Draft Regulations

Draft Regulation

An Act respecting the lands in the domain of the State (chapter T-8.1)

Sale, lease and granting of immovable rights on lands in the domain of the State

-Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Regulation respecting the sale, lease and granting of immovable rights on lands in the domain of the State, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation determines new reference values used to determine the rent for lands in the domain of the State leased for building cottages. It exempts the lessees of lands intended for purposes other than commercial or industrial purposes from paying survey costs, where such operations are necessary. It makes the transfer of a lease conditional on meeting the conditions of the lease. Lastly, it postpones the indexing of an amount that cannot be rounded up to the nearest dollar until the year in which the total of the postponed indexing rates increases the amount by \$1.

Study of the matter shows no impact on enterprises, including small and medium-sized businesses.

Further information on the draft Regulation may be obtained by contacting Laurent Girard, Direction des politiques et de l'intégrité du territoire, Ministère de l'Énergie et des Ressources naturelles, 5700, 4° Avenue Ouest, bureau E-318, Québec (Québec) G1H 6R1; telephone: 418 627-6362, extension 2622; fax: 418 644-2774; email: laurent.girard@mern.gouv.qc.ca.

Any person wishing to comment on the draft Regulation is requested to submit written comments within the 45-day period to Daniel Gaudreau, Associate Deputy Minister for the Territory, Ministère de l'Énergie et des Ressources naturelles, 5700, 4° Avenue Ouest, bureau E-330, Québec (Québec) G1H 6R1.

JONATAN JULIEN, Minister of Energy and Natural Resources
