

Regulation respecting the application of provisions of the Act to amend mainly the Education Act with regard to school organization and governance to English-language school service centres

Act to amend mainly the Education Act with regard to school organization and governance (2020, chapter 1, s. 331)

1. The Act to amend mainly the Education Act with regard to school organization and governance (2020, chapter 1) is amended in section 322 by replacing “the 1 November 2020 election” by “the election held in replacement of the general school election that was to be held on 1 November 2020”.

2. Despite section 325 of the Act, the first sitting of an English-language school service centre’s board of directors must be held on the date set by order of the Government.

3. Despite subparagraph 3 of the first paragraph of section 332 of the Act, representatives who are designated at the end of the first processes for designating representatives of the English-language school service centres’ staff take office on the date set by order of the Government.

In addition, despite subparagraph 2 of the second paragraph of section 332, for the purposes of Schedule II to the Act, a reference to a school service centre is a reference to a school board where a provision of the Schedule applies before English-language school boards were designated under the name “English-language school service centre”.

4. Despite section 335 of the Act, the provisions of the Act come into force on the date or dates to be set by the Government insofar as they concern an English-language school service centre, except for sections 314 to 334, which have effect since 8 February 2020.

5. Despite section 3 of Schedule II to the Act, the persons referred to in section 2 of the Schedule are designated not later than the date set by order of the Government.

6. This Regulation has effect since 8 February 2020.
