(2) simplify the payment of the refundable solidarity tax credit in favour of a surviving spouse and of recipients of a social assistance program;

(3) introduce a refundable tax credit for small and medium-sized businesses in respect of persons with a severely limited capacity for employment;

(4) extend the income-averaging mechanism for forest producers;

(2) amend the Act respecting the Régie de l'assurance maladie du Québec to introduce a credit for employer contributions to the Health Services Fund, as a complement to the Canada Emergency Wage Subsidy; and

(3) reduce by 25%, for harmonization purposes with federal tax legislation, the minimum amount that is required to be withdrawn under a registered retirement income fund for the year 2020.

In addition, the Taxation Act and the Act respecting the Québec sales tax are amended to make amendments similar to those made to the Income Tax Act and the Excise Tax Act by federal bills assented to mainly in 2017, 2018 and 2019. More specifically, the amendments deal with

(1) the capital gains arising from the disposition of a principal residence;

(3) the repayment of wages paid as a result of an error;

(4) the elimination of the possibility for certain professionals to use billed-basis accounting;

(5) the collection of the Québec sales tax on the sale of carbon emission allowances;

(2) Subsection 1 applies in respect of a disposition that occurs after 26 February 2018.

34. (1) Section 261 of the Act is amended by replacing paragraphs *b* and *c* by the following paragraphs:

(2) Subsection 1 applies in respect of a gain from a disposition that occurs after 15 September 2016.

35. (1) Section 261.1 of the Act is amended by replacing subparagraph *b* of the first paragraph by the following subparagraph:

(2) Subsection 1 applies in respect of a gain from a disposition that occurs after 15 September 2016.

36. (1) Section 271 of the Act is amended by replacing subparagraph *b* of the second paragraph by the following subparagraph:

“(b) B is

i. if the individual was resident in Canada during the taxation year that includes the acquisition date, one plus the number of taxation years that end after the acquisition date for which the property is the individual’s principal residence and during which the individual was resident in Canada, or

ii. if the individual was not resident in Canada at any time in the taxation year that includes the acquisition date, the number of taxation years that end after the acquisition date for which the property is the individual’s principal residence and during which the individual was resident in Canada;”.

(2) Subsection 1 applies in respect of a disposition that occurs after 2 October 2016.

37. (1) Section 272 of the Act is amended by replacing the first paragraph by the following paragraph:

“Where an individual disposes of property to the individual’s spouse or a trust and the presumption referred to in section 440 or 454 applies,

(a) the spouse or the trust is deemed to have owned the property since the individual acquired it; and

(b) the property is deemed to have been the principal residence of the spouse or trust

i. in the case provided for in section 440, for all the years for which the individual could have designated it, in accordance with the fifth paragraph of section 274, to have been the individual’s principal residence, and

ii. in the case provided for in section 454, for all the years for which it was the individual’s principal residence.”

(2) Subsection 1 applies in respect of a disposition that occurs in a taxation year that ends after 2 October 2016.

38. (1) Section 274 of the Act is amended

(1) by replacing the portion of the second paragraph before subparagraph *a* by the following:

“The condition referred to in the first paragraph consists in the particular property having been designated by the individual, in accordance with the fifth paragraph, as being the individual’s principal residence for the year and in no other property having been designated, for the purposes of this section and of sections 274.0.1, 275.1, 277 and 285, for the year by”;

(2) by striking out the third paragraph;

(3) by adding the following paragraphs at the end:

“Subject to the fourth paragraph, a particular property may be designated as principal residence under this section for a taxation year only if the particular property was the subject of a valid designation under paragraph *c* of the definition of “principal residence” in section 54 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) for the year; however, if a designation made under that paragraph *c* for the year is in respect of a property that is not identical to the particular property but that includes it, in whole or in part, or is included, in whole or in part, in that property, the Minister may determine to what extent the designation made in respect of the particular property under this section for the year is valid.

Despite the third paragraph, if the Minister considers it appropriate in the circumstances, the Minister may agree to have a particular property designated as principal residence by an individual, under this section, for a particular taxation year even though the particular property was not the subject of a valid designation by the individual under paragraph *c* of the definition of “principal residence” in section 54 of the Income Tax Act for the particular year where

(*a*) the following conditions are met:

i. the individual disposed, in a taxation year that ended before 3 October 2016, of a property other than the particular property,

ii. the individual was resident in Québec at the end of the taxation year in which the other property was disposed of, and

iii. the particular taxation year is a taxation year in respect of which the other property was the subject of a valid designation by the individual under paragraph *c* of the definition of “principal residence” in section 54 of the Income Tax Act and could be the subject of a designation under this section by the individual for the particular taxation year, but was not the subject of such a designation; or

(b) the particular taxation year is a taxation year that precedes the taxation year in which the particular property is disposed of and

i. a valid designation was made by the individual under paragraph *c* of the definition of “principal residence” in section 54 of the Income Tax Act in respect of another property for the particular taxation year, and

ii. the Minister was of the opinion that the other property could not be the subject of a designation by the individual under this section for the particular taxation year.

An individual designates a particular property as the individual’s principal residence for a particular taxation year by enclosing the prescribed form containing prescribed information with the fiscal return the individual is required to file under section 1000 for the individual’s taxation year in which the individual disposed of the particular property or granted an option to purchase it.”

(2) Subsection 1 applies in respect of a disposition that occurs in a taxation year that ends after 2 October 2016.

(2) by inserting the following subparagraph after subparagraph *c* of the second paragraph:

“(c.1) if the year begins after 31 December 2016, the trust is, in the year,

i. a trust for which a day is to be determined under any of subparagraphs *a*, *a.1* and *a.4* of the first paragraph of section 653 by reference to the death or later death, as the case may be, that has not occurred before the beginning of the year, of an individual who is resident in Canada during the year, and a trust a specified beneficiary of which for the year is the individual,

ii. a trust that is a qualified disability trust (within the meaning of the first paragraph of section 768.2) for the year and in respect of which an electing beneficiary (within the meaning of that paragraph) for the year is resident in Canada during the year, is a specified beneficiary of the trust for the year and is a spouse, former spouse or child of the settlor (having in this subparagraph *c.1* the meaning assigned by the first paragraph of section 658) of the trust, or

iii. a trust a specified beneficiary of which for the year is an individual who is resident in Canada during the year, who has not attained 18 years of age before the end of the year and a mother or father of whom is a settlor of the trust, and in respect of which either of the following conditions is met:

(1) no mother or father of the individual is alive at the beginning of the year, or

(2) the trust arose before the beginning of the year on and as a consequence of the death of a mother or father of the individual; and”;

(3) by striking out the third paragraph;

(4) by adding the following paragraphs at the end:

“Subject to the fourth paragraph, a particular property may be designated as principal residence under this section for a taxation year only if the particular property was the subject of a valid designation under paragraph *c.1* of the definition of “principal residence” in section 54 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) for the year; however, if a designation made under that paragraph *c.1* for the year is in respect of a property that is not identical to the particular property but that includes it, in whole or in part, or is included, in whole or in part, in that property, the Minister may determine to what extent the designation made in respect of the particular property under this section for the year is valid.

Despite the third paragraph, if the Minister considers it appropriate in the circumstances, the Minister may agree to have a particular property designated as principal residence by a trust, under this section, for a particular taxation year even though the particular property was not the subject of a valid designation by the trust under paragraph *c.1* of the definition of “principal residence” in section 54 of the Income Tax Act for the particular year where

(a) the following conditions are met:

i. the trust disposed, in a taxation year that ended before 3 October 2016, of a property other than the particular property,

ii. the trust was resident in Québec at the end of the taxation year in which the other property was disposed of, and

iii. the particular taxation year is a taxation year in respect of which the other property was the subject of a valid designation by the trust under paragraph *c.1* of the definition of “principal residence” in section 54 of the Income Tax Act and could be the subject of a designation under this section by the trust for the particular taxation year, but was not the subject of such a designation; or

(b) the particular taxation year is a taxation year that precedes the taxation year in which the particular property is disposed of and

i. a valid designation was made by the trust under paragraph *c.1* of the definition of “principal residence” in section 54 of the Income Tax Act in respect of another property for the particular taxation year, and

ii. the Minister was of the opinion that the other property could not be the subject of a designation by the trust under this section for the particular taxation year.

A trust designates a particular property as its principal residence for a particular taxation year by enclosing the prescribed form containing prescribed information with the fiscal return it is required to file under section 1000 for its taxation year in which it disposed of the particular property or granted an option to purchase it.”

(2) Paragraphs 1, 3 and 4 of subsection 1 apply in respect of a disposition that occurs in a taxation year that ends after 2 October 2016.

(3) Paragraph 2 of subsection 1 has effect from 14 December 2017.

40. (1) Section 274.1 of the Act is replaced by the following section:

“274.1. Subject to section 274.1.1, where a property was owned by an individual, whether jointly with another person or otherwise, at the end of 31 December 1981 and continuously thereafter until disposed of by the individual, the gain determined under section 271 in respect of the disposition of that property must not exceed the amount by which the aggregate of the following amounts exceeds the amount by which the fair market value of the property on 31 December 1981 exceeds the proceeds of disposition of the property determined without reference to this section:

(a) the individual’s gain calculated in accordance with section 271 on the assumption that the individual had disposed of the property on 31 December 1981 for proceeds of disposition equal to its fair market value on that date; and

(b) the individual’s gain calculated in accordance with section 271 on the assumption that that section applies and that

i. subparagraph *i* of subparagraph *b* of the second paragraph of section 271 is read without reference to “one plus”, and

ii. the individual acquired the property on 1 January 1982 at a cost equal to the proceeds of disposition determined under paragraph *a.*”

(2) Subsection 1 has effect from 14 December 2017.

41. (1) The Act is amended by inserting the following section after section 274.1:

“274.1.1. Where a property was owned by a trust, whether jointly with another person or otherwise, at the end of 31 December 2016 and continuously thereafter until disposed of by the trust, where the trust was not in its first taxation year that begins after 31 December 2016 a trust described in subparagraph *c.1* of the second paragraph of section 274.0.1, where the trust disposes of the property after 31 December 2016 and where the disposition is the trust’s first disposition of the property after that date, the following rules apply:

(a) section 274.1 does not apply in respect of the disposition; and

(b) the trust’s gain determined under section 271 in respect of the disposition of the property is equal to the amount by which the aggregate of the following amounts exceeds the amount by which the fair market value of the property on 31 December 2016 exceeds the proceeds of disposition of the property determined without reference to this section:

i. the trust’s gain calculated in accordance with section 271 on the assumption that

(1) the trust disposed of the property on 31 December 2016 for proceeds of disposition equal to its fair market value on that date, and

(2) paragraph *a* did not apply in respect of the disposition described in subparagraph 1, and

ii. the trust’s gain in respect of the disposition calculated in accordance with section 271 on the assumption that

(1) subparagraph *i* of subparagraph *b* of the second paragraph of section 271 is read without reference to “one plus”, and

(2) the trust acquired the property on 1 January 2017 at a cost equal to the proceeds of disposition determined under subparagraph 1 of subparagraph *i.*”

(2) Subsection 1 has effect from 14 December 2017.

42. Section 311.1 of the Act is amended by striking out subparagraph *e* of the second paragraph.

43. (1) Section 313.13 of the Act is replaced by the following section:

“313.13. A taxpayer shall also include any amount that is required to be included in computing the taxpayer’s income for the year under Title VI.0.2 of Book VII, other than an amount distributed under a pooled registered pension plan as a return of all or a portion of a contribution to the plan to the extent that the amount

(a) is a payment described under clause A or B of subparagraph ii of paragraph *d* of subsection 3 of section 147.5 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement); and

(b) is not deducted in computing the taxpayer's income for the year or a preceding taxation year.”

(2) Subsection 1 has effect from 14 December 2012.

44. (1) Section 489 of the Act is amended by inserting the following paragraph after paragraph *b*:

“(b.1) where the taxpayer is an individual (other than a trust), an amount ordinarily paid as a social assistance payment based on a means, needs or income test provided for under a program of the Government of Canada or the government of a province, to the extent that it is received directly or indirectly by the taxpayer for the benefit of a particular individual, if

i. payments to recipients under the program are made for the care and upbringing, on a temporary basis, of another individual in need of protection,

ii. the particular individual is a child of the taxpayer because of paragraph *b* of the definition of “child” in section 1 (or would be a child of the taxpayer under that paragraph if the taxpayer did not receive payments under the program), and

iii. no special allowance under the Children's Special Allowances Act (Statutes of Canada, 1992, chapter 48) is payable in respect of the particular individual for the period in respect of which the social assistance payment is made;”.

(2) Subsection 1 has effect from 1 January 2009.

45. (1) Section 504 of the Act is amended, in subsection 2,

(1) by replacing paragraphs *d* and *e* by the following paragraphs:

“(d) a transaction by which an insurance corporation converts contributed surplus related to its insurance business (other than any portion of that contributed surplus that arose at a time when the corporation was not resident in Canada, or that arose in connection with a disposition to which subsection 1.1 of section 212.1 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) applies or an investment to which subsection 2 of section 212.3 of that Act applies) into paid-up capital in respect of shares of its capital stock;

“(e) a transaction by which a bank converts contributed surplus resulting from the issuance of shares of its capital stock (other than any portion of that contributed surplus that arose at a time when the corporation was not resident

in Canada, or that arose in connection with a disposition to which subsection 1.1 of section 212.1 of the Income Tax Act applies or an investment to which subsection 2 of section 212.3 of that Act applies) into paid-up capital in respect of shares of its capital stock; or”;

(2) by replacing the portion of paragraph *f* before subparagraph *i* by the following:

“(f) a transaction by which a corporation, other than an insurance corporation or a bank, converts into paid-up capital in respect of a particular class of shares of its capital stock any of its contributed surplus (other than any portion of that contributed surplus that arose at a time when the corporation was not resident in Canada, or that arose in connection with a disposition to which subsection 1.1 of section 212.1 of the Income Tax Act applies or an investment to which subsection 2 of section 212.3 of that Act applies) resulting, after 31 March 1977,”.

(2) Subsection 1 applies in respect of a transaction or event that occurs after 26 February 2018.

46. (1) The Act is amended by inserting the following sections after section 572.2:

“**572.2.1.** For the purposes of sections 572.2.2 and 572.2.3, a particular property is a tracking interest in respect of a person or partnership (in this section referred to as the “tracked entity”) if

(a) all or part of the fair market value of the particular property—or of any payment or right to receive an amount in respect of the particular property—can reasonably be considered to be determined, directly or indirectly, by reference to one or more of the following criteria in respect of property or activities of the tracked entity (in this section and section 572.2.2 referred to as the “tracked property and activities”):

- i. the fair market value of property of the tracked entity,
- ii. any revenue, income or cash flow from property or activities of the tracked entity,
- iii. any profits or gains from the disposition of property of the tracked entity, and
- iv. any similar criteria applicable to property or activities of the tracked entity; and

(b) the tracked property and activities in respect of the particular property represent less than all of the property and activities of the tracked entity.

“572.2.2. The rules set out in the second paragraph apply in respect of a particular foreign affiliate of a taxpayer for a taxation year of the foreign affiliate, for the purpose of determining an amount to be included or deducted, in respect of the year, by the taxpayer in computing the taxpayer’s income under section 580 or 583, respectively, if, at any time in the year,

(a) the taxpayer holds a property that is a tracking interest in respect of the particular foreign affiliate; and

(b) shares of a class of the capital stock of the particular foreign affiliate (in the second paragraph referred to as a “tracking class”) the fair market value of which can reasonably be considered to be determined by reference to the tracked property and activities in respect of the tracking interest are held by the taxpayer or a foreign affiliate of the taxpayer.

The rules to which the first paragraph refers are as follows:

(a) the tracked property and activities of the particular foreign affiliate are deemed to be property and activities of a corporation not resident in Canada that is separate from the particular foreign affiliate and not to be property or activities of the particular foreign affiliate;

(b) any income, losses or gains for the year in respect of the property and activities described in subparagraph *a* are deemed to be income, losses or gains of the separate corporation and not of the particular foreign affiliate;

(c) all rights and obligations of the particular foreign affiliate in respect of the property and activities described in subparagraph *a* are deemed to be rights and obligations of the separate corporation and not of the particular foreign affiliate;

(d) the separate corporation is deemed to have, at the end of the year, 100 issued and outstanding shares of a single class of its capital stock which have full voting rights under all circumstances;

(e) each shareholder of the particular foreign affiliate is deemed to own, at the end of the year, that number of shares of the separate corporation that is equal to the product obtained by multiplying 100 by the amount that would be the aggregate participating percentage (as defined in section 580.1) of that shareholder in respect of the particular foreign affiliate for the year if

i. the particular foreign affiliate were a controlled foreign affiliate of that shareholder at the end of the year,

ii. the only shares of the capital stock of the particular foreign affiliate issued and outstanding at the end of the year were shares of tracking classes in respect of the tracked property and activities, and

iii. the only income, losses or gains of the particular foreign affiliate for the year were those referred to in subparagraph *b*; and

(*f*) any amount included or deducted by the taxpayer in computing the taxpayer's income under section 580 or 583, respectively, in respect of shares of the separate corporation is deemed to be an amount so included or deducted by the taxpayer in respect of shares of tracking classes held by the taxpayer or a foreign affiliate of the taxpayer, as the case may be.

“572.2.3. Where section 572.2.2 does not apply in respect of a foreign affiliate of a taxpayer for a taxation year of the affiliate, the affiliate is deemed to be a controlled foreign affiliate of the taxpayer throughout the year if, at a particular time in the year, a tracking interest in respect of the foreign affiliate or a partnership of which the foreign affiliate is a member is held by

(*a*) the taxpayer; or

(*b*) a person or partnership (in this paragraph referred to as a “holder”), if

i. the holder does not deal at arm's length with the taxpayer at the particular time,

ii. where either the taxpayer or the holder is a partnership and the other party is not, any member of the partnership does not deal at arm's length with the other party at the particular time, or

iii. where both the taxpayer and the holder are partnerships, the taxpayer or any member of the taxpayer does not deal at arm's length with the holder or any member of the holder at the particular time.”

(2) Subsection 1 applies to a taxation year of a foreign affiliate of a taxpayer that begins after 26 February 2018. However, section 572.2.2 of the Act does not apply to a taxation year of a foreign affiliate of a taxpayer that begins after 26 February 2018 and before 25 October 2018 if the taxpayer has made a valid election in accordance with subsection 7 of section 7 of the Budget Implementation Act, 2018, No. 2 (Statutes of Canada, 2018, chapter 27).

(3) Chapter V.2 of Title II of Book I of Part I of the Taxation Act applies in relation to an election made under subsection 7 of section 7 of the Budget Implementation Act, 2018, No. 2. However, for the application of section 21.4.7 of the Taxation Act to such an election, a taxpayer is deemed to have complied with a requirement of section 21.4.6 of the Act if the taxpayer complies with it on or before 29 November 2021.

47. (1) The Act is amended by inserting the following sections after section 580:

“580.1. For the purposes of this section and sections 580.2 and 580.3,

“aggregate participating percentage”, of a taxpayer in respect of a foreign affiliate of the taxpayer for a taxation year of the foreign affiliate, means the aggregate of all amounts, each of which is the participating percentage, in respect of the foreign affiliate, of a share of the capital stock of a corporation that is owned by the taxpayer at the end of the taxation year;

“connected partnership”, in respect of a particular taxpayer, means a partnership if, at or immediately after the particular time at which section 580.3 applies in respect of a foreign affiliate of the particular taxpayer,

(a) the particular taxpayer or a connected person in respect of the particular taxpayer is, directly or indirectly through one or more other partnerships, a member of the partnership; or

(b) where paragraph *a* does not apply,

i. the foreign affiliate is a foreign affiliate of the partnership at the particular time, and

ii. the aggregate participating percentage of the partnership in respect of the foreign affiliate for the foreign affiliate’s ordinary taxation year may reasonably be considered to have increased as a result of the triggering event that gave rise to the application of section 580.3;

“connected person”, in respect of a particular taxpayer, means a person that—at or immediately after the particular time at which section 580.3 applies in respect of a foreign affiliate of the particular taxpayer—is resident in Canada and

(a) does not deal at arm’s length with the particular taxpayer; or

(b) deals at arm’s length with the particular taxpayer, if

i. the foreign affiliate is a foreign affiliate of the person at the particular time, and

ii. the aggregate participating percentage of the person in respect of the foreign affiliate for the foreign affiliate’s ordinary taxation year may reasonably be considered to have increased as a result of the triggering event that gave rise to the application of section 580.3;

“excluded acquisition or disposition”, in respect of a taxation year of a foreign affiliate of a taxpayer, means an acquisition or disposition of an equity interest in a corporation, partnership or trust that can reasonably be considered to result in a change in the aggregate participating percentage of the taxpayer in respect of the foreign affiliate for the taxation year of the foreign affiliate, where

(a) the change in the aggregate participating percentage of the taxpayer is less than 1%; and

(b) it cannot reasonably be considered that one of the main reasons the acquisition or disposition occurs as a separate acquisition or disposition from one or more other acquisitions or dispositions is to avoid the application of section 580.3;

“triggering event” means

(a) an acquisition or disposition of an equity interest in a corporation, partnership or trust;

(b) a change in the terms or conditions of a share of the capital stock of a corporation or a right as a member of a partnership or as a beneficiary under a trust; or

(c) a disposition or change of a right referred to in paragraph *a* of section 598.

“580.2. For the purposes of this chapter and Chapter IV, the rules set out in section 580.3 apply at a particular time in respect of a particular foreign affiliate of a taxpayer resident in Canada if

(a) an amount would be included under section 580 in computing the taxpayer’s income, in respect of a share of the particular foreign affiliate or another foreign affiliate of the taxpayer that has an equity percentage in the particular foreign affiliate, for the taxation year of the particular foreign affiliate (determined without reference to section 580.3) that includes the particular time (in this section and section 580.1 referred to as the “ordinary taxation year” of the particular foreign affiliate), if the ordinary taxation year of the particular foreign affiliate had ended at the particular time;

(b) immediately after the particular time, there is

i. an acquisition of control of the taxpayer, or

ii. a triggering event that can reasonably be considered to result in a change in the aggregate participating percentage of the taxpayer in respect of the particular foreign affiliate for the ordinary taxation year of the particular foreign affiliate;

(c) where subparagraph i of subparagraph *b* applies, the condition of paragraph *c* of subsection 1.1 of section 91 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) is met in respect of the particular foreign affiliate; and

(d) where subparagraph ii of subparagraph *b* applies, none of the following is the case:

i. the change in the aggregate participating percentage referred to in subparagraph ii of subparagraph *b* is a decrease and is equal to the total of all amounts each of which is the increase—that can reasonably be considered to result from the triggering event—in the aggregate participating percentage of

another taxpayer, in respect of the particular foreign affiliate for the ordinary taxation year of the particular foreign affiliate, if the other taxpayer

(1) is a person resident in Canada, other than a person that is—or a trust, any of the beneficiaries under which is—exempt from tax under this Part, and

(2) is a person related to the taxpayer at the particular time, if the triggering event results from a winding-up of the taxpayer referred to in section 556, or immediately after the particular time, in any other case,

ii. the triggering event is on an amalgamation within the meaning of subsection 1 of section 544,

iii. the triggering event is an excluded acquisition or disposition, in respect of the ordinary taxation year of the particular foreign affiliate, and

iv. if one or more triggering events—all of which are described in subparagraph ii of subparagraph *b* and in respect of which none of the conditions of subparagraphs i to iii are met—occur in the ordinary taxation year of the particular foreign affiliate, the percentage determined by the following formula is not greater than 5%:

$A - B.$

In the formula in subparagraph iv of subparagraph *d* of the first paragraph,

(*a*) *A* is the total of all amounts each of which is the decrease—which can reasonably be considered to result from a triggering event described in subparagraph ii of subparagraph *b* of the first paragraph (other than a triggering event that meets the conditions of subparagraph i or ii of subparagraph *d* of the first paragraph)—in the aggregate participating percentage of the taxpayer in respect of the particular foreign affiliate for the ordinary taxation year of the particular foreign affiliate; and

(*b*) *B* is the total of all amounts each of which is the increase—which can reasonably be considered to result from a triggering event described in subparagraph ii of subparagraph *b* of the first paragraph (other than a triggering event that meets the conditions of subparagraph i or ii of subparagraph *d* of the first paragraph)—in the aggregate participating percentage of the taxpayer in respect of the particular foreign affiliate for the ordinary taxation year of the particular foreign affiliate.

“580.3. The rules to which section 580.2 refers in respect of a foreign affiliate of a particular taxpayer resident in Canada are as follows:

(*a*) in respect of the particular taxpayer and each connected person, or connected partnership, in respect of the particular taxpayer, the foreign affiliate’s taxation year that would, in the absence of this section, have included the

particular time referred to in section 580.2 is deemed to end at the time (in this chapter referred to as the “stub-period end time”) that is immediately before the particular time; and

(b) where the foreign affiliate is, immediately after the particular time referred to in section 580.2, a foreign affiliate of the particular taxpayer or a connected person, or connected partnership, in respect of the particular taxpayer, the foreign affiliate’s taxation year that follows the stub-period end time is deemed, in respect of the particular taxpayer or the connected person or connected partnership, as the case may be, to begin immediately after the particular time.

“580.4. Where the conditions of section 580.2 are not met at a particular time in respect of a particular foreign affiliate of a taxpayer resident in Canada, section 580.3 applies in respect of the particular foreign affiliate at that time if the taxpayer and all specified corporations have made a valid election under paragraph *c* of subsection 1.4 of section 91 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) to have subsection 1.2 of that section 91 apply in respect of the disposition that is referred to in paragraph *b* of subsection 1.4 of that section 91 and that occurs immediately after the particular time.

For the purposes of the first paragraph, a specified corporation is a corporation that at or immediately after the particular time meets the following conditions:

- (a) the corporation is resident in Canada;
- (b) the corporation does not deal at arm’s length with the taxpayer; and
- (c) the particular foreign affiliate is a foreign affiliate of the corporation, or of a partnership of which the corporation is, directly or indirectly through one or more other partnerships, a member.

Chapter V.2 of Title II of Book I applies in relation to an election made under paragraph *c* of subsection 1.4 of section 91 of the Income Tax Act.”

(2) Subsection 1 has effect from 12 July 2013. However, where the particular time referred to in section 580.2 of the Act is before 8 September 2017, sections 580.1 to 580.4 of the Act are, unless the taxpayer and all connected persons and connected partnerships, in respect of the taxpayer, within the meaning of section 580.1 of the Act, as enacted by this subsection, make a valid election for that purpose under subparagraph *i* of paragraph *d* of subsection 4 of section 28 of the Budget Implementation Act, 2017, No. 2 (Statutes of Canada, 2017, chapter 33), to be read as follows:

“580.1. For the purposes of section 580.3, the following rules apply:

- (a) a corporation is connected to a particular taxpayer if, at or immediately after the particular time referred to in section 580.3, it is resident in Canada and does not deal at arm’s length with the taxpayer; and

(b) a partnership is connected to a particular taxpayer if, at or immediately after the particular time referred to in section 580.3, the particular taxpayer or a corporation described in paragraph *a* is, directly or indirectly through one or more other partnerships, a member of the partnership.

“580.2. For the purposes of this chapter and Chapter IV, the rules set out in section 580.3 apply at a particular time in respect of a particular foreign affiliate of a taxpayer resident in Canada if

(a) an amount would be included under section 580 in computing the taxpayer’s income, in respect of a share of the particular foreign affiliate or another foreign affiliate of the taxpayer that has an equity percentage in the particular foreign affiliate, for the taxation year of the particular foreign affiliate (determined without reference to section 580.3) that includes the particular time, if that taxation year had ended at the particular time; and

(b) immediately after the particular time, there is an acquisition or disposition of shares of the capital stock of a foreign affiliate of the taxpayer that results in a change to the surplus entitlement percentage (within the meaning assigned to that expression by subsection 1 of section 95 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement)) of the taxpayer in respect of the particular foreign affiliate (determined as if the taxpayer were a corporation resident in Canada), unless

i. the change is a decrease in the surplus entitlement percentage of the taxpayer (determined as if the taxpayer were a corporation resident in Canada) in respect of the particular foreign affiliate and, as a result of the acquisition or disposition, one or more taxpayers, each of which is a taxable Canadian corporation that does not deal at arm’s length with the taxpayer immediately after the particular time, have increases to their surplus entitlement percentages in respect of the particular foreign affiliate that are, in total, equal to the reduction in the taxpayer’s surplus entitlement percentage in respect of the particular foreign affiliate immediately after the particular time,

ii. the acquisition or disposition is on an amalgamation within the meaning of subsection 1 of section 544, or

iii. if one or more such acquisitions or dispositions in respect of which the conditions of subparagraphs i and ii are not met occur in a particular taxation year of the particular foreign affiliate (determined without reference to this section and section 580.3), the percentage determined by the following formula is not greater than 5%:

$$A - B.$$

In the formula in subparagraph iii of subparagraph *b* of the first paragraph,

(a) *A* is the total of all amounts each of which is the decrease in the surplus entitlement percentage of the taxpayer in respect of the particular foreign affiliate resulting from an acquisition or disposition described in subparagraph iii

of subparagraph *b* of the first paragraph in the particular taxation year (other than an acquisition or disposition described in subparagraph *i* or *ii* of that subparagraph *b*); and

(*b*) *B* is the total of all amounts each of which is the increase in the surplus entitlement percentage of the taxpayer in respect of the particular foreign affiliate resulting from an acquisition or disposition described in subparagraph *iii* of subparagraph *b* of the first paragraph in the particular taxation year (other than an acquisition from a person that does not deal at arm's length with the taxpayer).

