

Orders in Council

Gouvernement du Québec

O.C. 102-2021, 5 February 2021

Ordering of measures to protect the health of the population amid the COVID-19 pandemic situation

WHEREAS the World Health Organization declared COVID-19 to be a pandemic on 11 March 2020;

WHEREAS, under section 118 of the Public Health Act (chapter S-2.2), the Government may declare a public health emergency in all or part of the territory of Québec where a serious threat to the health of the population, whether real or imminent, requires the immediate application of certain measures provided for in section 123 of the Act to protect the health of the population;

WHEREAS the pandemic constitutes a serious and real threat to the health of the population that continues to require the immediate application of certain measures provided for in section 123 of the Act;

WHEREAS, while the public health emergency is in effect, despite any provision to the contrary, the Government or the Minister of Health and Social Services, if the Minister has been so empowered, may, without delay and without further formality, take any of the measures provided for in subparagraphs 1 to 8 of the first paragraph of section 123 of the Act to protect the health of the population;

WHEREAS, by Order in Council 177-2020 dated 13 March 2020, the Government declared a public health emergency and took certain measures to protect the health of the population;

WHEREAS the public health emergency was renewed until 29 March 2020 by Order in Council 222-2020 dated 20 March 2020, until 7 April 2020 by Order in Council 388-2020 dated 29 March 2020, until 16 April 2020 by Order in Council 418-2020 dated 7 April 2020, until 24 April 2020 by Order in Council 460-2020 dated 15 April 2020, until 29 April 2020 by Order in Council 478-2020 dated 22 April 2020, until 6 May 2020 by Order in Council 483-2020 dated 29 April 2020, until 13 May 2020 by Order in Council 501-2020 dated 6 May 2020, until 20 May 2020 by Order in Council 509-2020 dated 13 May 2020, until 27 May 2020 by Order in Council 531-2020 dated 20 May 2020, until 3 June 2020 by Order in Council 544-2020 dated 27 May 2020, until

WHEREAS Order in Council 1020-2020 dated 30 September 2020, amended by Ministerial Orders 2020-074 dated 2 October 2020, 2020-077 dated 8 October 2020, 2020-079 dated 15 October 2020, 2020-080 dated 21 October 2020, 2020-081 dated 22 October 2020, 2020-084 dated 27 October 2020, 2020-085 dated 28 October 2020, 2020-086 dated 1 November 2020, 2020-087 dated 4 November 2020, 2020-090 dated 11 November 2020, 2020-091 dated 13 November 2020, 2020-093 dated 17 November 2020, 2020-104 dated 15 December 2020, 2020-105 dated 17 December 2020, 2020-106 dated 20 December 2020, 2021-001 dated 15 January 2021, 2021-003 dated 21 January 2021, 2021-004 dated 27 January 2021 and 2021-005 dated 28 January 2021, and by Orders in Council 1039-2020 dated 7 October 2020 and 2-2021 dated 8 January 2021, provides for, among other things, despite any provision to the contrary of an Order in Council or a Ministerial Order made under section 123 of the Public Health Act, certain special measures applicable in certain territories;

WHEREAS it is expedient to order certain measures to protect the health of the population;

IT IS ORDERED, therefore, on the recommendation of the Minister of Health and Social Services:

THAT for the purposes of this Order in Council, the following constitute a service or support:

(1) a service or support required by a person because of the person's state of health or for safety purposes, for personal care or esthetics purposes, for commercial or professional purposes, for the purposes of childcare or care of vulnerable persons, respite, domestic help, help for activities of daily living, pedagogy or education;

(2) a maintenance, repair or residential renovation service;

(3) a visit for the sale or lease of the residence;

(4) a visit necessary to perform work or carry on a profession; and

(5) any other service or support of the same nature;

THAT the following measures apply to the territories listed in Schedule I:

(1) In a private residence, its equivalent or in an accommodation unit in a tourist accommodation establishment, including the grounds of such a residence or accommodation unit, a maximum of 10 persons may be present, except in the case of occupants of the same private residence or its equivalent;

(2) despite the preceding subparagraph, a person may be present in a private residence, its equivalent or in an accommodation unit in a tourist accommodation establishment, including the grounds of such a residence or accommodation unit, if the person is present to receive or provide a service or support, as applicable, and is not an occupant of the residence or unit;

