

Draft Regulation

Building Act
(chapter B-1.1)

Safety Code — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation amending the Regulation to amend the Safety Code, appearing below, may be made by the Government with or without amendment on the expiry of 45 days following this publication.

The purpose of this draft Regulation is to extend the coming into force date for the requirements to have sprinklers installed in certain private seniors' residences, set out in the Regulation to amend the Safety Code approved by Order in Council 1035-2015 dated 18 November 2015, from 2 December 2020 to 2 December 2022. This later deadline will afford owners of the residences additional time to complete their sprinkler installations.

Study of the matter has shown that the draft Regulation will have no impact on enterprises, including small and medium-sized businesses.

Further information on the draft Regulation may be obtained by contacting Suzel Bourdeau, engineer, Direction du bâtiment et des installations techniques, Régie du bâtiment du Québec, 545, boulevard Crémazie Est, 7^e étage, Montréal (Québec) H2M 2V2; telephone: 514 873-3716; fax: 514 873-1939; email: suzel.bourdeau@rbq.gouv.qc.ca.

Any person wishing to comment on the draft Regulation is requested to submit written comments within the 45-day period to Mélanie Drainville, Secretary General and Director of Institutional Affairs, Régie du bâtiment du Québec, 800, place D'Youville, 16^e étage, Québec (Québec) G1R 5S3; email: projet.reglement.commentaires@rbq.gouv.qc.ca.

Draft Regulation

Highway Safety Code
(chapter C-24.2)

Use of tires specifically designed for winter driving — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Regulation respecting the use of tires specifically designed for winter driving, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The purpose of the draft Regulation is to make consequential amendments to the Regulation respecting the use of tires specifically designed for winter driving (chapter C-24.2, r. 45) to ensure consistency with the amendments made to section 440.1 of the Highway Safety Code (chapter C-24.2) under section 115 of the Act to amend the Highway Safety Code and other provisions (2018, chapter 7).

Accordingly, except for heavy vehicles, tool vehicles and farm machines, the date on which tires designed for winter driving must equip every motorized road vehicle to which the draft Regulation applies would be moved forward from 15 December to 1 December.

To date, study of the matter shows that the amendments brought by the draft Regulation will have no financial impact on enterprises.
