

12. A professional technologist may supervise work relating to a structural component or a mechanical, electrical or thermal system of one of the following buildings:

(1) an agricultural establishment, other than a silo or livestock waste storage facility;

(2) a building, other than an industrial occupancy, governed by Part 9 of the National Building Code, as incorporated in the Construction Code (chapter B-1.1, r. 2).

A professional technologist may exercise the activity referred to in the first paragraph where the following conditions are met:

(1) the plans and specifications must be specific to the work carried out and pertain to the execution of that work;

(2) the plans and specifications are signed and sealed, as the case may be, by an engineer or a professional technologist authorized to sign and seal them under this Regulation.

The certificate of compliance of the work produced by the professional technologist must refer to the plans and specifications.

Where the professional technologist notes that an unforeseen element may result in a modification of the original design of the work, the professional technologist must inform the engineer or the professional technologist who signed and sealed the plans and specifications.

13. A professional technologist may inspect, for the purposes of maintenance or the preservation of the asset, a structural component and a mechanical, electrical or thermal system of a building referred to in section 12, as well as prepare, modify, sign and seal a report related to that inspection.

Professional Code
(chapter C-26)

Professional activities that may be engaged in by a clinical perfusionist — Amendment

Regulation to amend the Regulation respecting the professional activities that may be engaged in by a clinical perfusionist

WHEREAS, under subparagraph *h* of the first paragraph of section 94 of the Professional Code (chapter C-26), the board of directors of a professional order may, by regulation, determine, among the professional activities that may be engaged in by members of the order, those that may be engaged in by the persons or categories of persons indicated in the regulation, and the terms and conditions on which such persons may engage in such activities; unless it is for the purpose of authorizing persons registered in a program giving access to a permit issued by the order or serving a period of professional training, the board of directors must, before adopting a regulation under that paragraph, consult any order whose members engage in a professional activity described in the regulation;

WHEREAS, in accordance with subparagraph *h* of the first paragraph of section 94 of the Code, the board of directors of the Collège des médecins du Québec consulted the Ordre des infirmières et infirmiers du Québec and the Ordre professionnel des inhalothérapeutes du Québec before adopting, on 16 June 2023, the Regulation to amend the Regulation respecting the professional activities that may be engaged in by a clinical perfusionist;

WHEREAS, pursuant to section 95 of the Professional Code, subject to sections 95.0.1 and 95.2 of the Code, every regulation made by the board of directors of a professional order under the Code or an Act constituting a professional order must be transmitted to the Office des professions du Québec for examination and be submitted, with the recommendation of the Office, to the Government, which may approve it with or without amendment;

WHEREAS, in accordance with sections 10 and 11 of the Regulations Act (chapter R-18.1), the draft Regulation to amend the Regulation respecting the professional activities that may be engaged in by a clinical perfusionist was published in Part 2 of the *Gazette officielle du Québec* of 6 September 2023, with a notice that it could be examined by the Office then submitted to the Government, which may approve it, with or without amendment, on the expiry of 45 days following that publication;

WHEREAS, in accordance with section 95 of the Professional Code, the Office examined the Regulation on 10 November 2023 and subsequently submitted it to the Government with its recommendation;

WHEREAS it is expedient to approve the Regulation with amendments;

IT IS ORDERED, therefore, on the recommendation of the Minister Responsible for Government Administration and Chair of the Conseil du trésor:

THAT the Regulation to amend the Regulation respecting the professional activities that may be engaged in by a clinical perfusionist, attached to this Order in Council, be approved.
