

Draft Regulation

Act respecting health services and social services
for Cree Native persons
(chapter S-5)

Regulation — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1) and the third paragraph of section 173 of the Act respecting health services and social services for Cree Native persons (chapter S-5), that the Regulation to amend the Regulation respecting the application of the Act respecting health services and social services for Cree Native persons, appearing below, may be made by the Government on the expiry of 60 days following this publication.

The draft Regulation amends the Regulation respecting the application of the Act respecting health services and social services for Cree Native persons (chapter S-5, r. 1) in order to substitute, in the mention of last resort financial assistance programs provided for in the Individual and Family Assistance Act (chapter A-13.1.1), a mention of financial assistance programs that is broad enough to encompass, in addition to the last resort financial assistance programs, the Aim for Employment Program provided for in the Act and the new Basic Income Program to be introduced on 1 January 2023 on the coming into force of section 14 of the Act mainly to introduce a basic income for persons with a severely limited capacity for employment (2018, chapter 11). The amendment prevents considering, for the purposes of the Regulation, a recipient of a last resort financial assistance program who becomes a recipient under the Aim for Employment Program or the Basic Income Program as if the recipient ceased to be a recipient under any assistance provided for in the Individual and Family Assistance Act.

The draft Regulation has no impact on enterprises, including small and medium-sized businesses.
