An Act respecting the Government and Public Employees Retirement Plan
(chapter R-10)

Regulation respecting the application — Amendment

Regulation to amend the Regulation under the Act respecting the Government and Public Employees Retirement Plan

WHEREAS, under subparagraph 18 of the first paragraph of section 134 of the Act respecting the Government and Public Employees Retirement Plan (chapter R-10), the Government may, by regulation, establish, for the purposes of section 177 of the Act, the rate of contribution applicable to the Government and Public Employees Retirement Plan each year, according to the rules, terms and conditions prescribed by the regulation, and prescribe the factor used each year for the contribution formula;

WHEREAS, under the first paragraph of section 177 of the Act, the rate of contribution applicable to the Government and Public Employees Retirement Plan each year is determined according to the rules, terms and conditions prescribed by regulation, the rate is based on the result of the actuarial valuation referred to in the first paragraph of section 174 of the Act and is adjusted from 1 January following the receipt by the Minister of the report of the independent actuary and, for the two subsequent years, from 1 January of each year;

WHEREAS the Minister received the report of the independent actuary on 30 October 2019;

WHEREAS, under the first paragraph of section 177 of the Act, the regulation concerned may also prescribe a factor based on the actuarial valuation and adjusted in the same manner and is to be used for the contribution formula described in section 29 of the Act so that the contributions withheld during the year by employers or insurers with respect to a pensionable salary which does not exceed the maximum pensionable earnings of the year will be comparable to the contributions that would have been withheld if the contribution formula described in that section, as it read on 31 December 2010, had been maintained;

WHEREAS the most recent actuarial valuation of the retirement plan indicates that the applicable rates of contribution and the factors used for the years 2020, 2021 and 2022 should be adjusted;

WHEREAS, under the first paragraph of section 134 of the Act, the Government makes the Regulation after Retraite Québec has consulted the pension committee referred to in section 163 of the Act;

WHEREAS that committee has been consulted;

WHEREAS the Government made the Regulation under the Act respecting the Government and Public Employees Retirement Plan (chapter R-10, r. 2);

WHEREAS it is expedient to amend the Regulation;

IT IS ORDERED, therefore, on the recommendation of the Minister Responsible for Government Administration and Chair of the Conseil du trésor:
