“85.7. Where a taxpayer has made a valid election under subsection 1 of section 10.1 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), the following rules apply in respect of the taxation years to which the election applies for the purposes of that Act (each such taxation year being referred to in this section as a “particular taxation year”):

(a) where the taxpayer is a financial institution, within the meaning of section 851.22.1, in the particular taxation year, each eligible derivative held by the taxpayer in the particular year is, for the purposes of this Act and with the necessary modifications, deemed to be mark-to-market property, within the meaning of section 851.22.1, of the taxpayer for the particular year; and

(b) in any other case, the taxpayer is deemed

i. to have disposed, immediately before the end of the particular taxation year, of each eligible derivative held by the taxpayer at the end of that year and received proceeds of disposition or paid an amount, as the case may be, equal to the fair market value of the eligible derivative at the time of disposition, and

ii. to have reacquired, or reissued or renewed, at the end of the taxation year, each of the eligible derivatives referred to in subparagraph i at an amount equal to the proceeds of disposition or the amount paid, as the case may be, referred to in subparagraph i, in respect of the eligible derivative.

For the purposes of the first paragraph, where a taxpayer revokes, under subsection 2 of section 10.1 of the Income Tax Act and for the purposes of that Act, an election made under subsection 1 of that section 10.1, a taxation year in relation to which the revocation applies for the purposes of that Act is not a particular taxation year.

Chapter V.2 of Title II of Book I applies in relation to an election made under subsection 1 of section 10.1 of the Income Tax Act or an application for revocation made under subsection 2 of that section 10.1.

“85.8. For the purposes of sections 85.7 and 85.9 to 85.12, an eligible derivative of a taxpayer for a taxation year means a swap agreement, a forward purchase or sale agreement, a forward rate agreement, a futures agreement, an option agreement or a similar agreement, held in the year by the taxpayer, where

(a) the agreement is not a capital property, a Canadian resource property, a foreign resource property or an obligation on account of capital of the taxpayer;

(b) either

i. the taxpayer has produced audited financial statements prepared in accordance with generally accepted accounting principles for the taxation year, or

ii. if the taxpayer has not produced financial statements described in subparagraph i, the agreement has a readily ascertainable fair market value; and

(c) if the agreement is held by a financial institution within the meaning of section 851.22.1, the agreement is not a tracking property within the meaning of that section (other than an excluded property within the meaning of that section) of the financial institution.

“85.9. Where a taxpayer holds an eligible derivative at the beginning of its first taxation year in respect of which an election provided for in section 85.7 applies (in this section referred to as the “election year”) and, in the taxation year immediately preceding the election year, the taxpayer did not compute its profit or loss in respect of that eligible derivative in accordance with a method of profit computation that produces a substantially similar effect to that provided for in subparagraph *b* of the first paragraph of section 85.7, the following rules apply:

(*a*) the taxpayer is deemed

i. to have disposed of the eligible derivative immediately before the beginning of the election year and received proceeds of disposition or paid an amount, as the case may be, equal to the fair market value of the eligible derivative at that time, and

ii. to have reacquired, or reissued or renewed, the eligible derivative at the beginning of the election year at an amount equal to the proceeds of disposition or the amount paid, as the case may be, referred to in subparagraph i;

(*b*) the profit or loss that would arise, but for this paragraph, on the deemed disposition under subparagraph i of paragraph *a*

i. is deemed not to arise in the taxation year immediately preceding the election year, and

ii. is deemed to arise in the taxation year in which the taxpayer disposes of the eligible derivative (otherwise than under subparagraph i of subparagraph *b* of the first paragraph of section 85.7 or paragraph *a* of section 851.22.15); and

(*c*) for the purposes of section 175.9, in respect of the disposition of the eligible derivative referred to in subparagraph ii of paragraph *b*, the profit or loss deemed to arise because of the application of that subparagraph is included in determining the amount of the transferor’s loss, if any, from the disposition.

“85.10. Where section 85.7 does not apply to a taxpayer referred to in subparagraph *b* of the first paragraph of that section in respect of a taxation year, the taxpayer shall not use a method of profit computation that produces a substantially similar effect to that provided for in that subparagraph *b* for the purpose of computing the taxpayer’s income from a business or property in respect of a swap agreement, a forward purchase or sale agreement, a forward rate agreement, a futures agreement, an option agreement or a similar agreement for the year.

“85.11. For the purposes of sections 85.7 to 85.9, if an agreement that is an eligible derivative of a taxpayer is not a property of the taxpayer, the taxpayer is deemed

(*a*) to hold the eligible derivative at any time while the taxpayer is a party to the agreement; and

(b) to have disposed of the eligible derivative when it is settled or extinguished in respect of the taxpayer.

85.12. Where there has been an amalgamation, within the meaning of section 544, of two or more corporations and subparagraph *b* of the first paragraph of section 85.7 applies to a predecessor corporation, within the meaning of section 544, in its last taxation year, each eligible derivative of the predecessor corporation immediately before the end of its last taxation year is deemed to have been reacquired, or reissued or renewed, as the case may be, by the new corporation, within the meaning of section 544, at its fair market value immediately before the amalgamation.

Where the rules set out in sections 556 to 564.1 and 565 apply to the winding-up of a subsidiary, within the meaning of section 556, the subsidiary's taxation year in which an eligible derivative was distributed to, or assumed by, the parent, within the meaning of section 556, on the winding-up is deemed, for the purposes of subparagraph *b* of the first paragraph of section 85.7, to have ended immediately before the time when the eligible derivative was distributed or assumed."

(2) Subsection 1 applies to a taxation year that begins after 21 March 2017. However, for the purpose of applying section 21.4.7 of the Act to an election referred to in the first paragraph of section 85.7 of the Act before 24 September 2020, a taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 23 March 2021.

33. Section 87 of the Act is amended by replacing subparagraph *iv* of paragraph *w* by the following subparagraph:

"*iv.* may not reasonably be considered to be a payment made in respect of the acquisition by the particular person or the public authority of an interest in the taxpayer, a right in the taxpayer's business or a real right in the taxpayer's property, or"

34. Section 92.5 of the Act is replaced by the following section:

92.5. For the purposes of sections 92, 92.1, 92.7, 157.6 and 167, where a taxpayer acquires a right in a prescribed debt obligation, interest on the obligation, computed in prescribed manner, is deemed to accrue to the taxpayer in each taxation year during which the taxpayer holds the right."

35. Section 92.5.1 of the Act is amended by replacing the first paragraph by the following paragraph:

"Where a taxpayer disposes of a right in a debt obligation that is a debt obligation in respect of which the proportion of the payments of principal to which the taxpayer is entitled is not equal to the proportion of the payment of interest to which the taxpayer is entitled, such portion of the proceeds of

disposition received by the taxpayer as may reasonably be considered to represent a recovery of the cost to the taxpayer of the right in the debt obligation must not, despite any other provision of this Part, be included in computing the taxpayer's income."

36. (1) The Act is amended by inserting the following sections after section 113.3:

"113.4. Where, at a particular time, a person or partnership (in this section and sections 113.5 to 113.7 referred to as the "intended borrower") owes an amount as or on account of a debt or other obligation to pay an amount (in this section and sections 113.5 to 113.7 referred to as the "shareholder debt") to another person or partnership (in this section and sections 113.5 to 113.7 referred to as the "immediate funder") and the conditions of the second paragraph are met at that time, the intended borrower is, for the purposes of this division and sections 487.1 to 487.5.4, deemed to receive a loan at that time from each particular ultimate funder to whom the second paragraph refers, the amount of which is equal to the amount determined by the formula

$$(A \times B/C) - (D - E).$$

The conditions referred to in the first paragraph are as follows:

(a) in the absence of this section, section 113 would not apply in respect of the shareholder debt;

(b) at the particular time, a funder, in respect of a particular funding arrangement,

i. owes an amount to a person or partnership as or on account of a debt or other obligation to pay an amount that is not a debt or other obligation in respect of which section 113 applies, or would apply if it were not a pertinent loan or indebtedness within the meaning of section 113.1, and that is a debt or other obligation in respect of which either of the following conditions is met:

(1) recourse in respect of the debt or other obligation is limited in whole or in part, either immediately or in the future and either absolutely or contingently, to a funding arrangement, or

(2) it can reasonably be concluded that all or a portion of the particular funding arrangement was entered into or was permitted to remain owing because all or a portion of the debt or other obligation was entered into or was permitted to remain owing, or the funder anticipated that all or a portion of the debt or other obligation would become owing or remain owing, or

ii. has a specified right in respect of a particular property that was granted directly or indirectly by a person or partnership and

(1) the existence of the specified right is required under the terms and conditions of the particular funding arrangement, or

(2) it can reasonably be concluded that all or a portion of the particular funding arrangement was entered into, or was permitted to remain in effect, because the specified right was granted or the funder anticipated that it would be granted; and

(c) at the particular time, one or more funders is an ultimate funder.

In the formula in the first paragraph,

(a) A is the lesser of

i. the amount owing as or on account of the shareholder debt at the particular time, and

ii. the aggregate of all amounts each of which is, at the particular time,

(1) an amount owing as or on account of a debt or other obligation that is owed by a funder (other than an ultimate funder) to an ultimate funder under a funding arrangement in respect of the shareholder debt, or

(2) the fair market value of a particular property in respect of which an ultimate funder has granted a specified right to a funder (other than an ultimate funder) under a funding arrangement in respect of the shareholder debt;

(b) B is the aggregate of all amounts each of which is, at the particular time,

i. an amount owing as or on account of a debt or other obligation that is owed by a funder (other than an ultimate funder) to the particular ultimate funder under a funding arrangement in respect of the shareholder debt, or

ii. the fair market value of a particular property in respect of which the particular ultimate funder has granted a specified right to a funder (other than an ultimate funder) under a funding arrangement in respect of the shareholder debt;

(c) C is the aggregate determined under subparagraph ii of subparagraph a;

(d) D is the aggregate of all amounts each of which is, in respect of the shareholder debt, an amount that the intended borrower has been deemed under this section to have received from the particular ultimate funder as a loan at any time before the particular time; and

(e) E is the aggregate of all amounts each of which is a repayment deemed, under section 113.5 or 113.6, to have occurred before the particular time, in respect of a loan that has been deemed to have been received from the particular ultimate funder and that is referred to in subparagraph d.

“113.5. Where section 113.4 has applied, before a particular time, in respect of a shareholder debt to deem one or more loans to have been received by an intended borrower from a particular ultimate funder and, at that time, any of the conditions of the second paragraph is met, the intended borrower is, for the purposes of this division and sections 177 and 487.1 to 487.5.4, deemed to repay at that time, in whole or in part, one or more of the deemed loans, and the total amount of the deemed repayments is determined by the formula

$$A - B - (C \times D/E).$$

The conditions to which the first paragraph refers are as follows:

(a) an amount owing in respect of the shareholder debt is repaid in whole or in part;

(b) an amount owing as or on account of a debt or other obligation that is owed by a funder (other than an ultimate funder) to the particular ultimate funder under a funding arrangement in respect of the shareholder debt is repaid in whole or in part; and

(c) either

i. there is a decrease in the fair market value of a property in respect of which a specified right was granted by the particular ultimate funder to a funder (other than an ultimate funder) under a funding arrangement in respect of the shareholder debt, or

ii. a right described in subparagraph i is extinguished.

In the formula in the first paragraph,

(a) A is the aggregate of all amounts each of which is the amount of a loan deemed, under section 113.4, to have been received, at any time before the particular time, by an intended borrower from the particular ultimate funder in respect of the shareholder debt;

(b) B is the aggregate of all amounts deemed under this section to have been repaid, at any time before the particular time, by the intended borrower in respect of a loan referred to in subparagraph a;

(c) C is the lesser of

i. the amount owing as or on account of the shareholder debt, immediately after the particular time, and

ii. the aggregate of all amounts each of which is, immediately after the particular time,

(1) an amount owing as or on account of a debt or other obligation that is owed by a funder (other than an ultimate funder) to an ultimate funder under a funding arrangement in respect of the shareholder debt, or

(2) the fair market value of a particular property in respect of which an ultimate funder has granted a specified right to a funder (other than an ultimate funder) under a funding arrangement in respect of the shareholder debt;

(d) D is the aggregate of all amounts each of which is, immediately after the particular time,

i. an amount owing as or on account of a debt or other obligation that is owed by a funder (other than an ultimate funder) to the particular ultimate funder under a funding arrangement in respect of the shareholder debt, or

ii. the fair market value of a particular property in respect of which the particular ultimate funder has granted a specified right to a funder (other than an ultimate funder) under a funding arrangement in respect of the shareholder debt; and

(e) E is the aggregate determined under subparagraph ii of subparagraph c.

113.6. Where the amount determined, at a particular time, by the formula in the first paragraph of section 113.4 would, but for section 7.5, be less than zero, the intended borrower is, for the purposes of this division and sections 177 and 487.1 to 487.5.4, deemed to repay, in whole or in part, one or more of the loans deemed under section 113.4 to have been received, before that time, by the intended borrower from the particular ultimate funder and the total amount of the deemed repayments is equal to the absolute value of that negative amount.