“580.3. The rules to which section 580.2 refers in respect of a foreign affiliate of a particular taxpayer resident in Canada are as follows:

(*a*) in respect of the particular taxpayer and each corporation or partnership that is connected to the particular taxpayer, the foreign affiliate's taxation year that would, in the absence of this section, have included the particular time referred to in section 580.2 is deemed to end at the time (in this chapter referred to as the “stub-period end time”) that is immediately before the particular time; and

(*b*) where the foreign affiliate is, immediately after the particular time referred to in section 580.2, a foreign affiliate of the particular taxpayer or a corporation or partnership that is connected to the particular taxpayer, the foreign affiliate's taxation year that follows the stub-period end time is deemed, in respect of the particular taxpayer or the connected corporation or partnership, as the case may be, to begin immediately after the particular time.

“580.4. Where the conditions of section 580.2 are not met at a particular time in respect of a particular foreign affiliate of a taxpayer resident in Canada, section 580.3 applies in respect of the particular foreign affiliate at that time if the taxpayer and all specified corporations have made a valid election under paragraph *c* of subsection 1.4 of section 91 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) to have subsection 1.2 of that section 91 apply in respect of the disposition that is referred to in paragraph *b* of subsection 1.4 of that section 91 and that occurs immediately after the particular time.

For the purposes of the first paragraph, a specified corporation is a corporation that at or immediately after the particular time meets the following conditions:

(*a*) the corporation is resident in Canada;

(*b*) the corporation does not deal at arm's length with the taxpayer; and

(*c*) the particular foreign affiliate is a foreign affiliate of the corporation, or of a partnership of which the corporation is, directly or indirectly through one or more other partnerships, a member.

Chapter V.2 of Title II of Book I applies in relation to an election made under paragraph *c* of subsection 1.4 of section 91 of the Income Tax Act.”

(4) Where a taxpayer makes a valid election under subparagraph *i* of paragraph *d* of subsection 4 of section 28 of the Budget Implementation Act, 2017, No. 2, section 580.2 of the Taxation Act, enacted by subsection 1, is to be read, in respect of an acquisition of control of the taxpayer that occurs before 8 September 2017, without reference to subparagraph *i* of subparagraph *b* of the first paragraph and subparagraph *c* of that paragraph.

(5) Where subsection 1 applies to a taxation year that begins before 8 September 2017, where a taxpayer makes, in respect of a particular time, in relation to a foreign affiliate, a valid election under subsection 1.5 of section 91 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement) and where subsection 4 does not apply in respect of the taxpayer, section 580.3 of the Taxation Act applies at the particular time in relation to the particular foreign affiliate of the taxpayer.

(6) Chapter V.2 of Title II of Book I of Part I of the Taxation Act applies in relation to an election made under subparagraph *i* of paragraph *d* of subsection 4 of section 28 of the Budget Implementation Act, 2017, No. 2 or subsection 1.5 of section 91 of the Income Tax Act. However, for the application of section 21.4.7 of the Taxation Act to such an election made before 2 June 2021, an elector is deemed to have complied with a requirement of section 21.4.6 of the Act if the elector complies with it on or before 29 November 2021.

In the formula in the second paragraph,

(*a*) *A* is the exclusion threshold that would otherwise be applicable to the taxpayer for the year;

(*b*) *B* is the aggregate of all amounts each of which is an expenditure—referred to in paragraph *a* of the definition of “reducible expenditures” in the first paragraph of section 1029.8.19.8—of the taxpayer for the year; and

129. (1) The Act is amended by inserting the following section after section 1029.8.19.14:

“1029.8.19.14.1. For the purpose of computing the amount that a taxpayer who is a member of a partnership is deemed to have paid to the Minister for a taxation year in which a fiscal period of the partnership that begins after 10 March 2020 ends, under section 1029.8, the aggregate of all amounts each of which is the amount of the taxpayer’s share of wages that are, or of a portion of a consideration that is, referred to in any of subparagraphs *a* to *i* of the first paragraph of section 1029.8 and that is included in the partnership’s reducible expenditures for the fiscal period, determined with reference to subdivisions 2, 4 and 6, is to be reduced by the lesser of the taxpayer’s share of the exclusion threshold applicable to the partnership for the fiscal period and the aggregate of those amounts for the fiscal period.

For the purposes of the first paragraph, where the amount of a partnership’s reducible expenditures for a fiscal period is greater than the exclusion threshold applicable to the partnership for the fiscal period and a taxpayer who is a member of the partnership may be deemed to have paid an amount to the Minister for the taxation year in which that fiscal period ends under section 1029.8, but for this subdivision, and any of sections 1029.8.7, 1029.8.9.0.4 and 1029.8.16.1.5 in relation to the partnership, the taxpayer’s share of the exclusion threshold applicable to the partnership for the fiscal period that ends in the year is deemed to be equal to the amount determined by the formula

$$A \times B/C.$$

In the formula in the second paragraph,

(a) A is the exclusion threshold applicable to the partnership for the fiscal period that ends in the year;

(b) B is the aggregate of all amounts each of which is the taxpayer’s share of an expenditure—referred to in paragraph *a* of the definition of “reducible expenditures” in the first paragraph of section 1029.8.19.8—of the partnership for the fiscal period that ends in the year; and

(c) C is the partnership’s reducible expenditures for the fiscal period that ends in the year.

For the purposes of this section, the taxpayer’s share of an amount is equal to the agreed proportion of the amount in respect of the taxpayer for the partnership’s fiscal period that ends in the taxpayer’s taxation year.”

(2) Subsection 1 applies in respect of an expenditure incurred in a fiscal period that begins after 10 March 2020 for scientific research and experimental development undertaken after that date.

In computing, for the purposes of the definition of “qualified expenditure” of a corporation or partnership for a taxation year or fiscal period of the corporation or partnership, the portion of the consideration referred to in that definition that is paid by the corporation or partnership to its wholly-owned subsidiary, the following rules apply:

(a) the wages of an eligible employee of the wholly-owned subsidiary that are taken into account in that computation may not exceed the amount obtained by multiplying \$75,000 by the proportion that the number of days in the taxation year or fiscal period that follow 31 December 2018 but precede 1 January 2020, and during which the individual is recognized as an eligible employee of the wholly-owned subsidiary is of 365; and

In determining, for the purposes of this division, whether an individual is an eligible employee of a corporation that is a wholly-owned subsidiary of another corporation or of a partnership for, as the case may be, a taxation year or a fiscal period of the corporation or partnership that includes all or part of the transitional period, the following rules apply:

For the purposes of the definition of “eligible employee” in the first paragraph, the following rules are taken into account:

(*a*) where, during all or part of a taxation year or fiscal period, an employee reports for work at an establishment of a corporation or partnership situated in Québec and at an establishment of the corporation or partnership situated outside Québec, the employee is deemed, for that period,

i. unless subparagraph ii applies, to report for work only at the establishment situated in Québec, or

ii. to report for work only at the establishment situated outside Québec if, during that period, the employee reports for work mainly at an establishment of the corporation or partnership situated outside Québec; and

(b) where, during all or part of a taxation year or fiscal period, an employee is not required to report for work at an establishment of a corporation or partnership and the employee's wages in relation to that period are paid from such an establishment situated in Québec, the employee is deemed to report for work at that establishment if the duties performed by the employee during that period are performed mainly in Québec.

To determine whether, during all or part of a taxation year or fiscal period, an employee reports for work at an establishment of a corporation or partnership situated in Canada outside Québec, the sixth paragraph applies, subject to the following rules:

(a) where, during that period, the employee reports for work at an establishment of the corporation or partnership situated in Canada outside Québec and at an establishment of the corporation or partnership situated outside Canada, subparagraph *a* of the sixth paragraph is to be read as if all occurrences of "in Québec" and "outside Québec" were replaced by "in Canada outside Québec" and "outside Canada", respectively; and

(b) where, during that period, the employee is not required to report for work at an establishment of the corporation or partnership and the employee's wages in relation to that period are paid from such an establishment situated in Canada outside Québec, subparagraph *b* of the sixth paragraph is to be read as if "situated in Québec" and "mainly in Québec" were replaced by "situated in Canada outside Québec" and "mainly in the province where it is situated", respectively.

"1029.3.36.0.3.111. A qualified corporation for a taxation year that encloses the documents described in the third paragraph with the fiscal return it is required to file for the year under section 1000 is deemed, subject to the second paragraph, to have paid to the Minister on the qualified corporation's balance-due day for the year, on account of its tax payable for the year under this Part, an amount equal to 35% of the aggregate of all amounts each of which is the qualified wages incurred by the qualified corporation in the year in respect of an eligible employee for all or part of the year.

For the purpose of computing the payments that a corporation is required to make under subparagraph *a* of the first paragraph of section 1027 or any of sections 1159.7, 1175 and 1175.19 where those sections refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of its tax payable for the year under this Part and of its tax payable for the year under Parts IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date for the purpose of computing that payment.

The documents to which the first paragraph refers are the following:

Where the qualified corporation's taxation year includes all or part of the transitional period and where, in the transitional period or part of that period, the corporation's wholly-owned subsidiary carries out work on its behalf in relation to recognized activities, the amount that the corporation is deemed to have paid to the Minister for the year under the first paragraph is determined by adding the corporation's qualified expenditure for the year to the aggregate described in that first paragraph.

“1029.3.36.0.3.112. A corporation (other than an excluded corporation) that is a member of a qualified partnership at the end of a fiscal period of the qualified partnership that ends in a taxation year and that encloses the documents described in the third paragraph with the fiscal return it is required to file for the year under section 1000 is deemed, subject to the second paragraph, to have paid to the Minister on the corporation's balance-due day for the year, on account of its tax payable for the year under this Part, an amount equal to 35% of its share of the aggregate of all amounts each of which is the qualified wages incurred by the qualified partnership in the fiscal period in respect of an eligible employee for all or part of the fiscal period.

For the purpose of computing the payments that a corporation is required to make under subparagraph *a* of the first paragraph of section 1027 or any of sections 1159.7, 1175 and 1175.19 where those sections refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of its tax payable for the year under this Part and of its tax payable for the year under Parts IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(a) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date for the purpose of computing that payment.

The documents to which the first paragraph refers are the following:

(a) the prescribed form containing prescribed information; and

(b) a copy of

i. any certificate issued to the partnership for the fiscal period in respect of a media business for the purposes of this division, and

ii. any certificate issued to the partnership for the fiscal period in respect of an individual for the purposes of this division.

Where the qualified partnership's fiscal period includes all or part of the transitional period and where, in the transitional period or part of that period, the partnership's wholly-owned subsidiary carries out work on its behalf in relation to recognized activities, the amount that a corporation that is a member of the partnership is deemed to have paid to the Minister under the first paragraph for a taxation year that ends in the fiscal period is determined by adding the partnership's qualified expenditure for the fiscal period to the aggregate described in that first paragraph.

“1029.8.36.0.3.113. Despite the expiry of the time limit provided for in the first paragraph of section 1029.6.0.1.2 for filing the documents described in the third paragraph of section 1029.8.36.0.3.111 or 1029.8.36.0.3.112, a corporation may be deemed to have paid an amount to the Minister on account of the corporation's tax payable for a taxation year under that section, if it files such documents in accordance with that third paragraph before 17 December 2020.

“§3. — *Assistance, repayment of assistance and other particulars*

“1029.8.36.0.3.114. Where a corporation (other than an excluded corporation) that is a member of a qualified partnership at the end of a fiscal period of the qualified partnership has received, is entitled to receive or may reasonably expect to receive, on or before the last day of the six-month period following the end of the fiscal period, an amount of government assistance or non-government assistance in respect of wages included in computing the qualified wages incurred by the partnership in that fiscal period, in respect of an eligible employee for all or part of that fiscal period, such qualified wages

are, for the purpose of computing the amount deemed to have been paid to the Minister by the corporation under section 1029.8.36.0.3.112 for the taxation year in which the fiscal period ends, to be determined as if

(a) the amount of assistance had been received by the partnership in the fiscal period; and

(b) the amount of assistance were equal to the product obtained by multiplying the amount of assistance otherwise determined by the reciprocal of the agreed proportion in respect of the corporation for that fiscal period.

Where a qualified partnership's fiscal period includes all or part of the transitional period and where, in the transitional period or part of that period, the qualified partnership's wholly-owned subsidiary carried out work on the qualified partnership's behalf in relation to recognized activities, the first paragraph applies in respect of an amount of government assistance or non-government assistance that is received or receivable by a corporation referred to in that paragraph and that is attributable to the wages that were incurred and paid by the wholly-owned subsidiary, in respect of the wholly-owned subsidiary's eligible employees, for the carrying out of the work, but the portion of the first paragraph before subparagraph *a* is to be read as follows:

“Where a corporation (other than an excluded corporation) that is a member of a qualified partnership at the end of a fiscal period of the qualified partnership has received, is entitled to receive or may reasonably expect to receive, on or before the last day of the six-month period following the end of the fiscal period, an amount of government assistance or non-government assistance that is attributable to the wages that were incurred and paid in respect of the eligible employees of the partnership's wholly-owned subsidiary and that were taken into account in computing the partnership's qualified expenditure for that fiscal period, such qualified expenditure is, for the purpose of computing the amount deemed to have been paid to the Minister by the corporation under section 1029.8.36.0.3.112 for the taxation year in which the fiscal period ends, to be determined as if”.

“1029.8.36.0.3.115. Where a corporation pays in a taxation year (in this section referred to as the “repayment year”), pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance, referred to in paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.0.3.109, that was taken into account for the purpose of computing the qualified wages incurred by the corporation in a particular taxation year, in relation to an eligible employee, and in respect of which the corporation is deemed to have paid an amount to the Minister under section 1029.8.36.0.3.111 for the particular year, the corporation is deemed to have paid to the Minister on the corporation's balance-due day for the repayment year, on account of its tax payable for that year under this Part, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the repayment year under section 1000, an amount equal to the amount by which the amount that

it would be deemed to have paid to the Minister under section 1029.8.36.0.3.111 for the particular year, in respect of the qualified wages, if any amount of assistance so repaid at or before the end of the repayment year had reduced, for the particular year, the aggregate determined under that paragraph *b*, exceeds the aggregate of

(a) the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.0.3.111 for the particular year, in respect of the qualified wages; and

(b) any amount that the corporation is deemed to have paid to the Minister under this section for a taxation year preceding the repayment year, in respect of an amount of repayment of such assistance.

