**Order 2023-15 of the Minister of Transport
and Sustainable Mobility dated 5 May 2023**

Highway Safety Code
(chapter C-24.2)

By-law 2023-490 authorizing the use of off-road vehicles (ORVs) on municipal streets and roads

THE MINISTER OF TRANSPORT AND SUSTAINABLE
MOBILITY,

CONSIDERING that, under the third paragraph of section 626 of the Highway Safety Code (chapter C-24.2), the Minister of Transport and Sustainable Mobility may at any time disallow all or part of a by-law or ordinance passed by a municipality under subparagraph 14 of the first paragraph of that section;

Notice is hereby given that, in accordance with the powers conferred on the Minister under the third paragraph of section 626 of the Highway Safety Code, the Minister of Transport and Sustainable Mobility has disallowed By-law 2023-490 authorizing the use of off-road vehicles (ORVs) on municipal streets and roads, adopted by the Municipalité du Canton de Potton on 6 March 2023.

The operation of off-highway vehicles as authorized by the By-law would have a negative impact on the safety of the users of the public roads concerned. In addition, authorizing the operation of off-road vehicles on public roads otherwise than by limiting them to the most direct access to a trail or one of the places referred to in subparagraph 4 of the second paragraph of section 73 of the Act respecting off-highway vehicles (chapter V-1.3) departs from the principles of the Act.

The decision of the Minister of Transport and Sustainable Mobility was communicated to the authorities of Municipalité du Canton de Potton on 4 May 2023.