113.7. In this section and sections 113.4 to 113.6,

“funder”, in respect of a funding arrangement, means

(a) if the funding arrangement is described in paragraph *a* of the definition of that expression, the immediate funder;

(b) if the funding arrangement is described in paragraph *b* of the definition of that expression, the creditor in respect of the debt or other obligation or the grantor of the specified right, as the case may be; or

(c) a person or partnership who does not deal at arm’s length with a person or partnership referred to in paragraph *a* or *b*;

“funding arrangement” means

(a) the shareholder debt; and

(b) each debt or other obligation or specified right, owing by or granted to a funder, in respect of a particular funding arrangement, if the conditions of subparagraph i or ii, as the case may be, of subparagraph b of the second paragraph of section 113.4 are met in respect of the debt or other obligation or specified right;

“specified right” has the meaning assigned by subparagraph b.5.1 of the first paragraph of section 172, with the necessary modifications;

“ultimate funder” means a funder whose substitution to the immediate funder as creditor of the shareholder debt would result in the application of section 113 in respect of the shareholder debt.”

(2) Subsection 1 applies,

(1) if the immediate funder in respect of a shareholder debt is a debtor, or holder of a specified right, under a funding arrangement under which an ultimate funder is the creditor or the grantor of the specified right,

(a) in respect of a loan received or an indebtedness incurred in respect of the shareholder debt after 21 March 2016, or

(b) in respect of any portion of a particular loan received or particular indebtedness incurred in respect of the shareholder debt before 22 March 2016 that remains owing on that day, as if that portion were a separate loan or separate indebtedness that was received or incurred, as the case may be, on 22 March 2016 in the same manner and on the same terms as the particular loan or particular indebtedness; and

(2) in any other case,

(a) in respect of a loan received or an indebtedness incurred after 31 December 2016, or

(b) in respect of any portion of a particular loan received or particular indebtedness incurred before 1 January 2017 that remains owing on that day, as if that portion were a separate loan or separate indebtedness that was received or incurred, as the case may be, on 1 January 2017 in the same manner and on the same terms as the particular loan or particular indebtedness.

37. (1) The Act is amended by inserting the following divisions after section 156.7.3:

“DIVISION VIII.2.3

“ADDITIONAL DEDUCTION OF 35% OR 60% IN RESPECT OF CERTAIN INVESTMENTS

“156.7.4. Subject to section 156.7.5, a taxpayer may deduct, in computing the taxpayer’s income from a business for a taxation year, an amount equal to the amount determined, in respect of a prescribed depreciable property, by the formula

(2) in any other case, one half of the capital cost of the property at the end of the year,

ii. where the taxation year is the particular year that follows the year referred to in subparagraph i, the amount by which the capital cost of the property at the end of the particular year exceeds the portion of the amount deducted by the taxpayer in computing the taxpayer's income for the preceding year under paragraph *a* of section 130 that is attributable to the property, or

iii. in any other case, zero; and

(c) C is the undepreciated capital cost at the end of the year of property of the prescribed class that includes the property, determined for the purpose of computing the amount that is deductible by the taxpayer in computing the taxpayer's income for the year under paragraph *a* of section 130 before any deduction under that paragraph *a* for the year.

“156.7.5. The amount that a taxpayer may deduct in computing the taxpayer's income from a business for a particular taxation year under section 156.7.4, in respect of a property acquired after 20 November 2018, may not exceed

ii. in the case where the property is included in Class 53 of Schedule B to the Regulation respecting the Taxation Act, the product obtained by multiplying 15% of the capital cost of the property at the end of the particular year by the proportion that the number of days in the particular year is of 365; or

(b) where the particular year is the year following the year referred to in subparagraph *a*, the lesser of

i. the total of

(1) the amount by which the amount computed under section 156.7.4 in respect of the property for the year referred to in subparagraph *a* exceeds the amount determined under that subparagraph in respect of the property for that year, and

The amount to which subparagraph 2 of subparagraph ii of subparagraph *b* of the first paragraph refers is

(a) 23.9% of the capital cost of the property at the end of the particular year, if it is included in Class 50 of Schedule B to the Regulation respecting the Taxation Act; or

(b) 22.5% of the capital cost of the property at the end of the particular year, if it is included in Class 53 of Schedule B to the Regulation respecting the Taxation Act.

ii. an interest in a partnership,

iii. an interest in a trust,

iv. a commodity,

v. foreign currency,

vi. a swap agreement, a forward purchase or sale agreement, a forward rate agreement, a futures agreement, an option agreement or a similar agreement,

vii. a debt owed to or owing by the person or partnership that, at any time,

(1) is denominated in a foreign currency,

(2) would be described in subparagraph *d* of the first paragraph of section 92.5R3 of the Regulation respecting the Taxation Act (chapter I-3, r. 1) if that subparagraph were read without reference to " , other than one described in any of subparagraphs *a* to *c*," , or

(3) is convertible into or exchangeable for a right in any property that is described in any of subparagraphs *i* to *iv*,

viii. an obligation to transfer or return to another person or partnership a property identical to a particular property described in any of subparagraphs *i* to *vii* that was previously transferred or lent to the person or partnership by that other person or partnership, or

ix. a right in any property that is described in any of subparagraphs i to vii; and

(b) it is reasonable to conclude that, if there is more than one property, obligation or liability, each of them is held in connection with each other;

“successor position”, in respect of a position (in this definition referred to as the “initial position”), means a particular position if

(a) the particular position is an offsetting position in respect of a second position;

(b) the second position was an offsetting position in respect of the initial position that was disposed of at a particular time; and

(c) the particular position was entered into during the period that begins 30 days before, and ends 30 days after, the particular time;

“unrecognized loss”, in respect of a position of a person or partnership at a particular time in a taxation year, means the loss, if any, that would be deductible in computing the income of the person or partnership for the year with respect to the position if it were disposed of immediately before the particular time for proceeds of disposition equal to its fair market value at the time of disposition;

“unrecognized profit”, in respect of a position of a person or partnership at a particular time in a taxation year, means the profit, if any, that would be included in computing the income of the person or partnership for the year with respect to the position if it were disposed of immediately before the particular time for proceeds of disposition equal to its fair market value at the time of disposition.

175.12. Subject to section 175.13, the rule set out in the second paragraph applies in respect of the disposition of a particular position by a person or partnership (in this section and sections 175.13 and 175.15 referred to as the “transferor”), if

(a) the disposition is not a deemed disposition under any of Divisions I to III of Chapter III of Title VII, section 653, Chapter I of Title I.1 of Book VI or section 832.1 or 999.1;

(b) the transferor is not a financial institution (within the meaning of section 851.22.1), a mutual fund corporation or a mutual fund trust; and

(c) the particular position was, immediately before its disposition, not a capital property, or an obligation or liability on account of capital, of the transferor.

