"Having received the amount necessary for paying the claims and subject to section 44, the Board pays, in principal, interest and costs, the claims received during the 6-month period following the opening of the claim file. In the case of a client who is partly compensated from a security referred to in the second paragraph of section 40, the amount paid by the Board is reduced so that it cannot exceed the balance of the client's claim."

7. Section 44 is replaced by the following:

"**44.** If, on the date of the notice or request made under the second paragraph of section 43, the total amount of the claims exceeds the sums available to pay them, the Board pays as a priority the claims for which no claim file is open at the Office de la protection du consommateur.

In such case, the Board is to pay in full all the claims from natural persons, if the sums available are sufficient; otherwise, the Board is to pay their claims on a pro rata basis. Then, if sums are still available, the Board pays the claims from the other clients for which no claim file is open at the Office, on a pro rata basis.

If, after the payments provided for in the preceding paragraphs, sums are still available, the Board pays the claims from clients for which a claim file is open at the Office, by giving priority to the full compensation of claims from natural persons, in accordance with the second paragraph of this section, and the Board so informs the Office."

9. The provisions of this Regulation apply to claims received by the Board before 1 October 2018.

Despite the foregoing, the provisions of Division V of Chapter II of the Regulation respecting the professional qualification of contractors and owner-builders (chapter B-1.1, r. 9), as they read before 1 October 2018, continue to apply in the following cases:

(1) where the Board has received a claim that is not accompanied by a final judgment and has verified, before 1 October 2018 and in accordance with the first paragraph of section 41 of the Regulation respecting the professional qualification of contractors and owner-builders, whether the surety agrees to enter into an agreement or a transaction;

(2) where a claim file has been opened by the Board, in accordance with section 41 of the Regulation respecting the professional qualification of contractors and owner-builders, before 1 October 2018.
