THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

ACT RESPECTING THE MINISTÈRE DE L'AGRICULTURE, DES
PÊCHERIES ET DE L'ALIMENTATION

1. The Act respecting the Ministère de l'Agriculture, des Pêcheries et de l'Alimentation (chapter M-14) is amended by inserting the following section after section 1:

“1.1. The Minister may delegate the exercise of the powers conferred on him by this Act or by another Act under his administration to a person employed by his department.

The Minister may, in writing, authorize the subdelegation of specified powers.

The Minister may also delegate the exercise of such powers to a senior officer of a public agency or to a person employed by that agency, after consulting with its chief executive officer.”

2. The heading of Division II before section 7 of the Act is amended by replacing “STAFF” by “ORGANIZATION”.

3. Section 8 of the Act is amended

(1) by replacing “deputy minister shall have the supervision of the other officers and employees of the department; he shall manage its current business and exercise such other powers as are assigned to him by the Government” by “Deputy Minister shall administer the department”;

(2) by adding the following paragraph at the end:

“The Deputy Minister shall also exercise any other function assigned to him by the Minister or the Government.”

4. Section 12 of the Act is replaced by the following section:

In the absence of such an agreement, any debt owed to the Minister bears interest at the rate for a debt owed to the State set under section 28 of the Tax Administration Act (chapter A-6.002) from the 30th day following the notification to the debtor of a notice of claim.

The Minister may, after the notification of the notice of claim, offset any amount owed to the Minister against any amount the Minister owes to the debtor.”

7. Section 36 of the Act is repealed.

8. The Act is amended by inserting the following division after section 36:

“DIVISION VII.0.1

“REGISTRATION OF AGRICULTURAL OPERATIONS AND PAYMENT OF PROPERTY TAXES

“36.0.1. An enterprise comprising capital and basic inputs, including at least one immovable used for an agricultural purpose, in a single economic and accounting unit may, in accordance with the terms determined by government regulation, register with the Minister as an agricultural operation.

The main object of registration is to facilitate agricultural operations’ access to measures, programs and services that may be implemented under this Act or under any other Act that is under the Minister’s administration.

A further object of registration is to collect from agricultural operations the information required for the purposes of this Act, including

(1) to evaluate and formulate the Government’s agricultural policy;

(2) to analyze and implement policies, programs or projects, to develop, process or validate economic, statistical or financial reference data or to achieve the integrated management of financial interventions; and

(3) to ascertain eligibility or continued eligibility for a benefit or right granted under this Act or under a program.

“36.0.2. Registration of an agricultural operation must be made using the registration statement prescribed by the Minister, indicating the prescribed information in the statement.

“36.0.3. A registered agricultural operation must, at the intervals and according to the terms determined by government regulation, update its registration in the statement prescribed by the Minister.

“36.0.4. The Minister may revoke the registration of an agricultural operation that applies for revocation or that fails to file an update statement in accordance with a regulation referred to in section 36.0.3.

The Minister may also revoke the registration of an agricultural operation that no longer meets the conditions required to be registered.

The revocation becomes effective on the agricultural operation's failure to meet any of the conditions required to be registered or failure to file an update statement, or on the receipt of the application for revocation.

“36.0.5. The Minister may, on the application of an agricultural operation, cancel the revocation of its registration for failure to file an update statement provided the application is accompanied by any update statement the agricultural operation failed to file and provided the agricultural operation has, since the revocation, met the other conditions for registration.

The registration is then deemed never to have been revoked.

“36.0.6. A decision of the Minister to refuse an application for registration or to revoke the registration of an agricultural operation that no longer meets the conditions required to be registered other than those pertaining to a failure to file an update statement must be in writing, include reasons, and be notified promptly to the agricultural operation.

“36.0.7. A decision rendered in accordance with section 36.0.6 may, within 60 days of its notification, be the subject of an application for review according to the terms determined by government regulation.

“36.0.8. The application for review must be dealt with promptly. After giving the applicant an opportunity to submit observations and produce any documents to complete the record, the person responsible for reviewing the decision renders a decision on the record, unless the person considers it necessary to proceed in some other manner. The person may confirm, quash or vary the decision under review.

The decision must be in writing, include reasons and be notified promptly to the applicant.

“36.0.9. A decision rendered under section 36.0.8 may, within 30 days of its notification, be contested before the Administrative Tribunal of Québec.

“36.0.10. A registered agricultural operation may, according to the terms determined by government regulation, apply to the Minister for payment, for a municipal fiscal year and for the school fiscal year ending in that municipal fiscal year, of an amount equal to the portion, determined in accordance with sections 36.0.13 and 36.0.14, of a municipal and school property tax, of a compensation for municipal services or of a tariff relating to an immovable used for an agricultural purpose that is included in a unit of assessment forming part of the agricultural operation and that is situated in an agricultural zone established under the Act respecting the preservation of agricultural land and agricultural activities (chapter P-41.1).