Where a corporation's particular taxation year includes all or part of the transitional period and where, in the transitional period or part of that period, the corporation's wholly-owned subsidiary for the particular year carried out work on the corporation's behalf in relation to recognized activities, the first paragraph applies in respect of an amount that may reasonably be considered to be a repayment by the corporation of government assistance or non-government assistance attributable to the wages of that subsidiary's eligible employees, but is to be read

(a) as if “, referred to in paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.0.3.109, that was taken into account for the purpose of computing the qualified wages incurred by the corporation in a particular taxation year, in relation to an eligible employee, and in respect of which the corporation is deemed to have paid an amount to the Minister under section 1029.8.36.0.3.111” in the portion before subparagraph *a* were replaced by “that reduced, because of subparagraph *b* of the second paragraph of section 1029.8.36.0.3.109, the corporation's qualified expenditure for a particular taxation year, for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.0.3.111, in respect of such expenditure.”; and

(b) as if “in respect of the qualified wages” wherever it appears in the portion before subparagraph *b* were replaced by “in respect of the qualified expenditure”.

For the purposes of this section, an amount of government assistance or non-government assistance referred to in the third paragraph of section 1029.8.36.0.3.109 is deemed to be repaid by the corporation, pursuant to a legal obligation, at the time it is so repaid by another corporation that was the corporation's wholly-owned subsidiary for the particular taxation year.

“1029.8.36.0.3.116. Where a partnership pays in a fiscal period (in this section referred to as the “fiscal period of repayment”), pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance, referred to in paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.0.3.109, that was taken into account for the purpose of

computing the qualified wages incurred by the partnership, in relation to an eligible employee, in a particular fiscal period ending in a particular taxation year and in respect of which a corporation that is a member of the partnership at the end of the particular fiscal period is deemed to have paid an amount to the Minister under section 1029.8.36.0.3.112 for the particular taxation year, the corporation is deemed to have paid to the Minister on the corporation's balance-due day for its taxation year in which the fiscal period of repayment ends, on account of its tax payable for that year under this Part, if the corporation is a member of the partnership at the end of the fiscal period of repayment and if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the particular amount that the corporation would be deemed, if the assumptions set out in the second paragraph were taken into account, to have paid to the Minister under section 1029.8.36.0.3.112 for the particular year, in respect of the qualified wages, exceeds the total of

(a) the amount that the corporation would be deemed to have paid to the Minister under section 1029.8.36.0.3.112 for the particular year, in respect of the qualified wages, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment; and

(b) the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister under this section, for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of such assistance repaid by the partnership, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The particular amount to which the first paragraph refers is to be computed as if

(a) any amount of such assistance repaid by the partnership at or before the end of the fiscal period of repayment reduced, for the particular fiscal period, the aggregate determined under paragraph *b* of the definition of "qualified wages" in the first paragraph of section 1029.8.36.0.3.109; and

(b) the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

Where a partnership's particular fiscal period includes all or part of the transitional period and where, in the transitional period or part of that period, the partnership's wholly-owned subsidiary for the fiscal period carried out work on the partnership's behalf in relation to recognized activities, the first and second paragraphs apply in respect of an amount that may reasonably be considered to be a repayment by the partnership of government assistance or non-government assistance attributable to the wages of that subsidiary's eligible employees, but are to be read

(a) as if “, referred to in paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.0.3.109, that was taken into account for the purpose of computing the qualified wages incurred by the partnership, in relation to an eligible employee, in a particular fiscal period ending in a particular taxation year and in respect of which a corporation that is a member of the partnership at the end of the particular fiscal period is deemed to have paid an amount to the Minister under section 1029.8.36.0.3.112” in the portion before subparagraph *a* of the first paragraph were replaced by “that reduced, because of subparagraph *b* of the second paragraph of section 1029.8.36.0.3.109, the partnership’s qualified expenditure for a particular fiscal period ending in a particular taxation year, for the purpose of computing the amount that a corporation that is a member of the partnership at the end of the particular fiscal period is deemed to have paid to the Minister under section 1029.8.36.0.3.112, in respect of such expenditure.”;

(b) as if “in respect of the qualified wages” wherever it appears in the portion before subparagraph *b* of the first paragraph were replaced by “in respect of the qualified expenditure”; and

(c) as if “paragraph *b* of the definition of “qualified wages” in the first paragraph” in subparagraph *a* of the second paragraph were replaced by “subparagraph *b* of the second paragraph”.

For the purposes of this section, an amount of government assistance or non-government assistance referred to in the third paragraph of section 1029.8.36.0.3.109 is deemed to be repaid by the partnership, pursuant to a legal obligation, at the time it is so repaid by a corporation that was the partnership’s wholly-owned subsidiary for the particular fiscal period.

1029.8.36.0.3.117. Where a corporation that is a member of a partnership at the end of a fiscal period of the partnership (in this section referred to as the “fiscal period of repayment”) pays, in that fiscal period, pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance, in respect of wages included in computing the qualified wages incurred by the partnership in relation to an eligible employee, in a particular fiscal period, that is referred to in the portion of the first paragraph of section 1029.8.36.0.3.114 before subparagraph *a* and that reduced, in the manner provided for in that section, the qualified wages for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.0.3.112, in respect of the qualified wages, for its taxation year in which the particular fiscal period ends (in this section referred to as the “particular year”), the corporation is deemed to have paid to the Minister on the corporation’s balance-due day for its taxation year in which the fiscal period of repayment ends, on account of its tax payable for that year under this Part, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the particular amount that the corporation would be deemed,

if the assumptions set out in the second paragraph were taken into account, to have paid to the Minister under section 1029.8.36.0.3.112 for the particular year, in respect of the qualified wages, exceeds the total of

(a) the amount that the corporation would be deemed to have paid to the Minister under section 1029.8.36.0.3.112 for the particular year, in respect of the qualified wages, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment; and

(b) the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister under this section, for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of such assistance repaid by the corporation, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The particular amount to which the first paragraph refers is to be computed as if

(a) the aggregate described in paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.0.3.109 were reduced, for the particular fiscal period, by the amount obtained by multiplying the reciprocal of the agreed proportion, in respect of the corporation for the fiscal period of repayment, by an amount of such assistance repaid at or before the end of the fiscal period of repayment; and

(b) the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

Where a partnership’s particular fiscal period includes all or part of the transitional period and where, in the transitional period or part of that period, the partnership’s wholly-owned subsidiary for the fiscal period carried out work on the partnership’s behalf in relation to recognized activities, the first and second paragraphs apply in respect of an amount that may reasonably be considered to be a repayment, by a corporation that is a member of the partnership at the end of the fiscal period of repayment, of government assistance or non-government assistance attributable to the wages of that subsidiary’s eligible employees, but are to be read

(a) as if “, in respect of wages included in computing the qualified wages incurred by the partnership in relation to an eligible employee, in a particular fiscal period, that is referred to in the portion of the first paragraph of section 1029.8.36.0.3.114 before subparagraph *a* and that reduced, in the manner provided for in that section, the qualified wages” in the portion before subparagraph *a* of the first paragraph were replaced by “attributable to the wages taken into account in computing the qualified expenditure of the partnership for a particular fiscal period that is referred to in the portion of the

first paragraph of section 1029.8.36.0.3.114 before subparagraph *a* and that reduced, in the manner provided for in that section, because of subparagraph *b* of the second paragraph of section 1029.8.36.0.3.109, the qualified expenditure”;

(*b*) as if “in respect of the qualified wages” wherever it appears in the portion before subparagraph *b* of the first paragraph were replaced by “in respect of the qualified expenditure”; and

(*c*) as if “paragraph *b* of the definition of “qualified wages” in the first paragraph” in subparagraph *a* of the second paragraph were replaced by “subparagraph *b* of the second paragraph”.

“1029.8.36.0.3.118. For the purposes of sections 1029.8.36.0.3.115 to 1029.8.36.0.3.117, an amount of assistance is deemed to be repaid at a particular time by a corporation or a partnership, as the case may be, pursuant to a legal obligation, if that amount

(*a*) reduced, because of paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.0.3.109 or because of section 1029.8.36.0.3.114, the amount of the wages referred to in that paragraph *b*, for the purpose of computing qualified wages in respect of which the corporation or a corporation that is a member of the partnership is deemed to have paid an amount to the Minister under section 1029.8.36.0.3.111 or 1029.8.36.0.3.112, as the case may be;

(*b*) was not received by the corporation or the partnership; and

(*c*) ceased at the particular time to be an amount that the corporation or the partnership may reasonably expect to receive.

Where the repayment of assistance is in respect of assistance attributable to the wages of the eligible employees of the corporation’s or partnership’s wholly-owned subsidiary, the first paragraph applies in its respect, but subject to the following rules:

(*a*) subparagraph *a* is to be read as if “paragraph *b* of the definition of “qualified wages” in the first paragraph” and “of the wages referred to in that paragraph *b*, for the purpose of computing qualified wages in respect of which” were replaced by “subparagraph *b* of the second paragraph” and “of the corporation’s or partnership’s qualified expenditure in respect of which”, respectively; and

(*b*) where the amount was receivable by the corporation’s or partnership’s wholly-owned subsidiary,

i. the portion before subparagraph *a* is to be read as if “1029.8.36.0.3.115 to 1029.8.36.0.3.117” and “a corporation or a partnership” were replaced by “1029.8.36.0.3.115 and 1029.8.36.0.3.116” and “the wholly-owned subsidiary of a corporation or a partnership”, and

ii. both subparagraphs *b* and *c* are to be read as if “the corporation or the partnership” were replaced by “the wholly-owned subsidiary”.

“1029.8.36.0.3.119. (*a*) for the purpose of computing the amount that the qualified corporation is deemed to have paid to the Minister for a particular taxation year under section 1029.8.36.0.3.111, the qualified wages incurred by the corporation, in relation to the individual’s employment, in the particular year are to be determined by increasing the aggregate described in paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.0.3.109 by the amount of the benefit or advantage that the person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain on or before the corporation’s filing-due date for the particular year; and

(*b*) for the purpose of computing the amount that is deemed to have been paid to the Minister for a taxation year under section 1029.8.36.0.3.112, by a corporation that is a member of the qualified partnership at the end of the partnership’s particular fiscal period ending in the year, the qualified wages incurred by the partnership, in relation to the individual’s employment, in the particular fiscal period are to be determined by increasing the aggregate described in paragraph *b* of the definition of “qualified wages” in the first paragraph of section 1029.8.36.0.3.109 by

i. the amount of the benefit or advantage that a partnership or a person other than a person referred to in subparagraph ii has obtained, is entitled to obtain or may reasonably expect to obtain on or before the last day of the six-month period following the end of the particular fiscal period, or

Where the qualified corporation’s particular taxation year, or the qualified partnership’s particular fiscal period, includes all or part of the transitional period and where, in the transitional period or part of that period, the qualified corporation’s or qualified partnership’s wholly-owned subsidiary for the particular year or particular fiscal period carried out work on the qualified

corporation's or qualified partnership's behalf in relation to recognized activities, the first paragraph applies in respect of a benefit or advantage obtained or to be obtained in relation to the work, but is to be read

(a) as if "the employment of an individual with a qualified corporation or a qualified partnership as an eligible employee" and "to the employment" in the portion before subparagraph *a* were replaced by "the work carried out on behalf of a qualified corporation or a qualified partnership by the qualified corporation's or qualified partnership's wholly-owned subsidiary in relation to recognized activities" and "to the work", respectively;

(b) as if "the qualified wages incurred by the corporation, in relation to the individual's employment, in the particular year are to be determined" and "paragraph *b* of the definition of "qualified wages" in the first paragraph" in subparagraph *a* were replaced by "the corporation's qualified expenditure for the particular year is to be determined" and "subparagraph *b* of the second paragraph", respectively; and

1029.8.36.166.60.38. For the purposes of this division, the balance of a qualified corporation's cumulative specified expense limit for a particular taxation year is equal to

(a) where the qualified corporation is not a member of an associated group in the particular year, the amount by which \$100,000,000 exceeds the total of

i. the aggregate of all amounts each of which is the corporation's specified expenses in respect of a specified property, for a taxation year (in this subparagraph *a* referred to as a "preceding year concerned") that ends in the 48-month period preceding the beginning of the particular year, in respect of which an amount would be deemed to have been paid to the Minister by the corporation for the preceding year concerned under section 1029.8.36.166.60.48 if no reference were made to its third paragraph and the excluded expense amount relating to the specified property were equal to zero,

ii. the aggregate of all amounts each of which is the corporation's share of a partnership's specified expenses in respect of a specified property, for a fiscal period of the partnership that ends in a preceding year concerned, in respect of which an amount would be deemed to have been paid to the Minister by the corporation for the preceding year concerned under section 1029.8.36.166.60.49 if no reference were made to its third paragraph and the excluded expense amount relating to the specified property were equal to zero,

iii. the aggregate of all amounts each of which is the portion of the corporation's eligible expenses in respect of a qualified property, for the particular year or a preceding year concerned, that would be referred to in subparagraph i of subparagraph *a* of the first paragraph of section 1029.8.36.166.43

and in respect of which an amount would be deemed to have been paid to the Minister by the corporation for that year under that section if no reference were made to its third paragraph and the excluded expense amount relating to the qualified property were equal to zero, and

iv. the aggregate of all amounts each of which is the corporation's share of the portion of a partnership's eligible expenses in respect of a qualified property, for a fiscal period of the partnership that ends in the particular year or a preceding year concerned, that would be referred to in subparagraph i of subparagraph *a* of the first paragraph of section 1029.8.36.166.44 and in respect of which an amount would be deemed to have been paid to the Minister by the corporation for that year under that section if no reference were made to its third paragraph and the excluded expense amount relating to the qualified property were equal to zero; or

(*b*) where the qualified corporation is a member of an associated group in the particular year,

i. the amount attributed for the particular year to the corporation pursuant to the agreement described in the second paragraph and filed with the Minister in the prescribed form, or

ii. if no amount is attributed to the corporation pursuant to the agreement to which subparagraph i refers or in the absence of such an agreement but subject to section 1029.8.36.166.60.39, zero.