Where the conditions of the first paragraph are met in respect of the disposition of a particular position by a transferor, the portion of the transferor's loss, if any, from the disposition of the particular position that is deductible in computing the transferor's income for a particular taxation year is equal to the amount determined by the formula

$$A + B - C.$$

In the formula in the second paragraph,

(a) A is

i. if the particular taxation year is the taxation year in which the disposition occurs, the amount of the loss determined with reference to section 175.9 but without reference to this section, and

ii. in any other taxation year, nil;

(b) B is

i. if the disposition occurred in a taxation year preceding the particular taxation year, the amount determined under subparagraph *c* in respect of the disposition for the taxation year preceding the particular taxation year, and

ii. in any other case, nil; and

(c) C is the lesser of

i. the amount determined under subparagraph *a* for the taxation year in which the disposition occurs, and

ii. the amount determined by the formula

$$D - (E + F).$$

In the formula in subparagraph ii of subparagraph *c* of the third paragraph,

(a) D is the aggregate of all amounts each of which is equal to the amount of unrecognized profit at the end of the particular taxation year in respect of

i. the particular position,

ii. positions that are offsetting positions in respect of the particular position or those that would be such offsetting positions, to the extent that there is no successor position in respect of the particular position, if the particular position continued to be held by the transferor,

iii. successor positions in respect of the particular position, and

iv. positions that are offsetting positions in respect of any successor position referred to in subparagraph iii or those that would be such offsetting positions if any such successor position continued to be held by the transferor;

(b) E is the aggregate of all amounts each of which is equal to the amount of unrecognized loss at the end of the particular taxation year in respect of positions referred to in subparagraphs i to iv of subparagraph a; and

(c) F is the aggregate of all amounts each of which is equal to the amount determined by the formula

$G - H$.

In the formula in subparagraph c of the fourth paragraph,

(a) G is the amount determined under subparagraph a of the third paragraph for the taxation year in which the disposition occurs in respect of another position that was disposed of prior to the disposition of the particular position, if

i. the particular position was a successor position in respect of the other position, and

ii. the other position was

(1) an offsetting position in respect of the particular position,

(2) an offsetting position in respect of a position in respect of which the particular position was a successor position, or

(3) the particular position; and

(b) H is the aggregate of all amounts each of which is, in respect of another position described in subparagraph a, an amount determined under the second paragraph for the particular taxation year or a preceding taxation year.

For the purposes of subparagraph iii of subparagraph a of the fourth paragraph, subparagraph i of subparagraph a of the fifth paragraph and subparagraph 2 of subparagraph ii of that subparagraph a, a successor position in respect of a position includes a successor position that is in respect of a successor position in respect of the position.

“175.13. Section 175.12 does not apply in respect of a particular position of a transferor if

(a) the following conditions are met:

i. either the particular position, or the offsetting position in respect of the particular position, consists of

(1) commodities that the holder of the position manufactures, produces, grows, extracts or processes, or

(2) debt that the holder of the position incurs in the course of a business that consists of one or any combination of the activities described in subparagraph 1, and

ii. it can reasonably be considered that the position not described in subparagraph i—the particular position if the position that is described in subparagraph i is the offsetting position, or the offsetting position if the position that is described in that subparagraph i is the particular position—is held to reduce the risk, with respect to the position described in subparagraph i, from

(1) in the case of a position described in subparagraph i that consists of commodities described in subparagraph 1 of that subparagraph i, price changes or fluctuations in the value of currency with respect to such commodities, or

(2) in the case of a position described in subparagraph i that consists of a debt described in subparagraph 2 of that subparagraph i, fluctuations in interest rates or in the value of currency with respect to the debt;

(b) the transferor or a connected person (in this subparagraph referred to as the “holder”) continues to hold a position—that would be an offsetting position in respect of the particular position if the particular position continued to be held by the transferor—throughout a 30-day period beginning on the date of disposition of the particular position, and at no time during the period

i. is the holder’s risk of loss or opportunity for gain or profit with respect to the position reduced in any material respect by another position entered into or disposed of by the holder, or

ii. would the holder’s risk of loss or opportunity for gain or profit with respect to the position be reduced in any material respect by another position entered into or disposed of by a connected person, if the other position were entered into or disposed of by the holder; or

(c) it can reasonably be considered that none of the main purposes of the series of transactions or events, or any of the transactions or events in the series, of which the holding of both the particular position and offsetting position are part, is to avoid, reduce or defer tax that would otherwise be payable under this Act.

“175.14. For the purposes of this division,

(a) if a position of a person or partnership is not a property of the person or partnership, the person or partnership is deemed

i. to hold the position at any time while it is a position of the person or partnership, and

ii. to have disposed of the position when the position is settled or extinguished in respect of the person or partnership;

(b) the disposition of a position is deemed to include the disposition of a portion of the position;

(c) a first position held by one or more persons or partnerships referred to in paragraph *a* of the definition of “offsetting position” in section 175.11 is deemed to be an offsetting position in respect of a particular position of a person or partnership if

i. there is a high degree of negative correlation between changes in value of the first position and that of the particular position, and

ii. it can reasonably be considered that the principal purpose of the series of transactions or events, or any of the transactions in the series, of which the holding of both the first position and the particular position are part, is to avoid, reduce or defer tax that would otherwise be payable under this Act; and

(d) one or more positions held by one or more persons or partnerships referred to in paragraph *a* of the definition of “offsetting position” in section 175.11 are deemed to be a successor position in respect of a particular position of a person or partnership if

i. a portion of the particular position was disposed of at a particular time,

ii. the position is, or the positions include, as the case may be, a position that consists of the portion of the particular position that was not disposed of (in this paragraph referred to as the “remaining portion of the particular position”),

iii. where there is more than one position, any position that does not consist of the remaining portion of the particular position was entered into during the period that begins 30 days before, and ends 30 days after, the particular time referred to in subparagraph i,

iv. the position is, or the positions taken together would be, as the case may be, an offsetting position in respect of a second position (within the meaning assigned by the definition of “successor position” in section 175.11),

v. the second position described in subparagraph iv was an offsetting position in respect of the particular position, and

vi. it can reasonably be considered that the principal purpose of the series of transactions or events, or any of the transactions in the series, of which the disposition of a portion of the particular position and the holding of one or more positions are part, is to avoid, reduce or defer tax that would otherwise be payable under this Act.