(3) a maximum of 250 persons may,

(a) be in attendance at a place of worship, a courtroom, a movie theater or a room in which performing arts are presented, including venues where the arts are performed and broadcast;

(b) attend an interior production or audio-video filming, interior recording of a performance or interior training session or sports event;

(c) gather in any other rented hall or community hall made available to any person, in either of the following situations:

i. for a gathering, a convention, a meeting or other event of the same nature, in which the participants attend while remaining seated; or

ii. for the purposes of an organized activity that is

(I) within the framework of the mission of a community organization whose activities are related to the health and social services sector; and

(II) necessary to the continuation of the activities, other than event-based or social activities, that are a part of the operation of an enterprise or associated with an educational institution, court of justice, arbitrator, association of employees, professionals, managerial staff, senior administrators or employers, a consular post, diplomatic mission, government department or public body;

(4) a maximum of 50 persons may,

(a) participate, indoors, in an organized recreational or sports activity, unless

i. the activity is part of physical education and health, sports study, art study and sports concentration curriculums and other special educational projects of the same nature provided as part of general education instructional services for youth provided by a school service centre, a school board or a private educational institution, so long as a minimum two-metre distance is maintained between students in different groups;

ii. the activity is part of the recreational and sports teaching curriculum in college or university teaching programs; or

iii. for professional or high-level sport, during the training of a team grouping, composed of athletes and supervisory staff, and while playing the sport between team groupings, the following conditions are complied with:

(I) a protected environment is put in place, limiting contacts between team groupings, their members and the general public, in accordance with a sanitary protocol approved by the Minister of Health and Social Services;

(II) before entering the protected environment, the members of the team grouping must self-isolate for 14 days;

(III) once the members of the team grouping have entered the protected environment, they may not leave it and re-enter it without complying with the measures provided for in this subparagraph; and

(IV) the sanitary protocol approved by the Minister of Health and Social Services is complied with at all times, before, during and after entering the protected environment;

(b) be present in a rented hall or a community hall in cases other than those described in the preceding subparagraph;

(c) be present in any other indoor place, other than a private residence or its equivalent, when it is used for the holding of an event-based or social activity;

THAT, despite any provision to the contrary of an Order in Council or a Ministerial Order made pursuant to section 123 of the Public Health Act (chapter S-2.2), the following measures apply to the territories listed in Schedules II and III of this Order in Council:

(1) in a private residence or its equivalent, including the grounds of such a residence, only the occupants may be present in the residence;

(2) in an accommodation unit in a tourist accommodation establishment, including the grounds of such a unit, if applicable, only the occupants of the same private residence or its equivalent may be present in the unit;

(3) despite subparagraphs 1 and 2;

(a) a person may be present in a private residence, its equivalent or in an accommodation unit in a tourist accommodation establishment, including the grounds of such a residence or accommodation unit if the person is present to receive or provide a service or support, as applicable, and is not an occupant of the residence or unit;

(b) a person residing alone may have another person visit his or her private residence or its equivalent, including the grounds of such a residence;

(4) a maximum of 25 persons may participate in a funeral service, on the following conditions:

(a) the organizer is required to enter in a register the names, telephone numbers and, if applicable, email addresses of all participants;

(b) each participant is required to disclose to the organizer the information necessary for the keeping of the register;

(c) the information entered in the register may only be communicated to a public health authority or a person authorized to act on the public health authority's behalf for the purposes of an epidemiological investigation, and may not be used by any other person for any other purpose; and

(d) the information must be destroyed 30 days following its entry;

(5) the public may not attend an interior production or audio-video filming, interior recording of a performance or interior training session or interior sports event;

(6) in any room used for the purposes of restaurant services, other than a restaurant or a food court in a shopping centre or food store, a maximum of six persons may be seated at the same table, except

(a) if they are occupants of the same private residence or its equivalent;

(b) in a cafeteria, or its equivalent, in a school service centre, a school board or a private educational institution when it provides services to preschool children or to students at the elementary or secondary school level in general education for youth, on the condition that a minimum two-metre distance is maintained between the children and students of the different groups;

(7) the activities in the following places are suspended:

(a) bars and discotheques;

(b) microbreweries and distilleries, only for their services for consumption of food or beverages on the premises;
