Volume 155, No. 28, page 1787.

On page 1788, the third paragraph of section 18 should have been stricken through as follows:

5. Section 18 is amended as follows:

“**18. Identification of exhibits and pagination.** An exhibit that has been disclosed and produced must be identified by one letter for each party, followed by a consecutive number from the beginning to the end of the record.

Exhibits retain the same identification for all applications, on the merits and in the course of a proceeding.

~~The identification of the exhibit and the number of the record must appear on the front and back of each exhibit, if applicable. The number of the record need not be repeated if several exhibits are joined together.~~