The agreement to which subparagraph i of subparagraph *b* of the first paragraph refers, in respect of a particular taxation year of the qualified corporation, is the agreement under which all the corporations that are members of the associated group in the particular taxation year attribute, for the purposes of this section, to one or more of the corporations that are members of the associated group, for the particular taxation year, one or more amounts the total of which is not greater than the amount by which \$100,000,000 exceeds the total of

(*a*) the aggregate of all amounts each of which is the specified expenses of a corporation that is a member of the associated group in the particular year in respect of a specified property, for a taxation year (in this paragraph referred to as a "preceding year concerned") that ends in a 48-month period preceding the beginning of the particular year, in respect of which an amount would be deemed to have been paid to the Minister by the corporation for the preceding year concerned under section 1029.8.36.166.60.48 if no reference were made to its third paragraph and the excluded expense amount relating to the specified property were equal to zero;

(*b*) the aggregate of all amounts each of which is the share of a corporation that is a member of the associated group in the particular year of a partnership's specified expenses in respect of a specified property, for a fiscal period of the partnership that ends in a preceding year concerned of the corporation, in respect of which an amount would be deemed to have been paid to the Minister

by the corporation for the preceding year concerned under section 1029.8.36.166.60.49 if no reference were made to its third paragraph and the excluded expense amount relating to the specified property were equal to zero;

(c) the aggregate of all amounts each of which is the portion of the eligible expenses of a corporation that is a member of the associated group in the particular year in respect of a qualified property, for a taxation year (in this paragraph referred to as a “specified year”) that ends in the particular year or is a preceding year concerned, that would be referred to in subparagraph i of subparagraph *a* of the first paragraph of section 1029.8.36.166.43 and in respect of which an amount would be deemed to have been paid to the Minister by that corporation for the specified year under that section if no reference were made to its third paragraph and the excluded expense amount relating to the qualified property were equal to zero; and

(d) the aggregate of all amounts each of which is the share of a corporation that is a member of the associated group in the particular year of the portion of a partnership’s eligible expenses in respect of a qualified property, for a fiscal period of the partnership that ends in a specified year of the corporation, that would be referred to in subparagraph i of subparagraph *a* of the first paragraph of section 1029.8.36.166.44 and in respect of which an amount would be deemed to have been paid to the Minister by that corporation for the specified year under that section if no reference were made to its third paragraph and the excluded expense amount relating to the qualified property were equal to zero.

Where the aggregate of the amounts attributed, in respect of a taxation year, pursuant to an agreement described in the second paragraph and entered into with the corporations that are members of an associated group in the year is greater than the excess amount determined under that paragraph, the amount determined under subparagraph i of subparagraph *b* of the first paragraph in respect of each of those corporations for the taxation year is deemed, for the purposes of this section, to be equal to the amount obtained by multiplying that excess amount by the proportion that the amount that was attributed to the corporation in the agreement, in respect of the year, is of the aggregate of the amounts that were so attributed.

“1029.8.36.166.60.39. Where corporations are part, in a taxation year, of an associated group and where a corporation that is a member of that group fails to file with the Minister the agreement to which subparagraph i of subparagraph *b* of the first paragraph of section 1029.8.36.166.60.38 refers within 30 days after notice in writing by the Minister has been sent to such a corporation that such an agreement is required for the purposes of any assessment of tax under this Part or for the determination of another amount, the Minister shall, for the purposes of this division, attribute an amount to one or more of the corporations that are members of that group for the taxation year, which amount or the aggregate of which amounts, as the case may be, must be equal to the excess amount determined for the year under the second

paragraph of section 1029.8.36.166.60.38, and, in such a case, the balance of the cumulative specified expense limit of each of those corporations, for the year, is equal to the amount so attributed to it.

“1029.8.36.166.60.40. For the purposes of this division, the balance of a qualified partnership’s cumulative specified expense limit for a particular fiscal period is equal to the amount by which \$100,000,000 exceeds the total of

(a) the aggregate of all amounts each of which is its specified expenses, in respect of a specified property, for a fiscal period (in this section referred to as the “preceding fiscal period concerned”) that ends in the 48-month period preceding the beginning of the particular fiscal period, in respect of which an amount would be deemed to have been paid to the Minister under section 1029.8.36.166.60.49 if no reference were made to its third paragraph and the excluded expense amount relating to the specified property were equal to zero; and

(b) the aggregate of all amounts each of which is the portion of its eligible expenses, in respect of a qualified property, for the particular fiscal period or a preceding fiscal period concerned, that would be referred to in subparagraph i of subparagraph a of the first paragraph of section 1029.8.36.166.44 and in respect of which an amount would be deemed to have been paid to the Minister under section 1029.8.36.166.44 if no reference were made to its third paragraph and the excluded expense amount relating to the qualified property were equal to zero.

“1029.8.36.166.60.41. For the purposes of this division, the balance of a joint venture’s cumulative specified expense limit for a particular fiscal period of the joint venture is equal to the amount by which \$100,000,000 exceeds the total of

(a) the aggregate of all amounts each of which is the specified expenses incurred by a corporation or a partnership in respect of a specified property as a party to the joint venture, in a fiscal period of the joint venture (in this paragraph referred to as the “preceding fiscal period concerned”) that ends in the 48-month period preceding the beginning of the particular fiscal period, in respect of which an amount would be deemed to have been paid to the Minister under section 1029.8.36.166.60.48 or 1029.8.36.166.60.49, as the case may be, if no reference were made to its third paragraph and the excluded expense amount relating to the specified property were equal to zero; and

(b) the aggregate of all amounts each of which is the portion of the eligible expenses incurred by a corporation or a partnership in respect of a qualified property as a party to the joint venture, in the particular fiscal period or a preceding fiscal period concerned of the joint venture, that would be referred to in subparagraph i of subparagraph a of the first paragraph of section 1029.8.36.166.43 or 1029.8.36.166.44, as the case may be, and in respect of which an amount would be deemed to have been paid to the Minister

under section 1029.8.36.166.43 or 1029.8.36.166.44 if no reference were made to its third paragraph and the excluded expense amount relating to the qualified property were equal to zero.

For the purposes of this section, a joint venture is deemed to be a partnership whose fiscal period ends on 31 December of a calendar year.

For the purposes of this division, the share of a corporation for a taxation year, or of a partnership for a fiscal period, of the balance of a joint venture's cumulative specified expense limit is equal,

(a) in the case of a corporation,

i. where its taxation year does not end on 31 December of a calendar year, to the aggregate of all amounts each of which is the proportion of its share, determined in accordance with the fourth paragraph, of the balance of the joint venture's cumulative specified expense limit for a fiscal period of the joint venture, a part of which is included in the taxation year, that the specified expenses incurred by the corporation as a party to the joint venture in that part of the fiscal period is of the aggregate of the specified expenses incurred by the corporation as a party to the joint venture in that fiscal period, or

ii. where its taxation year ends on 31 December of a calendar year, to its share, determined in accordance with the fourth paragraph, of the balance of the joint venture's cumulative specified expense limit for the joint venture's fiscal period whose end coincides with the end of the corporation's taxation year; and

(b) in the case of a partnership,

i. where its fiscal period does not end on 31 December of a calendar year, to the aggregate of all amounts each of which is the proportion of its share, determined in accordance with the fourth paragraph, of the balance of the joint venture's cumulative specified expense limit for the joint venture's fiscal period, a part of which is included in the partnership's fiscal period, that the specified expenses incurred by the partnership as a party to the joint venture in that part of the joint venture's fiscal period is of the aggregate of the specified expenses incurred by the partnership as a party to the joint venture in that fiscal period of the joint venture, or

ii. where its fiscal period ends on 31 December of a calendar year, to its share, determined in accordance with the fourth paragraph, of the balance of the joint venture's cumulative specified expense limit for the joint venture's fiscal period whose end coincides with the end of the partnership's fiscal period.

The share to which the third paragraph refers of a corporation or a partnership of the balance of a joint venture's cumulative specified expense limit for a fiscal period of the joint venture is equal to the proportion of that amount that the specified expenses incurred by the corporation or partnership, as the case may be, in that fiscal period as a party to the joint venture is of the aggregate of the specified expenses incurred in the joint venture's fiscal period.

“1029.3.36.166.60.42. For the purposes of this division, the assets that apply to a corporation for a taxation year are those that are shown in its financial statements submitted to the shareholders or, where such financial statements have not been prepared, or have not been prepared in accordance with generally accepted accounting principles, that would be shown if such financial statements had been so prepared, for its preceding taxation year or, where the corporation is in its first fiscal period, at the beginning of that fiscal period.

However, where the corporation is a cooperative, the first paragraph is to be read as if “submitted to the shareholders” were replaced by “submitted to the members”.

In computing the assets of a corporation, the amount of the surplus reassessment of its property and the amount of its incorporeal assets must be subtracted, to the extent that the amount shown exceeds the expenditure made in their respect.

Where all or part of an expenditure made in respect of incorporeal assets consists of shares of the corporation's or cooperative's capital stock, all or the part of the expenditure, as the case may be, is deemed to be nil.

Where, in a taxation year, a corporation is a member of an associated group, the assets that apply to the corporation for the year are equal to the amount by which the aggregate of the assets of the corporation and of those of each other corporation that is a member of the group, determined in accordance with this section, exceeds the aggregate of the amount of investments the corporations own in each other and the balance of accounts between the corporations.

“1029.3.36.166.60.43. Where, in relation to a taxation year, a qualified corporation or, where it is a member of an associated group in the year, another corporation that is a member of that group reduces its assets by any transaction and that reduction increases the amount that the qualified corporation would, but for this section, be deemed to have paid to the Minister under this division for that year, the assets are deemed not to have been so reduced unless the Minister decides otherwise.

“1029.3.36.166.60.44. For the purposes of this division, the gross revenue that applies to a qualified corporation for a taxation year is its gross revenue for the preceding taxation year.

Where a qualified corporation is a member of an associated group in a taxation year, the gross revenue that applies to it for the year is the amount that would be the associated group's gross revenue for its preceding taxation year if it were computed on the basis of the consolidated income statement of the members of the associated group for the preceding year and each member of the group had an establishment in Québec.

For the purpose of preparing the consolidated income statement of the members of an associated group for a particular taxation year of a corporation, the income statements taken into account are that of the corporation for the particular year and those of the other corporations that are members of the group for their taxation year that ends in the particular year.

“1029.8.36.166.60.45. The amount to which the definition of “maximum tax credit amount” in the first paragraph of section 1029.8.36.166.60.36 refers, in relation to a corporation for a taxation year, is equal to the product obtained by multiplying, by the proportion determined by the formula in the third paragraph, the amount by which the total amount that the corporation would be deemed to have paid to the Minister for the taxation year under sections 1029.8.36.166.60.48 and 1029.8.36.166.60.49 if no reference were made to their third paragraph exceeds the amount by which its total taxes for the year exceed the amount it is deemed to have paid to the Minister for the year under section 1029.8.36.166.60.51.

The amount to which the definition of “limit relating to an unused portion” in the first paragraph of section 1029.8.36.166.60.36 refers, in relation to a corporation for a taxation year, is equal to the product obtained by multiplying, by the proportion determined by the formula in the third paragraph, the amount by which the aggregate of all amounts each of which is an excess amount described in subparagraph *a* of the first paragraph of section 1029.8.36.166.60.51 exceeds the corporation's total taxes for the year.

The formula to which the first and second paragraphs refer is

$$1 - [(A - \$50,000,000)/\$50,000,000].$$

In the formula in the third paragraph, A is the greater of

(a) \$50,000,000; and

(b) the greater of the assets and the gross revenue that applies to the corporation for the taxation year, without exceeding \$100,000,000.

“1029.8.36.166.60.46. Where it may reasonably be considered that one of the main reasons for the separate existence of two or more corporations in a taxation year is to cause a qualified corporation to be deemed to have paid an amount to the Minister under this division for that year or to increase an amount that such a corporation is deemed to have paid to the Minister under this division for that year, those corporations are deemed, for the purposes of this division, to be associated with each other in the year.

“1029.8.36.166.60.47. For the purposes of this division, a corporation’s share of a particular amount, in relation to a partnership of which the corporation is a member at the end of a fiscal period, is equal to the agreed proportion of the amount in respect of the corporation for the fiscal period.

“§2. — *Credits*

“1029.8.36.166.60.48. A qualified corporation for a taxation year that encloses the documents described in the fifth paragraph with the fiscal return it is required to file for the year under section 1000 is deemed, subject to the fourth paragraph, to have paid to the Minister on the qualified corporation’s balance-due day for the year, on account of its tax payable for the year under this Part, an amount equal to the aggregate of all amounts each of which is the product obtained by multiplying its specified expenses for the year in respect of a specified property by the rate determined in respect of the property for the year under section 1029.8.36.166.60.50, to the extent that those expenses are paid and that the aggregate of those expenses is established subject to the second paragraph and does not include the portion, determined by the qualified corporation, of its specified expenses incurred in the year as a party to a joint venture that exceeds its share for the year of the balance of the joint venture’s cumulative specified expense limit.

The total of the specified expenses referred to in the first paragraph in respect of a corporation for a taxation year may not exceed the amount that is the amount by which the balance of its cumulative specified expense limit for the year exceeds the aggregate of all amounts each of which is its share of the specified expenses that would be referred to in the first paragraph of section 1029.8.36.166.60.49 for the year and in respect of which the corporation would be deemed to have paid an amount to the Minister for the year under section 1029.8.36.166.60.49 if no reference were made to its third paragraph and if the definition of “specified expenses” in the first paragraph of section 1029.8.36.166.60.36 were read without reference to “the amount by which the excluded expense amount relating to the partnership’s specified property for the particular fiscal period is exceeded by” in the portion of its paragraph *b* before subparagraph *i*.

The total amount that the corporation is deemed to have paid to the Minister for the year under the first paragraph and, if applicable, under the first paragraph of section 1029.8.36.166.60.49 may not exceed the corporation’s maximum tax credit amount for the year.

For the purpose of computing the payments that a corporation is required to make under subparagraph *a* of the first paragraph of section 1027, or any of sections 1159.7, 1175 and 1175.19 if they refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of its tax payable for the year under this Part and of its tax payable for the year under Parts IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(a) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

The documents to which the first paragraph refers are the following:

(a) the prescribed form containing prescribed information; and

(b) a copy of the agreement described in section 1029.8.36.166.60.38, if applicable.

“1029.8.36.166.60.49. A qualified corporation for a taxation year that is a member of a qualified partnership at the end of a particular fiscal period of the partnership that ends in the year and that encloses the documents described in the sixth paragraph with the fiscal return it is required to file for the year under section 1000 is deemed, subject to the fourth paragraph, to have paid to the Minister on the qualified corporation’s balance-due day for the year, on account of its tax payable for the year under this Part, an amount equal to the aggregate of all amounts each of which is the product obtained by multiplying its share of the partnership’s specified expenses for the particular fiscal period in respect of a specified property by the rate determined for the year under section 1029.8.36.166.60.50, in respect of the property, to the extent that those expenses are paid and that its share of the aggregate of those expenses is established subject to the second paragraph and includes neither its share of the portion, determined by the qualified corporation, of the qualified partnership’s specified expenses for the particular fiscal period that exceeds the balance of the partnership’s cumulative specified expense limit for the particular fiscal period, nor its share of the portion, determined by the qualified corporation, of such expenses incurred by the partnership in the particular fiscal period as a party to a joint venture that exceeds the partnership’s share for the particular fiscal period of the balance of the joint venture’s cumulative specified expense limit.

The total of all amounts each of which is a corporation’s share of the specified expenses that are referred to in the first paragraph for a taxation year may not exceed the amount that is the amount by which the balance of its cumulative specified expense limit for the year exceeds the total of the specified expenses that would be referred to in the first paragraph of section 1029.8.36.166.60.48 for the year and in respect of which the corporation would be deemed to have paid an amount to the Minister for the year under section 1029.8.36.166.60.48 if no reference were made to its third paragraph and if the definition of “specified expenses” in the first paragraph of section 1029.8.36.166.60.36 were read

without reference to “the amount by which the excluded expense amount relating to the corporation’s specified property for the particular year is exceeded by” in the portion of its paragraph *a* before subparagraph *i*.

