Draft Regulation

Act respecting the Société des alcools du Québec
(chapter S-13)

Possession and transportation into Québec of alcoholic beverages acquired in another province or territory of Canada — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Regulation respecting the possession and transportation into Québec of alcoholic beverages acquired in another province or a territory of Canada, appearing below, may be made by the Government on the expiry of 45 days following this publication.

The draft Regulation eliminates the maximum quantities applicable when persons transport into Québec, with them and for their personal consumption, alcoholic beverages acquired in another province or a territory of Canada.

The amendment, which eliminates these maximum quantities introduced in 2013, does not allow a person to deliver, or have delivered, to Québec alcoholic beverages from another province or territory of Canada. The Regulation maintains the requirements that the alcoholic beverages brought into Québec by a person must be intended for his or her personal consumption and that the alcoholic beverages must be in the person's possession or form part of the baggage transported by the person.

The draft Regulation has no impact on enterprises, including small and medium-sized businesses, or on employment in Québec.
