EXPLANATORY NOTES

This Act amends or enacts legislative provisions, in particular to implement certain measures contained in the Budget Speech delivered on 22 March 2022.

The Act respecting the Québec sales tax is amended to set out rules relating to mandatory billing applicable in the restaurant service and bar sectors in order to replace the use of sales recording modules by a technological solution.

The Tax Administration Act is amended to provide that a person who has filed a notice of objection in respect of an assessment may, following a reassessment or an additional assessment regarding an amount specified in the notice of objection, file a contestation with the Court of Québec without having to file a new notice of objection.

A formal demand to file information or a document required under the Act to facilitate the payment of support may be notified by a technological means when addressed to a financial institution and the financial institution may file the information or document by such a means.

The Unclaimed Property Act is amended so that, in particular, the period for a financial product to be considered unclaimed property, in the absence of a claim, transaction or instruction in respect of that property, begins to run in the three years following the date on which the property has been distributed or issued. The thresholds to act without authorization of the court that apply as regards the administration of unclaimed property are increased and those amounts are indexed.

The Act respecting offences relating to alcoholic beverages is amended to allow the Société des alcools du Québec, without judicial authorization, to destroy the alcoholic beverages the seizure of which resulted in the imposition of a monetary administrative penalty.

The Act respecting the Caisse de dépôt et placement du Québec is amended to allow the Fund to invest in businesses promoting energy transition and to strike out certain limits applicable to the Fund's investments concerning, in particular, businesses whose principal activity consists in building or developing infrastructures.

The Supplemental Pension Plans Act is amended to allow a member at least 55 years of age to apply for payment, in the form of variable benefits, of the funds the member holds and to replace, under certain conditions, all or part of the pension to which the member is entitled by a payment in one or more instalments out of a pension plan prescribed by regulation.

The Act respecting the Ministère du Tourisme is amended to provide that the fees collected under the Tourist Accommodation Act for the registration or renewal of the registration of tourist accommodation establishments are credited to the tourism partnership fund and that the sums required to compensate the recognized bodies tasked with those operations are debited from the fund.

The Act respecting Cree, Inuit and Naskapi Native persons is amended to provide that being domiciled outside the territory for health reasons, to study or to work with an organization whose mandate is to promote the welfare of the Crees does not affect a Cree beneficiary's status of beneficiary. The Secretary General entrusted with the registration of Cree and Naskapi beneficiaries is appointed by the minister designated by the Government.

The Act respecting remunerated passenger transportation by automobile is amended to prohibit anyone soliciting a person from behaving in such a way that may importune or intimidate the solicited person, and to require that qualified drivers providing a trip whose starting point is a place determined by regulation of the Minister hold an authorization from the person in charge of that place.

Lastly, the Act contains various provisions including relief measures applicable from 1 April 2022 to 31 March 2023 to persons with student debt under the loans and bursaries program.

7. The Act is amended by inserting the following after section 350.60:

“350.60.1. This division does not apply where Division XXII.1 applies.

“DIVISION XXII.1

“RESTAURANT SERVICES — SALES RECORDING SYSTEM

“350.60.2. For the purposes of this division,

“establishment providing restaurant services” means, as the case may be,

(1) a place laid out to ordinarily provide, for consideration, meals for consumption on the premises;

(2) a place where meals for consumption elsewhere than on the premises are provided for consideration; or

(3) a place where a caterer carries on a business;

“food truck” means a truck or a trailer that is laid out to prepare or serve meals, whether or not they are intended for consumption on the premises, including a truck or a trailer offering beverages exclusively, but does not include a mobile canteen, that is, a vehicle ordinarily going to businesses, factories, worksites, garages, rest areas or other similar places to offer mainly previously prepared and pre-assembled meals, nor a trailer that may be moved without the use of a truck or road vehicle;

“meal” means a food or beverage intended for human consumption but does not include

(1) a food or beverage supplied through a vending machine; or

(2) a food or beverage that a recipient receives solely for the purpose of again making a supply of it.

A place described in paragraph 1 or 2 of the definition of “establishment providing restaurant services” in the first paragraph includes such a place situated in an amusement park, recreational park, water park, animal park, zoological garden, aquarium or other similar place.

However, the definition of “establishment providing restaurant services” in the first paragraph does not include, as applicable,

(1) a place that is reserved exclusively for the personnel of a business and where meals are provided for such personnel;

(2) a place that is a mobile vehicle in which meals are provided, unless it is a food truck;

(3) a place where the supplies of meals that are made are exempt supplies of meals exclusively;

(4) a place where meals are provided, for consideration, to be consumed exclusively in the stands, seats or area reserved for the spectators or participants at a cinema, theatre, amphitheatre, racetrack, arena, stadium, sports centre or any other similar place, except in the case of a cinema, theatre or other similar place, if the supplies made in that place consist mainly in the supply of meals, or of a property or service for which part of the consideration relates to the supply of a meal or authorizes the recipient to receive the supply of a meal or a discount on the value of the consideration for the supply of a meal;

(5) a place where meals for consumption elsewhere than on the premises are provided for consideration and that is a butcher's shop, bakery, pastry shop, fish shop, grocery store or any other similar business; or

(6) a place that is laid out to ordinarily provide, for consideration, meals for consumption on the premises, that is integrated into the business premises of another business of the operator (other than an establishment providing restaurant services) and that is designed in such a way that fewer than 20 persons can consume meals on the premises simultaneously.

