Order number 4273 of the Minister of Justice dated 26 May 2020

Code of Civil Procedure
(chapter C-25.01, art. 99)

Format of pleadings filed in technological media

THE MINISTER OF JUSTICE,

CONSIDERING article 99 of the Code of Civil Procedure (chapter C-25.01) which provides that, if the court office can receive pleadings in technological media, the pleading must be in one of the standardized formats determined by the Minister of Justice to ensure the proper operation of the court office;

CONSIDERING that, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), Order 2020-4252 of the Minister of Justice dated 16 March 2020, which concerns the format of pleadings filed in technological media with the court office of the Court of Appeal, was published in Part 2 of the *Gazette officielle du Québec* of 1 April 2020;

CONSIDERING that, under section 11 of that Act, this Order may not be made before the expiry of 45 days from its publication in the *Gazette officielle du Québec*;

CONSIDERING that, under section 12 of that Act, a proposed regulation may be made without having been published as provided for in section 8 of that Act, if the authority making it is of the opinion that the urgency of the situation requires it;

CONSIDERING that, under section 18 of that Act, a regulation may come into force on the date of its publication in the *Gazette officielle du Québec* where the authority that has made it is of the opinion that the urgency of the situation requires it;

CONSIDERING that, under sections 13 and 18 of that Act, the reason justifying the absence of prior publication and the reason justifying such coming into force must be published with the regulation;

Considering the public health emergency declared by Order in Council 177-2020 dated 13 March 2020 and renewed by Order in Council 222-2020 dated 20 March 2020, Order in Council 388-2020 dated 29 March 2020, Order in Council 418-2020 dated 7 April 2020, Order in Council 460-2020 dated 15 April 2020, Order in Council 483-2020 dated 29 April 2020, Order in Council 501-2020 dated 6 May 2020, 509-2020 dated 13 May 2020 and 531-2020 dated 20 May 2020;

Considering that it is expedient to determine a standardized format to ensure the proper operation of certain court offices that can receive pleadings in technological media;

Considering that the urgency of implementing technological means to support the activities of certain courts during the public health emergency justifies the absence of prior publication of this Order and its coming into force on the date of its publication in the *Gazette officielle du Québec*;

ORDERS AS FOLLOWS:

If the court office of the Court of Appeal, the Superior Court and the Court of Québec can receive pleadings in technological media, the pleading must be filed in PDF format.

This Order comes into force on 28 May 2020.
