“FORM 45-106F1 REPORT OF EXEMPT DISTRIBUTION

A. General Instructions

1. Filing instructions

An issuer or underwriter that is required to file a report of exempt distribution and pay the applicable filing fee must pay the filing fee and file the information required by this form in the manner and using the templates specified in the System for Electronic Data Analysis and Retrieval + (SEDAR+) in accordance with Regulation 13-103 respecting System for Electronic Data Analysis and Retrieval + (SEDAR+) (*insert reference*).

The issuer or underwriter must file the report in a jurisdiction of Canada if the distribution occurs in the jurisdiction, and the issuer or underwriter is relying on a specific exemption from the prospectus requirement set out in section 6.1 of the Regulation 45-106 respecting Prospectus Exemptions (chapter V-1.1, r. 21). The requirement to file this report might also be a condition of a prospectus exemption provided in a national, multilateral or local rule or instrument, or a condition of an exemptive relief order. If a distribution is made in more than one jurisdiction of Canada, the issuer or underwriter may satisfy its obligation to file the report by completing a single report identifying all purchasers, and file the report in each jurisdiction of Canada in which the distribution occurs. Filing fees payable in a particular jurisdiction are not affected by identifying all purchasers in a single report.

In order to determine the applicable filing fee in a particular jurisdiction of Canada, consult the securities legislation of that jurisdiction. The issuer or underwriter must pay the filing fee through SEDAR+ in accordance with Regulation 13-103 respecting System for Electronic Data Analysis and Retrieval + (SEDAR+).

2. Issuers located outside of Canada

If an issuer located outside of Canada determines that a distribution has taken place in a jurisdiction of Canada, include information about purchasers resident in that jurisdiction only.

3. Multiple distributions

An issuer may use one report for multiple distributions occurring within ten days of each other, provided the report is filed on or before the tenth day following the first distribution date. However, an investment fund issuer that is relying on the exemptions set out in subsection 6.2(2) of Regulation 45-106 respecting Prospectus Exemptions may file the report annually in accordance with that subsection.

4. References to purchaser

References to a purchaser in this form are to the beneficial owner of the securities.

However, if a trust company, trust corporation, or registered adviser described in paragraph (p) or (q) of the definition of “accredited investor” in section 1.1 of Regulation 45-106 respecting Prospectus Exemptions has purchased the securities on behalf of a fully managed account, provide information about the trust company, trust corporation or registered adviser only; do not include information about the beneficial owner of the fully managed account.

Joint purchasers may be treated as one purchaser for the purposes of Item 7(f) of this form.

5. References to issuer

References to “issuer” in this form include an investment fund issuer and a non-investment fund issuer, unless otherwise specified.

6. Investment fund issuers

If the issuer is an investment fund, complete Items 1-3, 6-8, 10, 11 and Schedule 1 of this form.

7. Mortgage investment entities

8. Language

The report must be filed in English or in French. In Québec, the issuer or underwriter must comply with linguistic rights and obligations prescribed by Québec law.

9. Currency

All dollar amounts in the report must be in Canadian dollars. If the distribution was made or any compensation was paid in connection with the distribution in a foreign currency, convert the currency to Canadian dollars using the daily exchange rate of the Bank of Canada on the distribution date. If the distribution date occurs on a date when the daily exchange rate of the Bank of Canada is not available, convert the currency to Canadian dollars using the most recent daily exchange rate of the Bank of Canada available before the distribution date. For investment funds in continuous distribution, convert the currency to Canadian dollars using the average daily exchange rate of the Bank of Canada for the distribution period covered by the report.

If the distribution was not made in Canadian dollars, provide the foreign currency in Item 7(a) of the report.

10. Date of information in report

Unless otherwise indicated in this form, provide the information as of the distribution end date.

If an issuer located outside of Canada completes a distribution in a jurisdiction of Canada, include in Item 7 and Schedule 1 information about purchasers resident in that jurisdiction of Canada only. The information provided in Item 7 must reconcile with the information provided in Schedule 1 of the report.

a) Currency

Select the currency or currencies in which the distribution was made. All dollar amounts provided in the report must be in Canadian dollars.

If the report is being filed for securities distributed on a continuous basis, include the start and end dates for the distribution period covered by the report.

Start date End date

c) Detailed purchaser information

Complete Schedule 1 of this form for each purchaser.

d) Types of securities distributed

However, if an issuer located outside of Canada completes a distribution in a jurisdiction of Canada, include distributions to purchasers resident in that jurisdiction of Canada only.

This table requires a separate line item for: (i) each jurisdiction where a purchaser resides, (ii) each exemption relied on in the jurisdiction where a purchaser resides, if a purchaser resides in a jurisdiction of Canada, and (iii) each exemption relied on in Canada, if a purchaser resides in a foreign jurisdiction.

For jurisdictions within Canada, state the province or territory, otherwise state the country.

Province or country	Exemption relied on	Number of unique purchasers ^{2a}	Total amount (Canadian \$)
Total dollar amount of securities distributed			
Total number of unique purchasers^{2b}			

^{2a}In calculating the number of unique purchasers per row, count each purchaser only once. Joint purchasers may be counted as one purchaser.

^{2b}In calculating the total number of unique purchasers to which the issuer distributed securities, count each purchaser only once, regardless of whether the issuer distributed multiple types of securities to, and relied on multiple exemptions for, that purchaser.