“350.60.3. The operator of an establishment providing restaurant services referred to in section 350.60.4 shall equip that establishment with equipment that allows the operator to comply with the obligations set out in that section and ensure the proper operation of that equipment.

The person referred to in section 350.60.5 shall have in his or her possession equipment that allows the person to comply with the obligations set out in that section and ensure the proper operation of that equipment.

“350.60.4. The operator of an establishment providing restaurant services who is a registrant and who makes a taxable supply of a meal (other than a zero-rated supply) in the course of operating the establishment shall, subject to the prescribed cases and conditions,

(1) send the prescribed information to the Minister in the prescribed manner and at the prescribed time; and

(2) provide an invoice produced in the prescribed manner and containing the prescribed information to the recipient without delay after its production and keep a copy of the invoice.

In addition, if the establishment providing restaurant services is a place where alcoholic beverages are provided under a bar permit issued under the Act respecting liquor permits (chapter P-9.1) and authorizing the sale of alcoholic beverages for consumption on the premises, the operator shall also, subject to the prescribed cases and conditions, when making a taxable supply described in the third paragraph, other than a zero-rated supply,

(1) send the prescribed information to the Minister in the prescribed manner and at the prescribed time; and

(2) provide an invoice produced in the prescribed manner and containing the prescribed information to the recipient without delay after its production and keep a copy of the invoice.

A taxable supply to which the second paragraph refers is

(1) the supply of an admission made, for consideration, in the establishment, at its entrance or near the establishment, regardless of whether the consideration includes the supply of beverages; or

(2) any other supply of a property or service ordinarily made, for consideration, in the establishment, at its entrance or near the establishment, and intended primarily for the use of the clients of the establishment.

Where the operator has adjusted, refunded or credited an amount in favour of, or to, the recipient, in accordance with section 447 or 448, in respect of the supply referred to in the first or second paragraph for which an invoice has been produced in the manner provided for in either of those paragraphs, the operator shall, subject to the prescribed cases and conditions,

(1) send the prescribed information to the Minister in the prescribed manner and at the prescribed time; and

(2) issue to the recipient, within a reasonable time, the credit note referred to in paragraph 1 of section 449 produced in the prescribed manner and containing the prescribed information, unless the recipient issues to the operator the debit note referred to in that paragraph 1, and keep a copy of the credit note.

Where the operator has, in accordance with paragraph 1 of section 447 or 448, adjusted an amount in favour of the recipient in respect of the supply referred to in the first or second paragraph for which an invoice has been produced before payment and where the consideration and the tax in respect of that supply, or a part of them, have not been charged to the recipient's account, the following rules apply:

(1) despite paragraph 1 of section 449, the operator is not required to issue a credit note to the recipient; and

(2) the fourth paragraph does not apply in respect of the adjustment.

The obligations under the second paragraph do not apply

(1) to a supply made by means of a vending machine; or

(2) to a supply of a property or service made in a room in a tourist accommodation establishment duly registered under the Tourist Accommodation Act (chapter H-1.01) as a general tourist accommodation establishment.

“350.60.5. Any person who is a registrant and who, in an establishment providing restaurant services described in the second paragraph of section 350.60.4, at its entrance or near the establishment, ordinarily makes a taxable supply of a property or service referred to in that paragraph under an agreement entered into with the operator of the establishment or with a person related to the operator shall, subject to the prescribed cases and conditions,

(1) send the prescribed information to the Minister in the prescribed manner and at the prescribed time; and

(2) provide an invoice produced in the prescribed manner and containing the prescribed information to the recipient without delay after its production and keep a copy of the invoice.

Where the person has adjusted, refunded or credited an amount in favour of, or to, the recipient, in accordance with section 447 or 448, in respect of the supply referred to in the first paragraph for which an invoice has been produced in the manner provided for in that paragraph, the person shall, subject to the prescribed cases and conditions,

(1) send the prescribed information to the Minister in the prescribed manner and at the prescribed time; and

(2) issue to the recipient, within a reasonable time, the credit note referred to in paragraph 1 of section 449 produced in the prescribed manner and containing the prescribed information, unless the recipient issues to the person the debit note referred to in that paragraph 1, and keep a copy of the credit note.