“175.15. The presumption provided for in the second paragraph applies where

(a) at any time in a particular taxation year of a transferor, a position referred to in any of subparagraphs ii to iv of subparagraph *a* of the fourth paragraph of section 175.12 (in this section referred to as the “gain position”) is held by a connected person;

(b) the connected person disposes of the gain position in the particular taxation year; and

(c) the taxation year of the connected person in which the disposition referred to in subparagraph *b* occurs ends after the end of the particular taxation year.

Where the conditions of the first paragraph are met, the portion of the profit, if any, realized from the disposition of the gain position referred to in subparagraph *b* of the first paragraph that is determined by the following formula is deemed, for the purposes of the definition of “unrecognized profit” in section 175.11 and the second paragraph of section 175.12, to be unrecognized profit in respect of the gain position until the end of the taxation year of the connected person in which the disposition occurs:

$$A \times B/C.$$

In the formula in the second paragraph,

(a) *A* is the amount of the profit otherwise determined;

(b) *B* is the number of days in the taxation year of the connected person in which the disposition referred to in subparagraph *b* of the first paragraph occurs that are after the end of the particular taxation year; and

(c) *C* is the total number of days in the taxation year of the connected person in which the disposition referred to in subparagraph *b* of the first paragraph occurs.”

(2) Subsection 1 applies in respect of a position (as defined in section 175.11 of the Act, enacted by subsection 1) of a person or partnership where

(1) the position is acquired, entered into, renewed or extended, or becomes owing, by the person or partnership after 21 March 2017; or

(2) an offsetting position (as defined in section 175.11 of the Act, enacted by subsection 1) in respect of the position is acquired, entered into, renewed or extended, or becomes owing, by the person or partnership or a connected person (within the meaning assigned by subparagraph ii of paragraph *a* of the definition of “offsetting position” in that section 175.11) after 21 March 2017.

47. (1) Section 230 of the Act is amended by replacing “in respect of” in subparagraph ii of subparagraph *c* of the first paragraph by “for”.

(2) Subsection 1 has effect from 14 December 2017.

49. (1) The Act is amended by inserting the following section after section 230.0.0.4.1:

(2) Subsection 1 has effect from 14 December 2017.

50. (1) Section 238 of the Act is amended by replacing paragraph *a* by the following paragraph:

52. (1) Section 262.0.1 of the Act is amended

(2) by striking out subparagraph *c* of the first paragraph;

(3) by replacing the second paragraph by the following paragraph:

“The rules to which the first paragraph refers, in relation to the borrowing party’s capital gain or capital loss in respect of the repayment of the loan or indebtedness that would be determined, in the absence of this section, under section 262, are the following:

(a) in the case of a capital gain, the gain is to be reduced,

i. if the creditor is a creditor affiliate, by an amount, not exceeding that capital gain, that is equal to twice the aggregate of all amounts each of which is an amount that would—in the absence of subparagraph *ii* of paragraph *g* of subsection 2 of section 40 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) and paragraph *g.04* of subsection 2 of section 95 of that Act and on the assumption that the creditor affiliate’s capital loss in respect of the repayment of the loan or indebtedness were a capital gain of the creditor affiliate, the creditor affiliate had no other income,

loss, capital gain or capital loss for any taxation year, and no other foreign affiliate of a qualifying entity had any income, loss, capital gain or capital loss for any taxation year—be included in computing a qualifying entity's income for the purposes of the Income Tax Act under subsection 1 of section 91 of that Act for its taxation year that includes the last day of the taxation year of the creditor affiliate that includes the later time, or

ii. if the creditor is a creditor partnership, by an amount, not exceeding that capital gain, that is equal to twice the amount that is the total of each amount, determined in respect of a particular member of the creditor partnership that is a foreign affiliate of a qualifying entity, that is equal to the aggregate of all amounts each of which is an amount that would—in the absence of subparagraph ii of paragraph *g* of subsection 2 of section 40 of the Income Tax Act and paragraph *g.04* of subsection 2 of section 95 of that Act and on the assumption that the creditor partnership's capital loss in respect of the repayment of the loan or indebtedness were a capital gain of the creditor partnership, the particular member had no other income, loss, capital gain or capital loss for any taxation year, and no other foreign affiliate of a qualifying entity had any income, loss, capital gain or capital loss for any taxation year—be included in computing a qualifying entity's income for the purposes of the Income Tax Act under subsection 1 of section 91 of that Act for its taxation year that includes the last day of the taxation year of the particular member that includes the last day of the creditor partnership's fiscal period that includes the later time; and

entity's income for the purposes of the Income Tax Act under subsection 1 of section 91 of that Act for its taxation year that includes the last day of the taxation year of the particular member that includes the last day of the creditor partnership's fiscal period that includes the later time.”;

(4) by adding the following paragraphs at the end:

Chapter V.2 of Title II of Book I of Part I applies in relation to an election referred to in the third paragraph. However, for the application of section 21.4.7 to such an election, a taxpayer is deemed to have complied with a requirement of section 21.4.6 if the taxpayer complies with it on or before 23 March 2021.”

(2) Subsection 1 applies in respect of any portion of a loan received or indebtedness incurred before 20 August 2011 that remains outstanding on 19 August 2011 and that is repaid, in whole or in part, before 20 August 2016.

57. Section 333.9 of the Act is amended by replacing subparagraph *b* of the second paragraph by the following subparagraph:

(*a*) for the purpose of computing the insurer’s income or loss from carrying on an insurance business in Canada for the particular taxation year, the insurer’s insurance business carried on in Canada is deemed to include the insurance of the specified Canadian risks that are insured as part of the designated foreign insurance business;

(*b*) if the agreeing party is a life insurer resident in Canada, any income from the activities referred to in subparagraph *a* (including income that pertains to or is incident to those activities) is deemed to be income from carrying on the life insurer’s insurance business in Canada.

“838.4. A life insurer that is resident in Canada for a taxation year must include, in computing its income or loss from carrying on its insurance business in Canada for the year, the amount it is required to include for the year in that computation, for the purposes of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), under subsection 2.5 of section 138 of that Act, except to the extent that that amount is already included in computing its income or loss from carrying on its insurance business in Canada under any of sections 838.1 to 838.3.

i. the particular life insurer insured the risk as part of a transaction or series of transactions,

ii. the risk would not be a specified Canadian risk if this Act were read without reference to this section, and

“§2. — *Credit*

“**1029.8.36.59.50.** A qualified corporation for a taxation year that encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000 is deemed, subject to the fifth paragraph, to have paid to the Minister on the corporation’s balance-due day for that year, on account of its tax payable for that year under this Part, an amount equal to the aggregate of

(a) the product obtained by multiplying the aggregate of all amounts each of which is the amount of its qualified expenditure for the year, in relation to an eligible employee of the corporation for the year, by the corporation’s eligible rate for the year;

(b) the product obtained by multiplying the aggregate of all amounts each of which is the amount of its specified expenditure for the year, in relation to a specified employee of the corporation for the year, by the corporation’s specified rate for the year; and

(c) where the qualified corporation is a member of a qualified partnership at the end of a fiscal period of the partnership that ends in the taxation year, the aggregate of

i. the product obtained by multiplying the aggregate of all amounts each of which is its share, for the fiscal period, of the qualified partnership’s qualified expenditure for the fiscal period, in relation to an eligible employee of the partnership for the fiscal period, by the partnership’s eligible rate for the fiscal period, and

ii. the product obtained by multiplying the aggregate of all amounts each of which is its share, for the fiscal period, of the qualified partnership’s specified expenditure for the fiscal period, in relation to a specified employee of the partnership for the fiscal period, by the partnership’s specified rate for the fiscal period.