The total amount that the corporation is deemed to have paid to the Minister for the year under the first paragraph and, if applicable, under the first paragraph of section 1029.8.36.166.60.48 may not exceed the corporation’s maximum tax credit amount for the year.

For the purpose of computing the payments that a corporation is required to make under subparagraph *a* of the first paragraph of section 1027, or any of sections 1159.7, 1175 and 1175.19 if they refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of its tax payable for the year under this Part and of its tax payable for the year under Parts IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(*a*) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(*b*) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

Despite the definition of “specified expenses” in the first paragraph of section 1029.8.36.166.60.36 and for the purpose of applying this section to a corporation referred to in the first paragraph, the specified expenses of a partnership of which the corporation is a member for a particular fiscal period, in respect of a specified property, do not include the expenses that would otherwise be such specified expenses because of subparagraph *ii* of paragraph *b* of that definition and that are incurred in a fiscal period of the partnership that ends in a taxation year for which the corporation was not a qualified corporation.

The documents to which the first paragraph refers are the following:

(*a*) the prescribed form containing prescribed information; and

(*b*) a copy of the agreement described in section 1029.8.36.166.60.38, if applicable.

“1029.8.36.166.60.50. The rate to which the first paragraph of sections 1029.8.36.166.60.48 and 1029.8.36.166.60.49 refers in respect of a specified property of a corporation or a partnership for a particular taxation year is

(a) where the specified property is acquired to be used mainly in a territory with low economic vitality, 20%;

(b) where the specified property is acquired to be used mainly in a territory with intermediate economic vitality, 15%; or

(c) where the specified property is acquired to be used mainly in a territory with high economic vitality, 10%.

Where a specified property that is referred to in subparagraph v of paragraph b of the definition of that expression in the first paragraph of section 1029.8.36.166.60.36 is acquired by a qualified corporation or a qualified partnership to be used in several establishments of the corporation or partnership without it being possible to determine in which territory referred to in the first paragraph the property is to be mainly used, the property is, for the purposes of the first paragraph, deemed to be acquired to be so used

(a) in a territory with low economic vitality if, in the first taxation year or the first fiscal period, as the case may be, in which specified expenses were incurred for the acquisition of the property, the proportion that the aggregate of the salaries or wages paid by the corporation or partnership to its employees who report for work at one of its establishments situated in a territory with low economic vitality is of the aggregate of the salaries or wages it paid to its employees who report for work at one of its establishments situated in Québec exceeds 50%;

(b) in a territory with intermediate economic vitality if subparagraph a does not apply and if, in the first taxation year or the first fiscal period, as the case may be, in which specified expenses were incurred for the acquisition of the property, the proportion that the aggregate of the salaries or wages paid by the corporation or partnership to its employees who report for work at one of its establishments situated in a territory with intermediate economic vitality or in a territory with low economic vitality is of the aggregate of the salaries or wages it paid to its employees who report for work at one of its establishments situated in Québec exceeds 50%; or

(c) in any other case, in a territory with high economic vitality.

For the purposes of the second paragraph, the following rules are taken into account:

(a) where, in a taxation year or a fiscal period, an employee reports for work at an establishment of a corporation or partnership situated in Québec and at an establishment of the corporation or partnership situated outside Québec, the employee is deemed, for that period,

i. unless subparagraph ii applies, to report for work only at the establishment situated in Québec, or

ii. to report for work only at the establishment situated outside Québec if, during that period, the employee reports for work mainly at an establishment of the corporation or partnership situated outside Québec;

(b) where, in a taxation year or a fiscal period, an employee reports for work at several establishments of a corporation or partnership and those establishments are situated in territories referred to in the first paragraph that do not have the same level of economic vitality, the employee is deemed, for that period,

i. to report for work only at an establishment situated in a territory with low economic vitality if the employee reports for work mainly, during that period, at one or more establishments of the corporation or partnership situated in such a territory,

ii. to report for work only at an establishment situated in a territory with intermediate economic vitality if subparagraph i does not apply and the employee reports for work mainly, during that period, at one or more establishments of the corporation or partnership situated in such a territory or in a territory with low economic vitality, or

iii. in any other case, to report for work only at an establishment situated in a territory with high economic vitality; and

(c) where, in a taxation year or a fiscal period, an employee is not required to report for work at an establishment of a corporation or partnership and the employee's wages in relation to that period are paid from such an establishment situated in Québec, the employee is deemed to report for work at that establishment if the duties performed by the employee during that period are performed mainly in Québec.

“1029.8.36.166.60.51. Subject to section 1029.8.36.166.60.54, a corporation that encloses the prescribed form containing prescribed information with the fiscal return it is required to file under section 1000 for a particular taxation year is deemed, subject to the second paragraph, to have paid to the Minister on the corporation's balance-due day for the particular year, on account of its tax payable for that year under this Part, an amount equal to the aggregate of all amounts each of which is the lesser of

(a) the amount by which the unused portion of the tax credit of the corporation for a taxation year (in subparagraph *b* referred to as the “original year”) that is any of the 20 taxation years that precede the particular year exceeds the aggregate of all amounts each of which is an amount deemed to have been paid to the Minister by the corporation under this section or section 1029.8.36.166.60.52, in respect of the unused portion of the tax credit, on account of its tax payable for a taxation year preceding the particular year; and

(b) the amount by which the corporation's limit relating to an unused portion for the particular year exceeds the aggregate of all amounts each of which is equal to the amount deemed to be paid by the corporation under this section, for the particular year, in respect of the unused portion of the tax credit of the corporation for a taxation year preceding the original year.

For the purpose of computing the payments that a corporation is required to make under subparagraph *a* of the first paragraph of section 1027 or any of sections 1159.7, 1175 and 1175.19 if they refer to that subparagraph *a*, the corporation is deemed to have paid to the Minister, on account of the aggregate of its tax payable for the year under this Part and of its tax payable for the year under Parts IV.1, VI and VI.1, on the date on or before which each payment is required to be made, an amount equal to the lesser of

(a) the amount by which the amount determined under the first paragraph for the year exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed to have been paid to the Minister under this paragraph in the year but before that date; and

(b) the amount by which the amount of that payment, determined without reference to this chapter, exceeds the aggregate of all amounts each of which is an amount that is deemed, under this chapter but otherwise than under the first paragraph, to have been paid to the Minister on that date, for the purpose of computing that payment.

“1029.8.36.166.60.52. Subject to section 1029.8.36.166.60.55, a corporation is deemed, for a particular taxation year ending after 10 March 2020, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file under section 1000 for a taxation year (in this section referred to as the “subsequent year”) that is any of the three taxation years that follow the particular year, to have paid to the Minister, in relation to the unused portion of the tax credit of the corporation for the subsequent year, on the day on which the form is filed with the Minister, an amount equal to the lesser of

(a) the amount by which the unused portion of the tax credit of the corporation for the subsequent year exceeds the aggregate of all amounts each of which is an amount deemed to have been paid to the Minister by the corporation under this section, in respect of the unused portion, for a taxation year preceding the particular year; and

(b) the amount by which its total taxes for the particular year exceed the aggregate of all amounts each of which is an amount that the corporation is deemed to have paid to the Minister for the particular year under any of sections 1029.8.36.166.60.48, 1029.8.36.166.60.49 and 1029.8.36.166.60.51, or under this section in respect of the unused portion of the tax credit of the corporation for a taxation year preceding the subsequent year.

“1029.8.36.166.60.53. No amount may be deemed to have been paid to the Minister by a qualified corporation for a particular taxation year under section 1029.8.36.166.60.48 or 1029.8.36.166.60.49, in relation to its specified expenses or its share of a qualified partnership’s specified expenses, as the case may be, in respect of a specified property, where, at any time during the period described in the second paragraph, the property ceases, otherwise than by reason of its loss, of its involuntary destruction by fire, theft or water, or of a major breakdown of the property, to be used, where the property is referred to in subparagraph *v* of paragraph *b* of the definition of “specified property” in the first paragraph of section 1029.8.36.166.60.36, mainly in Québec or, in any other case, solely in Québec, to earn income from a business carried on

(*a*) by the first purchaser of the property, where the first purchaser owns it at the time referred to in the portion before this subparagraph; or

(*b*) by a subsequent purchaser of the property that acquired it in any of the circumstances in which section 130R149 of the Regulation respecting the Taxation Act (chapter I-3, r. 1) applies, where the subsequent purchaser owns it at the time referred to in the portion before subparagraph *a*.

The period to which the first paragraph refers is the period that begins on the particular day on which the property begins to be used by its first purchaser or by a subsequent purchaser that acquired the property in any of the circumstances in which section 130R149 of the Regulation respecting the Taxation Act applies and ends on the earlier of

(*a*) the 730th day following the particular day; and

(*b*) the qualified corporation’s filing-due date for the particular taxation year or the last day of the six-month period following the end of the qualified partnership’s fiscal period that ends in the particular year, as the case may be.

“1029.8.36.166.60.54. Where, at any time, control of a corporation is acquired by a person or a group of persons, no amount may, for a particular taxation year ending after that time, be deemed, under section 1029.8.36.166.60.51, to have been paid to the Minister by the corporation in respect of its unused portion of the tax credit for a taxation year ending before that time.

However, subject to section 1029.8.36.166.60.53, the corporation may be deemed to have paid an amount to the Minister, for such a particular taxation year, in respect of the portion of the unused portion of the tax credit for a taxation year ending before that time that may reasonably be considered to be attributable to the carrying on of a business, if the corporation carried on the business throughout the particular year for profit or with a reasonable expectation of profit.

The amount that the corporation may be deemed to have paid to the Minister for the particular year under section 1029.8.36.166.60.51 in respect of the portion referred to in the second paragraph must be determined as if the total

taxes used in establishing, for the particular year, the corporation's limit relating to an unused portion referred to in subparagraph *b* of the first paragraph of that section were the portion of such total taxes of the corporation for the particular year that may reasonably be attributed to the carrying on of that business and—if the corporation sold, leased, rented or developed properties or rendered services in the course of carrying on that business before that time—of any other business substantially all the income of which is derived from the sale, leasing, rental or development, as the case may be, of similar properties, or the rendering of similar services.

“1029.8.36.166.60.55. Where, at any time, control of a corporation is acquired by a person or a group of persons, no amount may, for a particular taxation year ending before that time, be deemed, under section 1029.8.36.166.60.52, to have been paid to the Minister by the corporation in respect of its unused portion of the tax credit for a taxation year ending after that time.

However, the corporation may be deemed to have paid an amount to the Minister, for such a particular taxation year, in respect of the portion of the unused portion of the tax credit for a taxation year ending after that time that may reasonably be considered to be attributable to the carrying on of a business, if the corporation carried on the business throughout that taxation year and in the particular year for profit or with a reasonable expectation of profit.

The amount that the corporation may be deemed to have paid to the Minister for the particular year under section 1029.8.36.166.60.52 in respect of the portion referred to in the second paragraph must be determined as if the reference to the total taxes in that section were a reference to the portion of the corporation's total taxes for the particular year that may reasonably be attributed to the carrying on of that business and—if the corporation sold, leased, rented or developed properties or rendered services in the course of carrying on that business before that time—of any other business substantially all the income of which is derived from the sale, leasing, rental or development, as the case may be, of similar properties, or the rendering of similar services.

“1029.8.36.166.60.56. For the purposes of this division, a corporation or partnership deemed to have acquired a property at a particular time under paragraph *b* of section 125.1 is deemed to have acquired the property at that time in consideration for expenses, incurred and paid at that time, that correspond to the fair market value of the property at that time, and to own the property from that time until the corporation or partnership is deemed to dispose of the property under paragraph *f* of section 125.1.

“§3. — Government assistance, non-government assistance and other particulars

“1029.8.36.166.60.57. For the purpose of computing the amount that is deemed to have been paid to the Minister by a corporation, for a taxation year, under section 1029.8.36.166.60.48 or 1029.8.36.166.60.49, the following rules apply:

(a) the amount of the specified expenses referred to in the first paragraph of section 1029.8.36.166.60.48 is to be reduced, if applicable, by the amount of any government assistance or non-government assistance, attributable to those expenses, that the corporation has received, is entitled to receive or may reasonably expect to receive on or before the corporation's filing-due date for the taxation year; and

(b) the corporation's share of a partnership's specified expenses, referred to in the first paragraph of section 1029.8.36.166.60.49, for the partnership's fiscal period that ends in the taxation year is to be reduced, if applicable,

i. by the corporation's share of the amount of any government assistance or non-government assistance, attributable to those expenses, that the partnership has received, is entitled to receive or may reasonably expect to receive on or before the last day of the six-month period following the end of the fiscal period, and

ii. by the amount of any government assistance or non-government assistance, attributable to those expenses, that the corporation has received, is entitled to receive or may reasonably expect to receive on or before the last day of the six-month period following the end of the fiscal period.

“1029.8.36.166.60.58. For the purpose of computing the amount that a corporation is deemed to have paid to the Minister under section 1029.8.36.166.60.51 for a particular taxation year in respect of its unused portion of the tax credit for a particular preceding taxation year, in relation to specified expenses of the corporation or of a partnership of which it was a member at the end of the partnership's fiscal period ending in the particular preceding year, the unused portion of the tax credit of the corporation, otherwise determined, is to be reduced by the amount determined under the second paragraph if

(a) in the particular year or a preceding taxation year, an amount relating to the corporation's specified expenses, other than an amount reducing those expenses in accordance with section 1029.8.36.166.60.57 or 1029.8.36.166.60.65, is, directly or indirectly, refunded or otherwise paid to the corporation or allocated to a payment to be made by the corporation; or

(b) in a fiscal period of the partnership ending in the particular year or in a preceding taxation year and at the end of which the corporation is a member of the partnership, an amount relating to the partnership's specified expenses, other than an amount reducing those expenses in accordance with section 1029.8.36.166.60.57 or 1029.8.36.166.60.65, is, directly or indirectly, refunded or otherwise paid to the partnership or corporation or allocated to a payment to be made by the partnership or corporation.

The amount to which the first paragraph refers is equal to the amount by which the unused portion of the tax credit of the corporation for the particular preceding year, otherwise determined, exceeds the amount that would be the amount of the unused portion of the tax credit of the corporation if

(a) any amount referred to in subparagraph *a* of the first paragraph that is, directly or indirectly, refunded or otherwise paid to the corporation or allocated to a payment to be made by the corporation were directly or indirectly, refunded or otherwise paid to the corporation or allocated to a payment to be made by the corporation in the particular preceding year; and

(b) any amount referred to in subparagraph *b* of the first paragraph that is, directly or indirectly, refunded or otherwise paid to the corporation or partnership or allocated to a payment to be made by the corporation or partnership were directly or indirectly, refunded or otherwise paid to the corporation or partnership or allocated to a payment to be made by the corporation or partnership in the partnership's fiscal period ending in the particular preceding year.

