Conditions for the leasing of dwellings in low-rental housing — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the draft regulation to amend the By-law respecting the conditions for the leasing of dwellings in low-rental housing, made by the Société d'habitation du Québec and appearing below, may be approved by the Government on the expiry of 45 days following this publication.

The draft By-law increases from \$350 per month per child to \$500 per month per child the maximum amounts received as child support for the maintenance of a child that are not considered income for the purposes of the By-law respecting the conditions for the leasing of dwellings in low-rental housing (chapter S-8, r. 3).

The draft By-law allows households benefitting from the proposed amendments to find housing at a lower cost and has no significant financial impact on enterprises, including small and medium-sized businesses.

(chapter S-8, s. 86, 1st par., subpar. g, and 3rd par.)

1. The By-law respecting the conditions for the leasing of dwellings in low-rental housing (chapter S-8, r. 3) is amended in section 2 by replacing “\$350” in paragraph 5 by “\$500”.

2. Despite sections 20 and 21 of the By-law, a lessee may not apply for a rent reduction for a lease in effect on (*insert the date of coming into force of this By-law*) when the income of the lessee's household is reduced following the amendment made in paragraph 5 of section 2 of the By-law by section 1 of this By-law.

Draft Regulation

Act respecting health services and social services
(chapter S-4.2)

Contribution by users of health and social services institutions and users taken in charge by family-type resources or by intermediate resources and assessment of the needs of a person requesting emergency lodging as a victim of violence — Amendment

Notice is hereby given, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), that the Regulation to amend the Regulation respecting the contribution by users of health and social services institutions,

the Regulation respecting the contribution of users taken in charge by family-type resources or by intermediate resources and the Regulation respecting the assessment of the needs of a person requesting emergency lodging as a victim of violence, appearing below, may be made by the Government on the expiry of 45 days following

this publication.

The draft Regulation amends three regulations in order to substitute, in the mention of last resort financial assistance programs provided for in the Individual and Family Assistance Act (chapter A-13.1.1), a mention of financial assistance programs that is broad enough to encompass, in addition to the last resort financial assistance programs, the Aim for Employment Program provided for in the Act and the new Basic Income Program to be introduced on 1 January 2023 on the coming into force of section 14 of the Act mainly to introduce a basic income for persons with a severely limited capacity for employment (2018, chapter 11). The amendment prevents considering, for the purposes of the Regulations, a recipient of a last resort financial assistance program who becomes a recipient under the Aim for Employment Program or the Basic Income Program as if the recipient ceased to be a recipient under any assistance provided for in the Individual and Family Assistance Act.

The draft Regulation has no impact on enterprises, including small and medium-sized businesses.

Further information on the draft Regulation may be obtained by contacting Alexandre Manseau, Direction des politiques de financement et de l'allocation des ressources, Ministère de la Santé et des Services sociaux, 1075, chemin Sainte-Foy, 5^e étage, Québec (Québec) G1S 2L4; telephone: 581 814-9100, extension 62407; email: alexandre.manseau@msss.gouv.qc.ca.

Any person wishing to comment on the draft Regulation is requested to submit written comments within the 45-day period to the Minister of Health and Social Services, 1075, chemin Sainte-Foy, 15^e étage, Québec (Québec) G1S 2M1.