The eligible rate of a corporation or partnership to which subparagraph *a* of the first paragraph and subparagraph *i* of subparagraph *c* of that paragraph refer, for a taxation year of the corporation or a fiscal period of the partnership, as the case may be, is determined by the formula

$$75\% - (75\% \times A/B).$$

The specified rate of a corporation or partnership to which subparagraph *b* of the first paragraph and subparagraph ii of subparagraph *c* of that paragraph refer, for a taxation year of the corporation or a fiscal period of the partnership, as the case may be, is determined by the formula

$$50\% - (50\% \times A/B).$$

In the formulas in the second and third paragraphs,

(a) A is the amount by which \$1,000,000 is exceeded by the lesser of the total payroll of the qualified corporation for the calendar year that ended in the taxation year or of the qualified partnership for the calendar year that ended in the fiscal period, as the case may be, and the total payroll threshold of the qualified corporation or the qualified partnership for that calendar year; and

(b) B is the amount by which \$1,000,000 is exceeded by the total payroll threshold of the qualified corporation for the calendar year that ended in the taxation year or of the qualified partnership for the calendar year that ended in the fiscal period, as the case may be.

For the purpose of computing the payments that a qualified corporation referred to in the first paragraph is required to make under subparagraph *a* of the first paragraph of section 1027, or any of sections 1159.7, 1175 and 1175.19 where they refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of the corporation's tax payable for the year under this Part and of the corporation's tax payable for the year under Parts IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(a) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

For the purposes of this section, the share of a member of a partnership of an amount for a fiscal period is equal to the agreed proportion of the amount in respect of the member for the fiscal period.

1029.8.36.59.51. For the purposes of this division and subject to the second and third paragraphs, the following rules apply:

(a) the qualified expenditure of a qualified corporation or of a qualified partnership for a taxation year of the corporation or a fiscal period of the partnership, in relation to an eligible employee and in respect of a calendar

year, may not exceed the quotient obtained by dividing \$1,875 by the eligible rate of the corporation for the taxation year or of the partnership for the fiscal period, as the case may be; and

(b) the specified expenditure of a qualified corporation or of a qualified partnership for a taxation year of the corporation or a fiscal period of the partnership, in relation to a specified employee and in respect of a calendar year, may not exceed the quotient obtained by dividing \$1,250 by the specified rate of the corporation for the taxation year or of the partnership for the fiscal period, as the case may be.

For the purpose of determining the qualified expenditure or the specified expenditure of a qualified corporation for a taxation year or of a qualified partnership for a fiscal period, where, at the end of a calendar year that ends in the taxation year or fiscal period, as the case may be, the qualified corporation or qualified partnership is a member of an associated group and more than one member of the group (each of whom being referred to in this section as a “particular member”) paid, in a calendar year, an amount on account of a salary, wages or other remuneration to the same employee who is, for each of the particular members, an eligible employee or a specified employee for the taxation year or fiscal period, as the case may be, of the particular member in which the calendar year ended, the qualified expenditure or the specified expenditure of the qualified corporation for the year or of the qualified partnership for the fiscal period, in relation to the employee, is, subject to the third paragraph, equal to zero.

Despite the second paragraph, where the particular members have filed with the Minister, in the prescribed form, an agreement whereby, for the purposes of this division, they allocate an amount to one or more of them as a qualified expenditure or specified expenditure for the taxation year or fiscal period, as the case may be, in relation to the same eligible employee or specified employee, the following rules apply:

(a) the amount of the qualified expenditure of the qualified corporation for the taxation year or of the qualified partnership for the fiscal period, as the case may be, in relation to that eligible employee, is deemed to be equal, where the product obtained by multiplying the aggregate of all amounts each of which is the amount so allocated to a particular member, in relation to the eligible employee, by the eligible rate of the qualified corporation for the taxation year or of the qualified partnership for the fiscal period, as the case may be, does not exceed \$1,875, to the amount so allocated to the corporation for the year or to the partnership for the fiscal period; and

(b) the amount of the specified expenditure of the qualified corporation for the taxation year or of the qualified partnership for the fiscal period, as the case may be, in relation to the specified employee, is deemed to be equal, where the product obtained by multiplying the aggregate of all amounts each of which is the amount so allocated to a particular member, in relation to the specified employee, by the specified rate of the qualified corporation for the taxation

year or of the qualified partnership for the fiscal period, as the case may be, does not exceed \$1,250, to the amount so allocated to the corporation for the year or to the partnership for the fiscal period.

For the purposes of subparagraphs *a* and *b* of the third paragraph, the eligible rate and the specified rate of a corporation or of a partnership for a taxation year or fiscal period, as the case may be, are those determined for the year or fiscal period in accordance with the second and third paragraphs of section 1029.8.36.59.50.

For the purposes of this section, an associated group, at the end of a calendar year, means all the qualified corporations and qualified partnerships that are associated with each other at that time.

“§3. — *Government assistance, non-government assistance and other particulars*

“**1029.8.36.59.52.** For the purpose of computing the amount that is deemed to have been paid to the Minister by a corporation, for a taxation year, under section 1029.8.36.59.50, the following rules apply:

(*a*) the amount of the corporation’s qualified expenditure or specified expenditure referred to in subparagraph *a* or *b* of the first paragraph of section 1029.8.36.59.50 is to be reduced, if applicable, by the amount of any government assistance or non-government assistance, attributable to the expenditure, that the corporation has received, is entitled to receive or may reasonably expect to receive on or before the corporation’s filing-due date for the taxation year; and

(*b*) the corporation’s share of the qualified expenditure or specified expenditure referred to in subparagraph *i* or *ii* of subparagraph *c* of the first paragraph of section 1029.8.36.59.50 of a partnership of which the corporation is a member, for a fiscal period of the partnership that ends in the corporation’s taxation year, is to be reduced, if applicable,

i. by the corporation’s share of the amount of any government assistance or non-government assistance, attributable to that expenditure, that the partnership has received, is entitled to receive or may reasonably expect to receive on or before the day that is six months after the end of the fiscal period, and

ii. by the amount of any government assistance or non-government assistance, attributable to that expenditure, that the corporation has received, is entitled to receive or may reasonably expect to receive on or before the day that is six months after the end of the fiscal period.