Where, in respect of the specified expenses referred to in the first paragraph, a person other than the corporation, or a partnership other than the partnership of which the corporation is a member, has obtained, at a particular time, a benefit or advantage that would have reduced those expenses in accordance with section 1029.8.36.166.60.65 if the person or partnership had obtained it, had been entitled to obtain it or could reasonably have expected to obtain it on or before the corporation's filing-due date for the particular preceding taxation year, or on or before the last day of the six-month period following the end of the fiscal period of the partnership of which the corporation is a member that ended in the particular preceding taxation year, the benefit or advantage is, for the purposes of the first and second paragraphs,

(a) if those expenses were incurred by the corporation, deemed to be an amount that is paid to the corporation at that time; or

(b) if those expenses were incurred by the partnership of which the corporation is a member, deemed to be

i. an amount that is paid to that partnership at that time, where that benefit or advantage has been obtained by another partnership or by a person other than the person referred to in subparagraph ii, or

ii. an amount that is paid to the corporation at that time, where that benefit or advantage has been obtained by a person with whom the corporation does not deal at arm's length.

“1029.8.36.166.60.59. For the purpose of applying section 1029.8.36.166.60.58 to a corporation for a taxation year, the specified expenses, in respect of a specified property, of the corporation for a particular preceding taxation year or of a partnership for a fiscal period of the partnership that ends in the particular preceding year and at the end of which the corporation was a member of the partnership, are deemed to be repaid to the corporation or partnership, as the case may be, at a particular time of the period described in the second paragraph, where the property ceases, at that time, otherwise than by reason of its loss, of its involuntary destruction by fire, theft or water, or of a major breakdown of the property, to be used, where the property is referred

to in subparagraph *v* of paragraph *b* of the definition of “specified property” in the first paragraph of section 1029.8.36.166.60.36, mainly in Québec or, in any other case, solely in Québec, to earn income from a business carried on

(*a*) by the first purchaser of the property, where the first purchaser owns it at the particular time; or

(*b*) by a subsequent purchaser of the property that acquired it in any of the circumstances in which section 130R149 of the Regulation respecting the Taxation Act (chapter I-3, r. 1) applies, where the subsequent purchaser owns it at the particular time.

The period to which the first paragraph refers is the period that begins on the particular day on which the property begins to be used by its first purchaser or by a subsequent purchaser that acquired the property in any of the circumstances in which section 130R149 of the Regulation respecting the Taxation Act applies, and that ends on the earlier of

(*a*) the 730th day following the particular day; and

(*b*) the last day of the corporation’s taxation year or of the partnership’s fiscal period, as the case may be, that includes the particular time.

The first paragraph does not apply to a corporation for a taxation year, in relation to specified expenses, in respect of a specified property, of the corporation for a particular preceding taxation year or of a partnership of which the corporation is a member for a fiscal period that ends in the particular preceding taxation year, if section 1029.8.36.166.60.53 applied, in relation to the specified expenses, for the particular preceding taxation year.

“1029.8.36.166.60.60. Where a corporation pays, in a taxation year (in this section referred to as the “repayment year”), pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of paragraph *a* of section 1029.8.36.166.60.57, the corporation’s specified expenses in respect of a specified property for a particular taxation year, for the purpose of computing the amount that it is deemed to have paid to the Minister under section 1029.8.36.166.60.48 for that particular year, the corporation is deemed to have paid to the Minister on the corporation’s balance-due day for the repayment year, on account of its tax payable for that year under this Part, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the repayment year under section 1000, an amount equal to the amount by which the aggregate of all amounts each of which is an amount that it would be deemed to have paid to the Minister, in respect of its specified expenses for the particular year, under section 1029.8.36.166.60.48 for the particular year, or under section 1029.8.36.166.60.51 or 1029.8.36.166.60.52 for another taxation year that precedes the repayment year, if any amount of such assistance so repaid

at or before the end of the repayment year had reduced, for the particular year, the amount of any government assistance or non-government assistance referred to in paragraph *a* of section 1029.8.36.166.60.57, exceeds the aggregate of

(a) the aggregate of all amounts each of which is an amount that the corporation is deemed to have paid to the Minister, in respect of those expenses, under section 1029.8.36.166.60.48 for the particular year, or under section 1029.8.36.166.60.51 or 1029.8.36.166.60.52 for another taxation year that precedes the repayment year; and

(b) any amount that the corporation is deemed to have paid to the Minister under this section for a taxation year preceding the repayment year, in respect of an amount of repayment of such assistance.

“1029.8.36.166.60.61. Where a partnership pays, in a fiscal period (in this section referred to as the “fiscal period of repayment”), pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph *i* of paragraph *b* of section 1029.8.36.166.60.57, a corporation’s share of the partnership’s specified expenses in respect of a specified property for a particular fiscal period, for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.166.60.49 for its taxation year in which the particular fiscal period ended, the corporation is deemed to have paid to the Minister on the corporation’s balance-due day for its taxation year in which the fiscal period of repayment ends, on account of its tax payable for that year under this Part, if the corporation is a member of the partnership at the end of the fiscal period of repayment and if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the aggregate of all amounts each of which is a particular amount that the corporation would be deemed, if the assumptions set out in the second paragraph were taken into account, to have paid to the Minister, in respect of its share of the partnership’s specified expenses for the particular fiscal period, under section 1029.8.36.166.60.49 for its taxation year in which the particular fiscal period ends, or under section 1029.8.36.166.60.51 or 1029.8.36.166.60.52 for another taxation year that precedes the taxation year in which the fiscal period of repayment ends, exceeds the aggregate of

(a) the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister, in respect of that share, under section 1029.8.36.166.60.49 for its taxation year in which the particular fiscal period ends, or under section 1029.8.36.166.60.51 or 1029.8.36.166.60.52 for another taxation year that precedes the taxation year in which the fiscal period of repayment ends, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment; and

(b) any amount that the corporation would be deemed to have paid to the Minister under this section for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of such assistance repaid by the partnership, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The particular amount to which the first paragraph refers is to be computed as if

(a) any amount of assistance repaid at or before the end of the fiscal period of repayment reduced, for the particular fiscal period, the amount of any government assistance or non-government assistance referred to in subparagraph i of paragraph *b* of section 1029.8.36.166.60.57; and

(b) the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

“1029.8.36.166.60.62. Where a corporation is a member of a partnership at the end of a fiscal period of the partnership (in this section referred to as the “fiscal period of repayment”) and pays, in the fiscal period of repayment, pursuant to a legal obligation, an amount that may reasonably be considered to be a repayment of government assistance or non-government assistance that reduced, because of subparagraph ii of paragraph *b* of section 1029.8.36.166.60.57, its share of the partnership’s specified expenses in respect of a specified property for a particular fiscal period, for the purpose of computing the amount that the corporation is deemed to have paid to the Minister under section 1029.8.36.166.60.49 for its taxation year in which the particular fiscal period ended, the corporation is deemed to have paid to the Minister on the corporation’s balance-due day for its taxation year in which the fiscal period of repayment ends, on account of its tax payable for that year under this Part, if it encloses the prescribed form containing prescribed information with the fiscal return it is required to file for the year under section 1000, an amount equal to the amount by which the aggregate of all amounts each of which is a particular amount that the corporation would be deemed, if the assumptions set out in the second paragraph were taken into account, to have paid to the Minister, in respect of its share of the partnership’s specified expenses for the particular fiscal period, under section 1029.8.36.166.60.49 for its taxation year in which the particular fiscal period ends, or under section 1029.8.36.166.60.51 or 1029.8.36.166.60.52 for another taxation year that precedes the taxation year in which the fiscal period of repayment ends, exceeds the aggregate of

(a) the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister, in respect of that share, under section 1029.8.36.166.60.49 for its taxation year in which the particular fiscal period ends, or under section 1029.8.36.166.60.51 or 1029.8.36.166.60.52 for another taxation year that precedes the taxation year

in which the fiscal period of repayment ends, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment; and

(b) any amount that the corporation would be deemed to have paid to the Minister under this section for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in respect of an amount of such assistance repaid by the corporation, if the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

The particular amount to which the first paragraph refers is to be computed as if

(a) any amount of assistance repaid at or before the end of the fiscal period of repayment reduced, for the particular fiscal period, the amount of any government assistance or non-government assistance referred to in subparagraph ii of paragraph *b* of section 1029.8.36.166.60.57; and

(b) the agreed proportion in respect of the corporation for the particular fiscal period were the same as that for the fiscal period of repayment.

“1029.8.36.166.60.63. For the purposes of sections 1029.8.36.166.60.60 to 1029.8.36.166.60.62, an amount of assistance is deemed to be repaid, at a particular time, by a corporation or a partnership, as the case may be, pursuant to a legal obligation, if that amount

(a) reduced, because of section 1029.8.36.166.60.57, specified expenses or the share of such expenses of a corporation that is a member of the partnership, for the purpose of computing the amount that the corporation or the corporation that is a member of the partnership is deemed to have paid to the Minister for a taxation year under section 1029.8.36.166.60.48 or 1029.8.36.166.60.49;

(b) was not received by the corporation or partnership; and

(c) ceased at the particular time to be an amount that the corporation or partnership may reasonably expect to receive.

“1029.8.36.166.60.64. For the purpose of computing the amount that a corporation is deemed to have paid to the Minister under section 1029.8.36.166.60.51 for a particular taxation year in respect of its unused portion of the tax credit for a particular preceding taxation year, the unused portion of the tax credit of the corporation, otherwise determined, must, if the conditions set out in the second paragraph are met for the particular year or for a preceding taxation year (each of which is referred to in this section as a “year of increase”), be increased by the aggregate of all amounts each of which is the excess amount referred to in subparagraph *b* of the second paragraph for a year of increase.

For the purposes of the first paragraph, the conditions that must be met for a year of increase are as follows:

(a) any of sections 1029.8.36.166.60.60 to 1029.8.36.166.60.63 applies to the corporation for the year of increase in relation to a particular amount that may reasonably be considered to be a repayment, made in the year of increase or in a partnership's fiscal period ending in the year of increase, of government assistance or non-government assistance that reduced, because of section 1029.8.36.166.60.57, the corporation's specified expenses, in respect of a specified property, for the particular preceding year or the corporation's share of the partnership's specified expenses, in respect of a specified property, for a fiscal period of the partnership ending in the particular preceding year; and

(b) the total amount that the corporation would be deemed to have paid to the Minister for the particular preceding year under sections 1029.8.36.166.60.48 and 1029.8.36.166.60.49 if the assumptions set out in the third paragraph were taken into account exceeds the particular amount determined under the fourth paragraph.

The total amount to which subparagraph *b* of the second paragraph refers is to be computed as if

(a) no reference were made to the third paragraph of sections 1029.8.36.166.60.48 and 1029.8.36.166.60.49;

(b) where section 1029.8.36.166.60.61 or 1029.8.36.166.60.62 applies to the corporation for the year of increase, the agreed proportion, in respect of the corporation for the partnership's fiscal period ending in the particular preceding year, were the same as that for the fiscal period ending in the year of increase; and

(c) any particular amount referred to in subparagraph *a* of the second paragraph that may reasonably be considered to be a repayment of government assistance or non-government assistance referred to in that subparagraph reduced the amount of government assistance or non-government assistance.

The particular amount to which subparagraph *b* of the second paragraph refers is the aggregate of

(a) the total amount that would be determined under that subparagraph *b* if no reference were made to subparagraph *c* of the third paragraph; and

(b) the total amount that the corporation is deemed to have paid to the Minister for the year of increase under sections 1029.8.36.166.60.60 to 1029.8.36.166.60.62.

“1029.8.36.166.60.65. Where, in relation to specified expenses of a qualified corporation or of a qualified partnership, in respect of a specified property, a person or a partnership has obtained, is entitled to obtain or may reasonably expect to obtain a benefit or advantage, other than a benefit or

advantage that may reasonably be attributed to the acquisition of the specified property, whether in the form of a reimbursement, compensation or guarantee, in the form of proceeds of disposition of a property which exceed the fair market value of the property, or in any other form or manner, the following rules apply:

(a) for the purpose of computing the amount that the qualified corporation is deemed to have paid to the Minister for a taxation year under section 1029.8.36.166.60.48, the amount of the specified expenses is to be reduced by the amount of the benefit or advantage that the person or partnership has obtained, is entitled to obtain or may reasonably expect to obtain on or before the qualified corporation's filing-due date for the year; and

(b) for the purpose of computing the amount that is deemed to have been paid to the Minister for a taxation year under section 1029.8.36.166.60.49 by a qualified corporation that is a member of the qualified partnership, the corporation's share, for the partnership's fiscal period that ends in the taxation year, of the amount of the specified expenses, is to be reduced

i. by the corporation's share, for the fiscal period, of the amount of the benefit or advantage that the person or partnership, other than a person referred to in subparagraph ii, has obtained, is entitled to obtain or may reasonably expect to obtain on or before the last day of the six-month period following the end of the fiscal period, and

ii. by the amount of the benefit or advantage that the qualified corporation or a person with whom it does not deal at arm's length has obtained, is entitled to obtain or may reasonably expect to obtain on or before the last day of the six-month period following the end of the fiscal period."

(2) Subsection 1 applies in respect of expenses incurred after 10 March 2020.

152. (1) Section 1029.8.61.1 of the Act is amended, in the first paragraph,

(1) by replacing subparagraph iii of paragraph *a* of the definition of "eligible service" by the following subparagraph:

"iii. a person, or the spouse of that person, who is deemed, in respect of the eligible individual, to have paid an amount on account of the person's or spouse's tax payable under section 1029.8.61.96.12 or 1029.8.61.96.13 for the taxation year in which the service is rendered or to be rendered to the eligible individual; or";

(2) by replacing paragraph *c* of the definition of "dwelling unit" by the following paragraph:

"(c) a room situated in a self-contained domestic establishment maintained by a person, or by the person's spouse, who is the owner, lessee or sublessee of the self-contained domestic establishment and who, in respect of the eligible

individual occupying the room, is deemed to have paid an amount on account of tax payable, for the taxation year in which an eligible service is rendered or to be rendered in respect of the eligible individual, under section 1029.8.61.96.12, if the eligible individual is a person referred to in paragraph *a* of that section, or under section 1029.8.61.96.13;”.

(2) Subsection 1 applies in respect of a service rendered or to be rendered in a taxation year beginning after 31 December 2019.

153. (1) Divisions II.11.3 to II.11.7.1 of Chapter III.1 of Title III of Book IX of Part I of the Act, comprising sections 1029.8.61.61 to 1029.8.61.96.9, are repealed.

