Insurance contributions — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Regulation respecting insurance contributions, appearing below, may be made by the Société de l'assurance automobile du Québec on the expiry of 45 days following this publication.

The object of the draft Regulation is to revise the rules for calculating the insurance contribution payable to obtain, on or after 1 January 2023, a restricted licence authorizing only the operation of a road vehicle equipped with an alcohol ignition interlock device and to establish the frequency of payment in accordance with the amendments proposed by the draft Regulation to amend the Regulation respecting permits published in the *Gazette officielle du Québec* of 5 January 2022.

The draft Regulation will make it possible to spread, over time, the financial charge on an applicant for a restricted licence authorizing only the operation of a road vehicle equipped with an alcohol ignition interlock device. The impact of the proposed measures on enterprises, including small and medium-sized enterprises, will involve no net cost and will not affect their competitiveness.