For the purposes of subparagraph *i* of subparagraph *b* of the first paragraph, the share of a corporation, for a fiscal period of a partnership, of the amount of any government assistance or non-government assistance that the partnership has received, is entitled to receive or may reasonably expect to receive, is equal to the agreed proportion of the amount in respect of the corporation for the fiscal period.

“1029.8.36.59.53. Where, in respect of a qualified expenditure or specified expenditure of a qualified corporation for a taxation year or of a qualified partnership of which the qualified corporation is a member, for a fiscal period of that partnership that ends in the corporation’s taxation year, a person or a partnership has obtained, is entitled to obtain or may reasonably expect to obtain a benefit or advantage, other than a benefit or advantage that arises from the payment of an eligible contribution, whether in the form of a reimbursement, compensation or guarantee, in the form of proceeds of disposition of a property which exceed the fair market value of the property, or in any other form or manner, the following rules apply for the purpose of computing the amount that is deemed to have been paid to the Minister, for the taxation year, by the qualified corporation under section 1029.8.36.59.50:

(*a*) the amount of the corporation’s qualified expenditure or specified expenditure referred to in subparagraph *a* or *b* of the first paragraph of section 1029.8.36.59.50 is to be reduced, if applicable, by the amount of the benefit or advantage that the person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain on or before the corporation’s filing-due date for the taxation year; and

(*b*) the corporation’s share of the partnership’s qualified expenditure or specified expenditure referred to in subparagraph *i* or *ii* of subparagraph *c* of the first paragraph of section 1029.8.36.59.50 is to be reduced, if applicable,

i. by the corporation’s share of the amount of the benefit or advantage that a partnership or a person, other than a person referred to in subparagraph *ii*, has obtained, is entitled to obtain or may reasonably expect to obtain, on or before the day that is six months after the end of the fiscal period, and

ii. by the amount of the benefit or advantage that the corporation or a person with whom it does not deal at arm’s length has obtained, is entitled to obtain or may reasonably expect to obtain on or before the day that is six months after the end of the fiscal period.

For the purposes of subparagraph *i* of subparagraph *b* of the first paragraph, the share of a corporation, for a fiscal period of a partnership, of the amount of the benefit or advantage that a partnership or a person has obtained, is entitled to obtain or may reasonably expect to obtain, is equal to the agreed proportion of the amount in respect of the corporation for the fiscal period.

“1029.8.36.59.54. Where, in a taxation year (in this section referred to as the “repayment year”), a corporation pays, pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph *a* of the first paragraph of section 1029.8.36.59.52, the corporation’s qualified expenditure or specified expenditure for a particular taxation year for the purpose of computing the amount that the corporation is deemed to have paid to the Minister for the particular year under section 1029.8.36.59.50, the corporation is deemed, if the corporation encloses the prescribed form containing prescribed information with the fiscal return the corporation is required to file for the repayment year under section 1000, to have paid to the Minister on the corporation’s balance-due day for the repayment year, on account of its tax payable for that year under this Part, an amount equal to the amount by which the amount that the corporation would be deemed to have paid to the Minister for the particular year under section 1029.8.36.59.50, in respect of the qualified expenditure or the specified expenditure, as the case may be, if any amount of such assistance so repaid at or before the end of the repayment year had reduced, for the particular year, the amount of any government assistance or non-government assistance referred to in subparagraph *a* of the first paragraph of section 1029.8.36.59.52, exceeds the aggregate of

(*a*) the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.59.50 for the particular year in respect of the qualified expenditure or the specified expenditure, as the case may be; and

(*b*) any amount that the corporation is deemed to have paid to the Minister under this section for a taxation year preceding the repayment year in respect of an amount of repayment of that assistance.

“1029.8.36.59.55. Where, in a fiscal period (in this section referred to as the “fiscal period of repayment”), a partnership pays, pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph *i* of subparagraph *b* of the first paragraph of section 1029.8.36.59.52, a corporation’s share of the partnership’s qualified expenditure or specified expenditure for a particular fiscal period, for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.59.50, in respect of the share, for its taxation year in which the particular fiscal period ended, the corporation is deemed to have paid to the Minister on the corporation’s balance-due day for its taxation year in which the fiscal period of repayment ends, on account of its tax payable for that year under this Part, if the corporation is a member of the partnership at the end of the fiscal period of repayment and if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the particular amount that the corporation would be deemed, if the assumptions set out in the second paragraph were taken into account, to have paid to the Minister under section 1029.8.36.59.50 for its taxation year in which the particular fiscal period ends, in respect of the share, exceeds the aggregate of

(a) the amount that the corporation would be deemed to have paid to the Minister under section 1029.8.36.59.50, for its taxation year in which the particular fiscal period ends, in respect of the share, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment; and

(b) any amount that the corporation would be deemed to have paid to the Minister under this section for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of that assistance repaid by the partnership, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The particular amount to which the first paragraph refers is to be computed as if

(a) any amount of assistance repaid at or before the end of the fiscal period of repayment reduced, for the particular fiscal period, the amount of any government assistance or non-government assistance referred to in subparagraph i of subparagraph *b* of the first paragraph of section 1029.8.36.59.52; and

(b) the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

“1029.8.36.59.56. Where a corporation is a member of a partnership at the end of a fiscal period of the partnership (in this section referred to as the “fiscal period of repayment”) and pays, in the fiscal period of repayment, pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph ii of subparagraph *b* of the first paragraph of section 1029.8.36.59.52, its share of the partnership’s qualified expenditure or specified expenditure for a particular fiscal period, for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.59.50, in respect of the share, for its taxation year in which the particular fiscal period ended, the corporation is deemed to have paid to the Minister on the corporation’s balance-due day for its taxation year in which the fiscal period of repayment ends, on account of its tax payable for that year under this Part, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the particular amount that the corporation would be deemed, if the assumptions set out in the second paragraph were taken into account, to have paid to the Minister under section 1029.8.36.59.50 for its taxation year in which the particular fiscal period ends, in respect of the share, exceeds the aggregate of

(a) the amount that the corporation would be deemed to have paid to the Minister under section 1029.8.36.59.50 for its taxation year in which the particular fiscal period ends, in respect of the share, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment; and

(b) any amount that the corporation would be deemed to have paid to the Minister under this section for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of that assistance repaid by the corporation, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The particular amount to which the first paragraph refers is to be computed as if