Where the agricultural operation is a producer within the meaning of the Farm Producers Act (chapter P-28), it must have paid, for the year preceding the year for which the application is made, the annual assessment exigible under Division VIII of that Act.

“Immovable” and “property tax” have the meaning assigned by section 1 of the Act respecting municipal taxation (chapter F-2.1) and the compensation for municipal services and tariff relating to an immovable referred to in the first paragraph are those established by a municipal by-law made under section 205 or 244.1 of that Act.

The Government may, by regulation, determine other terms relating to the payment provided for in the first paragraph.

“36.0.11. The right to a payment may, in the cases determined by government regulation, be refused or cancelled where, in the Minister’s opinion, the agricultural operation that filed the application is not operated in compliance with the Environment Quality Act (chapter Q-2) or an environmental protection by-law of a regional county municipality or a local municipality.

Any person entrusted with the application of an environmental protection by-law of a regional county municipality or a local municipality who ascertains that an offence against a provision of those by-laws has been committed must notify the Minister according to the terms determined by government regulation.

“36.0.12. An application for payment must be made using the form prescribed by the Minister, indicating the prescribed information in the form.

“36.0.13. For each immovable used for an agricultural purpose that is included in a unit of assessment for which an application may be made, the amount qualified for payment corresponds to 70% of the amount of the municipal and school property tax, of the compensation for municipal services and tariff applicable to the immovable, multiplied by the qualification rate of the immovable and by the inclusion rate of the taxable value of the unit of assessment.

The qualification rate corresponds to the fraction of the immovable which, in the year preceding the year for which the application is made, formed part of an agricultural operation for which the right to a payment was recognized by the Minister and which was situated in an agricultural zone established under the Act respecting the preservation of agricultural land and agricultural activities (chapter P-41.1).

The inclusion rate of the taxable value of the unit of assessment corresponds to the product obtained by multiplying the taxable value of the immovable that, in the year for which the application is made, forms part of a registered agricultural operation and is situated in an agricultural zone by the proportion that the number of days for which the unit of assessment formed part of the agricultural operation and agricultural zone in that year is of the number of days in the year.

For the purposes of the second and third paragraphs, where all or part of a unit of assessment is composed both of immovables belonging to the category of agricultural immovables and of land belonging to the category of forest immovables within the meaning of sections 244.36.0.1 and 244.36.1 of the Act respecting municipal taxation (chapter F-2.1), the two parts are considered to be a unit of assessment consisting entirely of immovables belonging to the category of agricultural immovables.

“36.0.14. In the case of land whose value per hectare exceeds \$1,975, the Minister shall pay, in addition to the amount computed under the first paragraph of section 36.0.13, an amount corresponding to 15% of the amount of municipal property tax based on the value and applicable to the land, multiplied by the fraction of the value per hectare of the land that exceeds \$1,975, by the qualification rate of the land and by the inclusion rate of the taxable value of the unit of assessment that are referred to in section 36.0.13.

As of 1 January 2022, the amount per hectare provided for in the first paragraph shall be indexed by operation of law on 1 January of each year on the basis of the rate corresponding to the annual variation in the Consumer Price Index for Canada as published by Statistics Canada under the Statistics Act (Revised Statutes of Canada, 1985, chapter S-19).

For the purposes of the second paragraph, the annual variation in the Consumer Price Index for a year shall be determined according to the terms prescribed by government regulation. The regulation may prescribe the rules for rounding off the indexed amount.

The Minister shall publish the results of the indexation in the *Gazette officielle du Québec*.

“36.0.15. A decision concerning the right to a payment must be in writing, include reasons and be notified promptly to the applicant.

The decision may, within 60 days of its notification, be the subject of an application for review according to the terms determined by government regulation.

“36.0.16. The Minister shall, without delay, send the local municipality concerned the information necessary for it to compute, for each unit of assessment, the amount qualified for payment under sections 36.0.13 and 36.0.14.

An amount equivalent to the qualified amount is credited by the municipality to the tax account relating to the unit of assessment concerned.

The Minister shall reimburse, on the application of the local municipality, the sum of the amounts credited to all tax accounts.

“36.0.17. If the municipality cannot credit a qualified amount to a tax account, the Minister may pay it directly to the applicant.

If the Minister considers that an amount has been credited to a tax account without entitlement, he may claim a reimbursement of the amount directly from the applicant.

“36.0.18. The Government may, by regulation, determine any other necessary measure for the purposes of this division or any exceptional measure for the purposes of sections 36.0.1 to 36.0.3, the first paragraph of section 36.0.10 and sections 36.0.11, 36.0.13 and 36.0.14.

“36.0.19. The Minister shall send the minister responsible for the administration of the Environment Quality Act (chapter Q-2) and the minister responsible for the administration of the Sustainable Forest Development Act (chapter A-18.1), and obtain from them, any information, including personal information, necessary for the purposes of this division.

