Draft Regulation

Highway Safety Code
(chapter C-24.2)

Driving course — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Regulation respecting licences, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation increases from \$825 to \$832 the maximum amount chargeable to take, in a driving school, the appropriate driving course for the road vehicle covered by a class 5 driver's licence.

That maximum amount corresponds to the amount currently provided for in the Regulation increased by taking into account the adjustment rate for government fees set on 1 January 2018 at 0.82% in accordance with section 83.3 of the Financial Administration Act (chapter A-6.001).

The draft Regulation also provides for an adjustment rule for the maximum amount of \$832, as of 1 January 2019.

The draft Regulation has no negative impact on enterprises that give driving courses. As for the clientele who must take a driving course, the proposed measures have a negligible effect, since the additional costs entailed by the measures simply represent the increase in the cost of living.

Further information may be obtained by contacting Renée Delisle, Director, Direction des normes et partenariats d'affaires, Société de l'assurance automobile du Québec, 333, boulevard Jean-Lesage, C-3-16, postal box 19600, Québec (Québec) G1K 8J6; telephone: 418 528-4898; fax: 418 646-6811; email: Renee.Delisle2@saaq.gouv.qc.ca.