(2) Subsection 1 applies from the taxation year 2020, except where it repeals Divisions II.11.4 and II.11.5 of Chapter III.1 of Title III of Book IX of Part I of the Act, in which case it applies from the taxation year 2021. In addition, where section 1029.8.61.71 of the Act applies to the taxation year 2020, the first paragraph is to be read

(1) as if “, as it read before being repealed” were inserted after “section 1029.8.61.61” in the definition of “informal caregiver” and in paragraph *c* of the definition of “excluded individual”; and

(a) as if “in relation to the qualified wages incurred in the particular year in respect of an eligible employee” and “relating to wages included in computing the qualified wages” in the first paragraph were replaced by “in relation to its qualified expenditure for the particular year” and “attributable to the wages that the wholly-owned subsidiary of the corporation for the particular year incurred and paid in respect of its eligible employees and that are taken into account in computing the qualified expenditure”, respectively;

(b) as if “in relation to the qualified wages” wherever it appears in the second paragraph were replaced by “in relation to the qualified expenditure”; and

(c) as if “in relation to wages included in computing the qualified wages” in subparagraph *a* of the second paragraph were replaced by “in relation to the wages taken into account in computing the qualified expenditure”.

For the purposes of this section, an amount is deemed to have been, at a particular time, refunded or otherwise paid to the corporation or allocated to a payment to be made by it if the amount that is attributable to the wages that another corporation that was the corporation’s wholly-owned subsidiary for the particular taxation year incurred and paid in the year in respect of its eligible employees was, at that time, refunded or otherwise paid to the other corporation or allocated to a payment to be made by it.

“1129.4.3.54. Every corporation that is a member of a partnership and is deemed to have paid an amount to the Minister, under section 1029.8.36.0.3.112, on account of the corporation’s tax payable under Part I for a particular taxation year, in relation to the qualified wages incurred by the partnership, in respect of an eligible employee, in the partnership’s particular fiscal period that ends in the particular year, shall pay the tax computed under the second paragraph for the taxation year in which ends a subsequent fiscal period of the partnership (in this section referred to as the “fiscal period of repayment”) in which an amount relating to wages included in computing the qualified wages is, directly or indirectly, refunded or otherwise paid to the partnership or corporation or allocated to a payment to be made by the partnership or corporation.

The tax to which the first paragraph refers is equal to the amount by which the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister for a taxation year under any of sections 1029.8.36.0.3.112, 1029.8.36.0.3.116 and 1029.8.36.0.3.117, in relation to the qualified wages, if the agreed proportion in respect of the corporation for the partnership’s fiscal period that ends in that taxation year were the same as that for the fiscal period of repayment, exceeds the total of

(a) the aggregate of all amounts each of which is an amount that the corporation would be deemed to have paid to the Minister under any of sections 1029.8.36.0.3.112, 1029.8.36.0.3.116 and 1029.8.36.0.3.117, for a taxation year, in relation to the qualified wages, if

i. every amount that is, at or before the end of the fiscal period of repayment, so refunded, paid or allocated, in relation to wages included in computing the qualified wages, had been refunded, paid or allocated in the particular fiscal period, and

ii. the agreed proportion in respect of the corporation for the partnership’s fiscal period that ends in that taxation year were the same as that for the fiscal period of repayment; and

(b) the aggregate of all amounts each of which is a tax that the corporation would be required to pay to the Minister under this section, for a taxation year preceding the taxation year in which the fiscal period of repayment ends, in relation to the qualified wages, if the agreed proportion in respect of the corporation for the partnership's fiscal period that ends in the preceding taxation year were the same as that for the fiscal period of repayment.

For the purposes of the second paragraph, an amount referred to in subparagraph i of subparagraph a of that paragraph that is refunded or otherwise paid to the corporation or allocated to a payment to be made by the corporation is deemed to be an amount

(a) that is refunded or otherwise paid to the partnership or allocated to a payment to be made by the partnership; and

(b) that is determined by multiplying the amount refunded, paid or allocated by the reciprocal of the agreed proportion in respect of the corporation for the fiscal period of repayment.

Where the partnership's particular fiscal period includes all or part of the transitional period and where, in the transitional period or part of that period, the partnership's wholly-owned subsidiary for the particular fiscal period carried out work on its behalf in relation to recognized activities, the first, second and third paragraphs apply to an amount relating to the partnership's qualified expenditure for the particular fiscal period that may reasonably be attributed to the wages the wholly-owned subsidiary incurred and paid in respect of its eligible employees and that is, directly or indirectly, refunded or otherwise paid to the partnership or corporation or allocated to a payment to be made by the partnership or corporation, but are to be read

(a) as if "in relation to the qualified wages incurred by the partnership, in respect of an eligible employee, in" and "relating to wages included in computing the qualified wages" in the first paragraph were replaced by "in relation to its qualified expenditure for" and "attributable to the wages that the wholly-owned subsidiary of the partnership for the particular fiscal period incurred and paid in respect of its eligible employees and that are taken into account in computing the qualified expenditure", respectively;

(b) as if "in relation to the qualified wages" wherever it appears in the portion of the second paragraph before subparagraph i of subparagraph a and in subparagraph b of that paragraph were replaced by "in relation to the qualified expenditure"; and

(c) as if "in relation to wages included in computing the qualified wages" in subparagraph i of subparagraph a of the second paragraph were replaced by "in relation to the wages taken into account in computing the qualified expenditure".

For the purposes of this section, an amount is deemed to have been, at a particular time, refunded or otherwise paid to the partnership or allocated to a payment to be made by it if the amount that is attributable to the wages that a corporation that was the partnership's wholly-owned subsidiary for the particular fiscal period incurred and paid in respect of its eligible employees was, at that time, refunded or otherwise paid to the corporation or allocated to a payment to be made by it.

“1129.4.3.55. For the purposes of Part I, except for Division II.6.0.1.12 of Chapter III.1 of Title III of Book IX, the following rules are taken into account:

(a) the tax paid at any time by a corporation to the Minister under section 1129.4.3.53 in relation to qualified wages is deemed to be an amount of assistance repaid at that time by the corporation in respect of the wages, pursuant to a legal obligation; and

(b) the tax paid at any time by a corporation to the Minister under section 1129.4.3.54 in relation to qualified wages is deemed to be an amount of assistance repaid at that time by the partnership referred to in that section in respect of the wages, pursuant to a legal obligation.

Where the circumstances described in the third paragraph of section 1129.4.3.53 or the fourth paragraph of section 1129.4.3.54 occur, the presumption provided for in subparagraph *a* or *b* of the first paragraph applies, as the case may be, in respect of the tax a corporation pays to the Minister under that section in relation to a qualified expenditure of the corporation or of the partnership of which it is a member.

“1129.4.3.56. Unless otherwise provided in this Part, section 6, the first paragraph of section 549, section 564 where it refers to the first paragraph of section 549, sections 1000 to 1024, subparagraph *b* of the first paragraph of section 1027 and sections 1037 to 1079.16 apply to this Part, with the necessary modifications.”

“SECTORAL PARAMETERS OF TAX CREDIT TO SUPPORT PRINT MEDIA

“DIVISION I

“INTERPRETATION AND GENERAL RULES

“19.1. In this chapter,

“tax credit to support print media” means the fiscal measure provided for in Division II.6.0.1.12 of Chapter III.1 of Title III of Book IX of Part I of the Taxation Act, under which a corporation is deemed to have paid an amount to the Minister of Revenue on account of its tax payable under that Part for a taxation year;

“transitional period” means the calendar year 2019;

“wholly-owned subsidiary” of a corporation or partnership has the meaning assigned by the first paragraph of section 1029.8.36.0.3.109 of the Taxation Act.

“19.2. To benefit from the tax credit to support print media, a corporation or, if it claims the tax credit as a member of a partnership, the partnership must obtain the following certificates from Investissement Québec:

(1) a certificate in respect of a print media business carried on by the corporation or partnership (in this chapter referred to as a “business certificate”); and

(2) a certificate in respect of each individual for whom the corporation claims the tax credit (in this chapter referred to as an “employee certificate”).

The certificates must be obtained for each taxation year for which the corporation intends to benefit from the tax credit or for each fiscal period of the partnership of which the corporation is a member that ends in such a taxation year.

Where a corporation or a partnership has a wholly-owned subsidiary, it must also obtain from Investissement Québec, for a taxation year or a fiscal period, as the case may be, that includes all or part of the transitional period, a certificate (in this chapter referred to as an “employee certificate”) in respect of each individual who works for the wholly-owned subsidiary and whose wages are taken into account in computing the portion of the consideration in respect of which the corporation or a corporation that is a member of the partnership claims the tax credit.

“19.3. Despite section 9.1 of this Act, the time limit within which a corporation or a partnership may apply for a certificate for a taxation year or a fiscal period, as the case may be, may not, for the purposes of this chapter, end before 16 September 2020.

“DIVISION II**“BUSINESS CERTIFICATE**

“19.4. A business certificate issued to a corporation or a partnership for a taxation year or a fiscal period, as the case may be, certifies that, in the year or fiscal period, the corporation or partnership produced and disseminated a print media that is recognized as an eligible media. The name of that media and the address of the establishment in which its newsroom is located are specified in the certificate.

“19.5. A print media may be recognized as an eligible media if

(1) the media consists in the daily or periodic production and dissemination, by means of a print publication, an information website or a mobile application dedicated to information, of original information content that is specifically intended for the Québec public and pertains to general interest news covering at least three eligible themes; and

(2) the newsroom of that media is located in an establishment, situated in Canada, of the corporation or partnership that publishes it and brings together journalists responsible for original information content.

A print media published on a periodic basis is considered to be an eligible media only if it is produced and disseminated at least 10 times per year.

A corporation or a partnership must, to obtain a first business certificate, establish to Investissement Québec’s satisfaction that the print media that is referred to in the application for the certificate has been produced and disseminated during a period of at least 12 months before the application was filed.

“19.6. Original information content includes a news report, profile, interview, analysis, column, investigative report or editorial. Only written content may be recognized as original information content.

However, none of the following contents are considered to be original information content:

(1) content from a press agency or another media;

(3) content for which a compensation is paid by a third person or a partnership;

(4) content of an advertising or promotional nature, such as an advertorial; and

(5) theme-based content on, for example, hunting and fishing, decoration or science.

A print media that includes, on an incidental basis, excluded content described in the second paragraph may nevertheless be recognized as an eligible media.

“19.7. Each of the following topical themes constitutes an eligible theme:

- (1) business and the economy;
- (2) culture;
- (3) international sector;
- (4) municipal affairs;
- (5) miscellaneous news items;
- (6) local interest news; and

However, where the corporation’s taxation year or the partnership’s fiscal period includes all or part of the transitional period and the individual works for a wholly-owned subsidiary of the corporation or partnership, the employee certificate issued to the corporation or partnership in respect of the individual certifies that the individual is recognized as an eligible employee of the corporation’s or partnership’s wholly-owned subsidiary for, as the case may be, the taxation year or fiscal period or for the part of that year or fiscal period that is specified in the certificate.

“19.9. An individual may be recognized as an eligible employee of a corporation or partnership, if

(2) at least 75% of the individual's duties consist in undertaking or directly supervising activities consisting in producing original information content intended for publication in a print media or information technology activities related to the production or dissemination of such contents.

An individual's tasks that relate to digital conversion activities or that are administrative tasks are not to be considered as part of duties consisting in undertaking or directly supervising activities to which subparagraph 2 of the first paragraph refers.

In this section,

“administrative tasks” include tasks relating to operations management, accounting, finance, legal affairs, public relations, communications, contract solicitation, and human and physical resources management;

(3) the management or operation of a marketing information system designed to raise the visibility of a print media and promote it to an existing or potential clientele; or

(4) any other information system management or operation activity carried on to produce or disseminate a print media.

“19.12. Where an individual is temporarily absent from work for reasons it considers reasonable, Investissement Québec may, for the purpose of determining whether the individual meets the conditions for recognition as an eligible employee of a corporation or partnership, consider that the individual continued to perform his or her duties throughout the period of absence exactly as he or she was performing them immediately before the beginning of that period.”

(2) Subsection 1 has effect from 15 March 2020.

215. (1) The Act is amended by inserting the following subdivision after section 34.1.18:

“§3.4.— *Credit in respect of employees on paid leave*

“34.1.18.1. A designated employer for a year who encloses the documents and information described in the second paragraph with the information return referred to in section 3 of the Regulation respecting contributions to the Québec Health Insurance Plan (chapter R-5, r. 1) that the employer is required to file for the year is, subject to the third paragraph, deemed, on the date on or before which the employer is required to file the information return for the year, to have made an overpayment to the Minister of Revenue, for the purposes of this division and in respect of the year, of an amount equal to the aggregate of all amounts each of which is the employer’s specified expenditure in relation to an employee for the year.

The documents and information to which the first paragraph refers are, in addition to a copy of the documents filed in accordance with paragraph *a* of the definition of “qualifying entity” in subsection 1 of section 125.7 of the Income Tax Act (Revised Statutes of Canada, 1985, chapter 1, 5th Supplement), those that allow the Minister of Revenue to establish the amount of the overpayment referred to in the first paragraph.

For the purpose of computing the payments that a designated employer referred to in the first paragraph is required to make after 30 April 2020, under subparagraph *a* of the first paragraph of section 34.0.0.0.1, the employer is deemed to have made an overpayment to the Minister of Revenue, for the purposes of this division and in respect of the year, on the date on or before which each payment is required to be made, equal to the amount by which the amount that would be determined under the first paragraph for the year if the year ended at that date exceeds the aggregate of all amounts each of which is the portion of that amount that may reasonably be considered to be deemed under this paragraph to be an overpayment made to the Minister of Revenue in the year but before that date.

The Minister of Revenue shall refund to the designated employer the amount by which the amount determined in respect of the employer under the first paragraph as an overpayment in respect of the year exceeds the aggregate of all amounts each of which is an amount deemed under the third paragraph to be an overpayment made to the Minister of Revenue during the year.

For the purposes of this subdivision,

(a) the expression “person” in the definition of “employer” in the first paragraph of section 33 is deemed to include a partnership; and

(b) wages paid or deemed to be paid by an employer as a member of a partnership are deemed to be paid by the partnership and not by the employer.

“34.1.18.2. The Minister of Revenue shall, with dispatch, examine the documents and information described in the second paragraph of section 34.1.18.1 that are filed with the Minister of Revenue by an employer, determine the amount that the employer is deemed to have overpaid under the first paragraph of that section and send the employer a notice of determination.

Paragraph *f* of section 312 of the Taxation Act (chapter I-3), paragraph *e* of section 336 of that Act and the provisions of Book IX of Part I of that Act and of Chapters III.1 and III.2 of the Tax Administration Act (chapter A-6.002), as they relate to an assessment or a reassessment and to a determination or redetermination of tax, apply, with the necessary modifications, to a determination or redetermination of the amount of the overpayment referred to in the first paragraph of section 34.1.18.1.”