“36.0.20. The Minister may, by notification of a notice, require any person to communicate to him, within a reasonable time he determines, any information or document relating to the application of this division.”

9. Divisions VII.1 and VII.2 of the Act, comprising sections 36.1 to 36.16, are repealed.

TRANSITIONAL AND FINAL PROVISIONS

38. Until the date of coming into force of the first regulation made by the Government under section 231.3.1 of the Act respecting municipal taxation (chapter F-2.1), enacted by section 17, for the purpose of computing any municipal property tax imposed on the whole territory of a municipality, the maximum taxable value that must be taken into account in any new property assessment roll drawn up after equilibration under the first paragraph of section 46.1 of the Act respecting municipal taxation is set at \$32,100 per hectare.

When a new roll is drawn up without the equilibration referred to in the first paragraph whereas the preceding roll was drawn up after such equilibration, the maximum taxable value that must be taken into account in the new roll is set at

(1) \$23,300 per hectare, if the preceding assessment roll came into force in 2018;

(2) \$27,600 per hectare, if the preceding assessment roll came into force in 2019; and

(3) \$29,800 per hectare, if the preceding assessment roll came into force in 2020.

39. The Government must, on the recommendation of the Minister of Agriculture, Fisheries and Food and the Minister of Municipal Affairs and Housing, according to the terms it determines, provide for a transitional financial assistance program for municipalities to reduce the fiscal impact resulting directly from the determination, pursuant to section 231.3.1 of the Act respecting municipal taxation, enacted by section 17, of a maximum taxable value entered on a property assessment roll.

The terms determined must, in particular, take into account the level of fiscal impact for the municipalities concerned.

The program is administered by the Minister of Agriculture, Fisheries and Food.

40. Unless the context indicates otherwise, in any Act and in any other document,

(1) a reference to a regulation made under section 36.15 of the Act respecting the Ministère de l'Agriculture, des Pêcheries et de l'Alimentation (chapter M-14) is replaced by a reference to section 36.0.1 of that Act; and

(2) a reference to a provision of the Act respecting the Ministère de l'Agriculture, des Pêcheries et de l'Alimentation that is amended by this Act is replaced by a reference to the corresponding provision, as enacted by this Act.

41. The notice of assessment filed in respect of a unit of assessment that includes a parcel of land whose maximum taxable value is determined under section 38 of this Act or under section 231.3.1 of the Act respecting municipal taxation, enacted by section 17 of this Act, must contain an indication of the exemption applicable for the purpose of computing any municipal property tax imposed on the whole territory of a municipality.

The notice of assessment filed in respect of a unit of assessment the forest area of which is registered in accordance with section 130 of the Sustainable Forest Development Act (chapter A-18.1) must contain an indication that the unit or the part of the unit including such an area, as the case may be, belongs to the category of forest immovables provided for in section 244.36.0.1 of the Act respecting municipal taxation, enacted by section 21.

The first and second paragraphs cease to have effect on the date of coming into force of any equivalent provision of a regulation made under paragraph 2 of section 263 of the Act respecting municipal taxation.

42. Sections 11, 13 to 33 and 41 apply for the purposes of any property assessment roll that comes into force after 31 December 2020.

43. Despite section 42, the alterations required to be made to a property assessment roll that is in force on 17 March 2020 and that must apply for the 2021 fiscal year, to take into account the alterations prescribed by the 2020 edition of the *Manuel d'évaluation foncière du Québec* for the conversion of information relating to the tax apportionments applicable to units of assessment including immovables included in an agricultural operation registered in accordance with a regulation made under section 36.15 of the Act respecting the Ministère de l'Agriculture, des Pêcheries et de l'Alimentation, must be made not later than 31 December 2020.

To make only those alterations provided for in the first paragraph, the assessor responsible files a global certificate for all the alterations.

No notice of alteration or copy of such a notice need be sent under section 180 of the Act respecting municipal taxation following alterations made by means of the global certificate.

The clerk or secretary-treasurer of the local municipality whose roll is altered by means of the global certificate must give a public notice, as set out in section 75 of the Act respecting municipal taxation, explaining in a general manner that the roll has been altered pursuant to the first paragraph.

No application for review may be filed and no action to quash or set aside may be brought with regard to alterations made by means of the global certificate.

44. The provisions of this Act come into force on 17 March 2020, except

(1) section 8, insofar as it enacts sections 36.0.1 to 36.0.9 of the Act respecting the Ministère de l'Agriculture, des Pêcheries et de l'Alimentation, section 9, insofar as it repeals Division VII.2 of that Act, sections 10 and 35 and paragraph 1 of section 40, which come into force on the date of coming into force of the first regulation made by the Government for the purposes of section 36.0.1 of the Act respecting the Ministère de l'Agriculture, des Pêcheries et de l'Alimentation, enacted by section 8;
