 1199, rue De Bleury, Montréal (Québec) H3B 3J1; telephone: 514 906-3006, extension 2409; fax: 514 906-3009.

Any person wishing to comment is requested to submit written comments within the 45-day period to Claude Sicard, Vice-President for Partnership and Expert Counselling, Commission des normes, de l'équité, de la santé et de la sécurité du travail, 524, rue Bourdages, local 220, Québec (Québec) G1K 7E2.

## Regulation to amend the Regulation respecting medical aid

An Act respecting occupational accidents and occupational diseases  
(chapter A-3.001, ss. 189, par. 5, and 454, 1st par, subpar. 3.1)

1. The Regulation respecting medical aid (chapter A-3.001, r.1) is amended in section 1

(1) by inserting the following definition before the definition of "border region":

““account” means an invoice, a bill of fees or a payment transaction by electronic link or other technological support authorized by the Commission des normes, de l'équité, de la santé et de la sécurité du travail under section 356 of the Act respecting industrial accidents and occupational diseases (chapter A-3.001); (*compte*)”;

(2) by replacing the definition of "health worker" by the following:

““health worker” means a natural person, other than a health professional within the meaning of the Act respecting industrial accidents and occupational diseases, entered on the roll of a professional order governed by the Professional Code (chapter C-26) and referred to in this Regulation; (*intervenant de la santé*)”;

(3) by adding the following definitions in alphabetical order:

““session” means a visit, with or without an appointment, to a health worker by a worker suffering from an employment injury to receive care or treatment or to obtain an initial evaluation; (*séance*)”

““professional service” means an act performed by a health worker, other than care and treatment; (*service professionnel*)”.

**2.** Section 2 is amended by replacing “The care, treatment, technical aids and costs provided for in this Regulation form part of” by “The care, treatment, professional services, technical aids and other costs provided for in this Regulation constitute”.

**3.** Section 3 is replaced by the following:

“**3.** The Commission assumes, in accordance with the amounts provided for in this Regulation, the cost of care, treatment, professional services and technical aids received in Québec, in accordance with the conditions and amounts prescribed by this Regulation if they were prescribed by the physician in charge of the worker before they were received or before the expenditures for them were made. Unless otherwise provided, the amounts include the supplies and costs related to the care, treatment, services or technical aids.

Every claim submitted to the Commission concerning the care, treatment, professional services or technical aids must be accompanied by the health worker’s recommendation, where applicable, and by vouchers detailing their cost. The health worker must keep the prescription in the worker’s record and provide it to the Commission on request.”

**4.** The following is inserted after section 3:

“**3.1.** The account related to costs provided for in this Regulation must be sent to the Commission within 180 days from the date of provision of the service, care, treatment or technical aid, or from the performance of the act related to another cost. In the case of a report, the 180-day period begins to run from the date on which the report becomes exigible.”

**5.** Section 5 is amended in the second paragraph by inserting “other” before “costs”.

**6.** The heading of Division III is replaced by the following: “CARE, TREATMENTS AND PROFESSIONAL SERVICES”.

**7.** Section 6 is replaced by the following:

“**6.** The Commission assumes the cost of the care, treatment and professional services determined in Schedule I up to the amounts provided for therein, if such care, treatment and services are provided personally by a health worker who is a member of the professional order corresponding to the prescribed care, treatment or services. Such health worker must also be duly authorized to practice, to perform the act billed and, where applicable, must hold a valid permit for that purpose.”

**8.** Section 7 is amended by replacing “nursing care and of chiropractic, physiotherapy and occupational therapy treatment” by “the sessions for nursing care and chiropractic and physiotherapy treatment”.

**9.** Section 9 is replaced by the following:

“**9.** The first session with a health worker, even for an initial evaluation, is paid for up to the amounts provided for in Schedule I, or the amounts for a care or treatment session if no specific rate is provided for therein, except in the case of professional services in audiology or speech therapy.

No other amount is payable by the Commission for an initial evaluation where the evaluation goes beyond the first session with a health worker.”

**10.** Section 10 is amended in the first paragraph by replacing “statements of fees” by “accounts”.

**11.** Section 11 is amended by replacing “statements of fees” by “accounts”.

**12.** Sections 13 to 17 are replaced by the following:

“**13.** For physiotherapy or occupational therapy care and treatment, the Commission shall assume the cost thereof up to a maximum of one care or treatment session per day and up to 3 care or treatment sessions per week, subject to a prescription to the contrary from the physician in charge of the worker.

**14.** Where an initial evaluation goes beyond the first session, and care or treatment is also provided at the same time, the initial evaluation must neither hinder the care or treatment, nor reduce the quality or duration thereof.

**15.** A physiotherapist, a physical rehabilitation therapist and an occupational therapist must keep a register indicating, for each session, the date, the professional act performed, either the initial evaluation or care or treatment, and the name of the health worker who met the worker.

The worker must sign the register at each session.

The register must be kept in the record kept by the health worker for as long as the health worker is required to keep the record. The register must be put at the disposal of the Commission, on request.

A register kept on a medium based on information technology must comply with the provisions of the Act to establish a legal framework for information technology (chapter C-1.1).

**16.** A physiotherapist and an occupational therapist must send to the Commission a first account whose form and content must comply with the form in Schedule III or, if sent using another technological medium, complying with that authorized by the Commission, within 7 days of the first session. They must also use that account form or an authorized technological medium to claim an amount for care or treatment.