Where the person has, in accordance with paragraph 1 of section 447 or 448, adjusted an amount in favour of the recipient in respect of the supply referred to in the first paragraph for which an invoice has been produced before payment, the following rules apply:

(1) despite paragraph 1 of section 449, the person is not required to issue a credit note to the recipient; and

(2) the second paragraph does not apply in respect of the adjustment.

“350.60.6. The operator of an establishment providing restaurant services who is not a registrant and who makes a taxable supply of a meal (other than a zero-rated supply) in the course of operating the establishment shall prepare an invoice containing the prescribed information, provide the invoice, subject to the prescribed cases and conditions, to the recipient without delay after preparing it and keep a copy of the invoice.

In addition, if the establishment providing restaurant services is a place where alcoholic beverages are provided under a bar permit issued under the Act respecting liquor permits (chapter P-9.1) and authorizing the sale of alcoholic beverages for consumption on the premises, the operator shall also, when making a taxable supply described in the second paragraph of section 350.60.4, prepare an invoice containing the prescribed information, provide the invoice, subject to the prescribed cases and conditions, to the recipient without delay after preparing it and keep a copy of the invoice.

Any person who is not a registrant and who, in an establishment providing restaurant services described in the second paragraph, at its entrance or near the establishment, ordinarily makes a taxable supply referred to in that paragraph under an agreement entered into with the operator of the establishment or with a person related to the operator shall prepare an invoice containing the prescribed information, provide the invoice, subject to the prescribed cases and conditions, to the recipient without delay after preparing it and keep a copy of the invoice.

The obligations under the second paragraph do not apply

(1) to a supply made by means of a vending machine; or

(2) to a supply of a property or service made in a room in a tourist accommodation establishment duly registered under the Tourist Accommodation Act (chapter H-1.01) as a general tourist accommodation establishment.

This section does not apply

(1) to a small supplier who, while being the holder of a valid event permit issued under the Act respecting liquor permits, makes a supply of alcoholic beverages, if the supply is authorized under that permit; or

(2) to a small supplier who is a public service body.

“350.60.7. The operator of an establishment providing restaurant services shall, where the establishment is referred to in the second paragraph of section 350.60.4, declare to the Minister the entering into, modification or expiry of an agreement for a taxable supply of a property or service referred to in that paragraph that a person ordinarily makes in that establishment, at its entrance or near the establishment, either in the prescribed form containing prescribed information and filed within the prescribed time period or by sending the prescribed information to the Minister in the prescribed manner and at the prescribed time.

“350.60.8. Except in the prescribed cases, the operator of an establishment providing restaurant services who is a registrant shall, where the establishment is referred to in the second paragraph of section 350.60.4, enter into an agreement for the supply of a property or service made on an exceptional basis by a person in that establishment, at its entrance or near the establishment,

before the supply is made. The operator shall send the prescribed information relating to the agreement to the Minister in the prescribed manner and at the prescribed time.

“350.60.9. No person to whom section 350.60.4 or 350.60.5 applies and no person acting on that person’s behalf may print or send by a technological means the invoice or credit note, containing the prescribed information, referred to in section 350.60.4 or 350.60.5 more than once, except when providing it to the recipient for the purposes of either of those sections. If such a person prints or sends by such means a reproduction or duplicate of the invoice or credit note for another purpose, the person shall do so in the prescribed manner and such a document must contain the prescribed information.

No such person may provide a recipient of a supply, in relation to the requirement to provide the recipient with an invoice in accordance with the first or second paragraph of section 350.60.4 or the first paragraph of section 350.60.5, with another document stating the consideration paid or payable by the recipient for the supply and the tax payable in respect of the supply, except in the prescribed cases and on the prescribed conditions.

“350.60.10. Every person to whom section 350.60.4 or 350.60.5 applies shall, at the request of a person authorized for that purpose by the Minister,

(1) display a report containing the prescribed information on a device that is part of the equipment described in section 350.60.3;

(2) provide the authorized person with a printed copy of the report or send it to the authorized person by a technological means; or

(3) send the prescribed information to the Minister in the prescribed manner and at the prescribed time.

In the cases described in subparagraphs 1 and 2 of the first paragraph, the person shall also send the prescribed information to the Minister in the prescribed manner and at the prescribed time.

“350.60.11. The Minister may, on such terms and conditions as the Minister determines, exempt a person or class of persons from a requirement set out in sections 350.60.3 to 350.60.10. The Minister may, however, revoke the exemption or modify its terms and conditions.

“350.60.12. Whoever fails to comply with subparagraph 1 of any of the first, second and fourth paragraphs of section 350.60.4, subparagraph 1 of the first or second paragraph of section 350.60.5 or section 350.60.8 or 350.60.10 incurs a penalty of \$300; with subparagraph 2 of any of the first, second and fourth paragraphs of section 350.60.4, subparagraph 2 of the first or second paragraph of section 350.60.5 or any of the first, second and third paragraphs of section 350.60.6, a penalty of \$100; and with section 350.60.9, a penalty of \$200.
