## Pilot project to establish a court specialized in sexual violence and domestic violence

Act to create a court specialized in sexual violence and domestic violence  
(2021, chapter 32, s. 25)

**1.** Within the context of a pilot project, a court specialized in sexual violence and domestic violence is established, in the judicial districts determined by the Minister, in order to reserve a special procedure for proceedings involving sexual violence or domestic violence.

**2.** Within the context of the project, the Criminal and Penal Division of the Court of Québec includes a division called “Division Specialized in Sexual Violence and Domestic Violence” that hears all proceedings involving sexual violence or domestic violence.

Despite the first paragraph, the following proceedings are not heard by the Specialized Division:

(1) proceedings that are under the jurisdiction of the Youth Division of the Court of Québec;

(2) proceedings that are under the jurisdiction of the Superior Court.

The Director of Criminal and Penal Prosecutions determines, in light of the facts and circumstances of a case, whether an alleged criminal offence involves sexual violence or domestic violence and, if such is the case, refers the case to the Specialized Division.

**3.** This pilot project comes into force on the fifteenth day following the date of its publication in the *Gazette officielle du Québec* and ceases to have effect on 30 November 2024.

## Draft Regulation

Act respecting the Société des alcools du Québec  
(chapter S-13)

### Possession and transportation into Québec of alcoholic beverages acquired in another province or territory of Canada — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Regulation respecting the possession and transportation into Québec of alcoholic beverages acquired in another province or a territory of Canada, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation eliminates the maximum quantities applicable when persons transport into Québec, with them and for their personal consumption, alcoholic beverages acquired in another province or a territory of Canada.

The amendment, which eliminates these maximum quantities introduced in 2013, does not allow a person to deliver, or have delivered, to Québec alcoholic beverages from another province or territory of Canada. The Regulation maintains the requirements that the alcoholic beverages brought into Québec by a person must be intended for his or her personal consumption and that the alcoholic beverages must be in the person's possession or form part of the baggage transported by the person.

The draft Regulation has no impact on enterprises, including small and medium-sized businesses, or on employment in Québec.

Further information on the draft Regulation may be obtained by contacting Marie-Andrée Marquis, trade policy advisor, Direction générale de la politique commerciale et des relations extérieures, Ministère de l'Économie et de l'Innovation; telephone: 418 691-5698, extension 4474; email: marie-andree.marquis@economie.gouv.qc.ca.

Any person wishing to comment on the draft Regulation is requested to submit written comments within the 45-day period to the Minister of Economy and Innovation, 710, place D'Youville, 2<sup>e</sup> étage, Québec (Québec) G1R 4Y4; email: projet.reglement@economie.gouv.qc.ca.