The account form is available on the Commission's website.

**16.1.** At the request of the Commission, a physiotherapist or an occupational therapist must provide a report whose form and content must comply with the form in Schedule III.1 or, if sent using another technological medium, complying with that authorized by the Commission. The report form is available on the Commission's website.

The report must be sent to the Commission and to the physician in charge of the worker within 15 days following the date of the Commission's request.

**16.2.** A report is payable by the Commission only if it is made on the form in Schedule III.1 or, if sent using another technological medium, complying with that authorized by the Commission, and is complete.

**16.3.** Except in case of superior force, where a report is not filed within the time provided for in the second paragraph of section 16.1, the Commission withholds payment of the accounts for the care and treatment sessions provided after the deadline for filing the report, until it is sent to the Commission.

When the report is filed, the Commission pays the accounts for the care and treatment sessions whose payment was withheld.

**17.** The Commission assumes the cost of a session for care or treatment provided for in the worker's personal care or treatment program established on the basis of the worker's specific needs, even if a worker receives the care and treatment simultaneously with other persons."

**17.0.1.** The following occupational therapy services are not medical aid:

- (1) a work integration program or a program for a therapeutic return to work;
- (2) a visit to a workstation or its adaptation and equipment testing;
- (3) assessment of driving ability and vehicle adaptation;
- (4) residence adaptation;
- (5) a social integration program or any other evaluation or intervention as part of the rehabilitation provided for in Chapter IV of the Act;
- (6) an intervention as part of an interdisciplinary or multidisciplinary program;
- (7) a development program or any other service to evaluate functional or occupational capacities, or any other intervention pursuing the same objectives;
- (8) a mental health intervention.

**17.0.2.** Subject to a prescription to the contrary from the physician in charge of the worker, the Commission assumes the cost of the occupational therapy sessions held from the sixth week following the date of the employment injury and if the employment injury is not consolidated on that date. The foregoing also applies to the reimbursement of the cost of an initial evaluation.

Despite the first paragraph, the Commission assumes the cost of sessions held before that date, if the prescription of the physician in charge of the worker pertains to one or more of the following injuries:

- (1) a hand or wrist injury;
- (2) a complex regional pain syndrome, regardless of the site of the injury;
- (3) nerve damage to the upper limbs;
- (4) a burn, regardless of the site of the injury."

**13.** The heading of Division IV is amended by inserting "OTHER" after "AND".

## TRANSITIONAL AND FINAL

**18.** Despite the second paragraph of section 3, as replaced by section 3 of this Regulation, a member of the Ordre professionnel de la physiothérapie du Québec and a member of the Ordre professionnel des ergothérapeutes du Québec must send to the Commission a prescription for care or treatment that does not comply with the standards set out in section 13 or 17.0.2, as made by section 12 of this Regulation, until 30 June 2019.

**19.** The 180-day period provided for in section 3.1, made by section 4 of this Regulation, begins to run as of the date of coming into force of this Regulation in respect of professional services, care or treatment provided before that date.

**20.** Despite section 7, as amended by section 8 of this Regulation, a worker may continue to receive occupational therapy home care if it has been prescribed before the coming into force of this Regulation.

The rate for such care, provided for in Schedule I as it read before being replaced by section 14 of this Regulation, continues to apply to the home care referred to in the first paragraph.

**21.** The costs payable for the first visit to a health worker, referred to in section 9, before its replacement by section 9 of this Regulation, which are exigible at a date prior to the date of coming into force of this Regulation are not payable if the account is sent to the Commission more than 30 days from the date of coming into force of this Regulation.

**22.** Section 13, made by section 12 of this Regulation, applies only to a change in a worker's treatment plan or to a prescription issued as of the date of coming into force of this Regulation.

**23.** The costs payable for treatment after the filing of an initial report, a progress report, a treatment termination report and a reasoned opinion, required under sections 14 to 16, before their replacement by section 12 of this Regulation, which are exigible at a date prior to the date of coming into force of this Regulation are not payable if those reports and opinions are sent to the Commission more than 30 days from the date of coming into force of this Regulation.

**24.** The costs payable for a reasoned opinion, referred to in section 16, before its replacement by section 12 of this Regulation, which are exigible at a date prior to the date of coming into force of this Regulation are not payable if the account is sent to the Commission more than 30 days from the date of coming into force of this Regulation.

**25.** Sections 17.0.1 and 17.0.2, made by section 12 of this Regulation, apply only to an employment injury or to a new event occurring as of the date of coming into force of this Regulation.

**26.** The physiotherapy and occupational therapy care and treatment provided before the date of coming into force of this Regulation are paid by the Commission according to the rate applicable at the time they were provided.

**27.** This Regulation comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec*.

## Draft Regulation

An Act respecting labour relations, vocational training and workforce management in the construction industry (chapter R-20)

### Vocational training of the workforce in the construction industry — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Regulation respecting the vocational training of the workforce in the construction industry, made by the Commission de la construction du Québec and appearing below, may be submitted to the Government for approval on the expiry of 45 days following this publication.

The purpose of the draft Regulation is to ensure compliance with the Provincial-Territorial Apprenticeship Mobility Protocol signed on 16 July 2015 and to amend the regulatory modalities relating to the hours recognized for the classification in apprenticeship and eligibility for the qualification examination and the ratios of journeymen/apprentices.