(a) any amount of assistance repaid at or before the end of the fiscal period of repayment reduced, for the particular fiscal period, the amount of any government assistance or non-government assistance referred to in subparagraph ii of subparagraph *b* of the first paragraph of section 1029.8.36.59.52; and

(b) the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

“1029.8.36.59.57. For the purposes of sections 1029.8.36.59.54 to 1029.8.36.59.56, an amount of assistance is deemed to be repaid by a corporation or a partnership, as the case may be, at a particular time, pursuant to a legal obligation, if that amount

(a) reduced, because of section 1029.8.36.59.52, a qualified expenditure or specified expenditure or the share of a corporation that is a member of the partnership of a qualified expenditure or specified expenditure, for the purpose of computing the amount that the corporation or the corporation that is a member of the partnership is deemed to have paid to the Minister for a taxation year under section 1029.8.36.59.50;

(b) was not received by the corporation or partnership; and

(c) ceased at the particular time to be an amount that the corporation or partnership could reasonably expect to receive.”

(2) Subsection 1 applies from the taxation year 2019.

Where the Minister determines or redetermines the tax payable under this Act by a person for a taxation year for which tax consequences under this Act result from a sham transaction and makes an assessment, a reassessment or an additional assessment in respect of the taxation year concerned, the person incurs a penalty equal to the greater of \$25,000 and 50% of the excess amount that would be determined for the year, in respect of the person, under the first paragraph of section 1049 if a reference, in that first paragraph, to a false statement or an omission were replaced by a reference to a sham transaction.

1082.0.3. Where the Minister determines or redetermines the tax payable under this Act by a particular person for a taxation year for which tax consequences under this Act result from a sham transaction and makes an assessment, a reassessment or an additional assessment in respect of the taxation year concerned, the promoter of the transaction, or the adviser in respect of the transaction, incurs a penalty equal to 100% of

(a) if the transaction is carried out by the particular person, the aggregate of all amounts each of which is a consideration that the promoter or adviser, or a person or partnership related to or associated with the promoter or adviser, has received or is entitled to receive, directly or indirectly, from any person or partnership in respect of the transaction; or

(b) if the transaction is carried out by a partnership of which the particular person is a member, the amount that is the agreed proportion of the aggregate referred to in subparagraph *a* in respect of the particular person for the partnership’s fiscal period in which the transaction is carried out.

Where an assessment, a reassessment or an additional assessment referred to in the first paragraph is cancelled in consequence of an objection, an appeal or a summary appeal, as the case may be, the Minister shall, despite the expiry of the time limits provided for in section 1010, make a reassessment and redetermine the interest and penalties payable by the promoter or the adviser of the transaction, under the first paragraph, in order to take the decision or judgment into account.

Section 1079.13.3 applies, with the necessary modifications, to the determination of a penalty incurred under this section in respect of a sham transaction.

Where a partnership incurs a penalty under this section, sections 1005 to 1014, 1034 to 1034.0.2, 1035 to 1044.0.2 and 1051 to 1055.1 apply, with the necessary modifications, in respect of the penalty as if the partnership were a corporation.

“1082.0.4. The Minister may, despite the expiry of the time limit provided for in paragraph *a* or *a.0.1* of subsection 2 of section 1010, in respect of a person described in the second paragraph, redetermine the tax, interest and penalties payable under this Act, and make a reassessment or an additional assessment, in respect of that person, for a taxation year for which tax consequences under this Act result from a sham transaction,

(*a*) on or before the day that is six years after the day referred to, for the taxation year concerned, in paragraph *a* of subsection 2 of section 1010; or

(*b*) on or before the day that is seven years after the day determined in subparagraph *a* if, at the end of the taxation year concerned, the person is a mutual fund trust or a corporation other than a Canadian-controlled private corporation.

The person to whom the first paragraph refers is

(*a*) a person who is a party to the sham transaction;

(*b*) a person who is a member of a partnership that is a party to the sham transaction, at the end of the partnership’s fiscal period that ends in the taxation year;

(*c*) a corporation that is associated with the person described in subparagraph *a* or with the partnership described in subparagraph *b*, at the time the sham transaction is carried out;

(*d*) a corporation that is associated with a person who is a member of a partnership that is a party to the sham transaction, at the time the transaction is carried out;

(*e*) a person who is related to the person described in subparagraph *a* or to the partnership described in subparagraph *b*, at the time the sham transaction is carried out; or

(*f*) a person who is related to a person who is a member of a partnership that is a party to the sham transaction, at the time the transaction is carried out.

However, the Minister may, in respect of a taxation year for which tax consequences under this Act result from a sham transaction, make a reassessment or an additional assessment, under the first paragraph, only to the extent that the reassessment or additional assessment may reasonably be considered to relate to the transaction.

“1082.0.5. Where tax consequences under this Act result, for a taxation year of a taxpayer, from a sham transaction and a formal demand relating to an amount that may be owed by a taxpayer under this Act, in respect of the transaction, has been notified in accordance with the third paragraph of section 39 of the Tax Administration Act (chapter A-6.002) to a person regarding the filing of information, additional information or documents, the time limit described in paragraph *a* or *a.0.1* of subsection 2 of section 1010 or in section 1082.0.4, as the case may be, for determining or redetermining the tax, interest and penalties and for making a reassessment or an additional assessment, in respect of the taxation year concerned, in relation to the tax consequences to the taxpayer that are attributable to the sham transaction, is suspended for the period that begins on the day the application for authorization provided for in the third paragraph of that section 39 is filed and ends on the day on which that application is finally settled and on which, where the validity of the formal demand is confirmed, the information, additional information or documents, as the case may be, are filed in accordance with that section 39.

However, the Minister may, after applying the first paragraph, make a reassessment or an additional assessment beyond the period that, in respect of a taxpayer, is referred to in paragraph *a* or *a.0.1* of subsection 2 of section 1010 or in section 1082.0.4, because of the sham transaction in relation to the taxpayer, only to the extent that the reassessment or additional assessment may reasonably be considered to relate to the transaction.”

(2) Subsection 1, where it enacts sections 1082.0.1 to 1082.0.4 of the Act, applies in respect of a transaction carried out after 16 May 2019. However, it does not apply in respect of a transaction which is part of a series of transactions that began before 17 May 2019 and was completed before 1 August 2019; in that respect, section 1.5 of the Act does not apply for the purpose of determining the date on which a series of transactions began.

(3) Subsection 1, where it enacts section 1082.0.5 of the Act, applies in respect of a formal demand for which an application for authorization is filed after 17 May 2019.

181. Section 1090.2 of the Act is replaced by the following section:
